Martirosova Torlone**

Roman Poetry And Propaganda In The Age Of Augustus:

Roman Poetry and Propaganda in the Age of Augustus Anton Powell, 1992 The Cambridge Companion to the Age of Augustus Karl Galinsky, 2005-10-10 The age of Augustus commonly dated to 30 BC AD 14 was a pivotal period in world history A time of tremendous change in Rome Italy and throughout the Mediterranean world many developments were underway when Augustus took charge and a recurring theme is the role that he played in shaping their direction The Cambridge Companion to the Age of Augustus captures the dynamics and richness of this era by examining important aspects of political and social history religion literature and art and architecture The Poetics of Power in Augustan Rome Nandini B. Pandey, 2018-10-11 Augustus success in implementing monarchical rule at Rome is often attributed to innovations in the symbolic language of power from the star marking Julius Caesar s deification to buildings like the Palatine complex and the Forum Augustum to rituals including triumphs and funerals This book illuminates Roman subjects vital role in creating and critiquing these images in keeping with the Augustan poets sustained exploration of audiences active part in constructing verbal and visual meaning From Vergil to Ovid these poets publicly interpret debate and disrupt Rome s evolving political iconography reclaiming it as the common property of an imagined republic of readers In showing how these poets used reading as a metaphor for the mutual constitution of Augustan authority and a means of exercising interpretive *libertas* under the principate this book offers a holistic new vision of Roman imperial power and its representation that will stimulate scholars and students alike *The Alternative Augustan Age* Josiah Osgood, Kit Morrell, Kathryn Welch, 2019-09-02 The princeps Augustus 63 BCE 14 CE recognized as the first of the Roman emperors looms large in the teaching and writing of Roman history Major political literary and artistic developments alike are attributed to him This book deliberately and provocatively shifts the focus off Augustus while still looking at events of his time Contributors uncover the perspectives and contributions of a range of individuals other than the princeps Not all thought they were living in the Augustan Age Not all took their cues from Augustus In their self display or ideas for reform some anticipated Augustus Others found ways to oppose him that also helped to shape the future of their community The volume challenges the very idea of an Augustan Age by breaking down traditional turning points and showing the continuous experimentation and development of these years to be in continuity with earlier Roman culture In showcasing absences of Augustus and giving other figures their due the papers here make a seemingly familiar period startlingly new *Vergil s Political Commentary* Leendert Weeda, 2015-12-14 In the book titled Vergil s political commentary in Eclogues Georgics and Aeneid the author examines Vergil s political views by analyzing the whole of the poet s work He introduces the notion of the functional model suggesting that the poet often used this instrument when making a political statement New interpretations of a number of the Eclogues and passages of the Georgics and the Aeneid are suggested and the author concludes that Vergil s political engagement is visible in much of his work During his whole career the poet was consistent in his views on several major political themes These varied from the

distress caused by the violation of the countryside during and after the expropriations in the 40s B C to the horrors of the civil war and the violence of war in general and the necessity of strong leadership Vergil hoped and expected that Octavian would establish peace and order and he supported a form of hereditary kingship for which he considered Octavian a suitable candidate He held Cleopatra in high regard and he appreciated a more meaningful role for women in society Vergil wrote poetry that supported Augustus but he had also the courage to criticize Octavian and his policies He was a commentator with an independent mind and was not a member of Augustus putative propaganda machine **Augustan Rome** Andrew

Wallace-Hadrill, 2018-02-08 Written by Andrew Wallace Hadrill one of the world's foremost scholars on Roman social and cultural history this well established introduction to Rome in the Age of Augustus provides a fascinating insight into the social and physical contexts of Augustan politics and poetry exploring in detail the impact of the new regime of government on society Taking an interpretative approach the ideas and environment manipulated by Augustus are explored along with reactions to that manipulation Emphasising the role and impact of art and architecture of the time and on Roman attitudes and values Augustan Rome explains how the victory of Octavian at Actium transformed Rome and Roman life This thought provoking yet concise volume sets political changes in the context of their impact on Roman values on the imaginative world of poetry on the visual world of art and on the fabric of the city of Rome *Latin Love Poetry* Denise Eileen McCoskey, Zara Martirosova Torlone, 2013-12-17 I hate and I love The Roman poet Catullus expressed the disorienting experience of being in love in a stark contradiction that has resonated across the centuries While his description might seem to modern readers natural and spontaneous it is actually a response planned with great care and artistry It is that artistry and the way in which Roman love poetry works that this book explores Focusing on Catullus and on the later genre of elegy so called for its metre and a form of poetry practiced by Tibullus Propertius and Ovid Denise Eileen McCoskey and Zara Martirosova Torlone discuss the devices used by the major Roman love poets as well as the literary and historical contexts that helped shape their work Setting poets and their writings especially against the turbulent backdrop of the Augustan Age 31 BCE 14 CE the book examines the origins of Latin elegy highlights the poets key themes and traces their reception by later writers and readers

Horace: Oxford Bibliographies Online Research Guide Oxford University Press, 2010-05-01 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In classics as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has

been created as a tool for cutting through that material to find the exact source you need This ebook is just one of many articles from Oxford Bibliographies Online Classics a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of classics Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com

Latin Poetry and the Judgement of Taste Charles Martindale,2005 Table of contents **Ancient Greece and Rome**

Keith Hopwood,1995 Sir Thomas Fairfax not Oliver Cromwell was creator and commander of Parliament s New Model Army from 1645 to1650 Although Fairfax emerged as England s most successful commander of the 1640s this book challenges the orthodoxy that he was purely a military figure showing how he was not apolitical or disinterested in politics The book combines narrative and thematic approaches to explore the wider issues of popular allegiance puritan religion concepts of honour image reputation memory gender literature and Fairfax s relationship with Cromwell Black Tom delivers a groundbreaking examination of the transformative experience of the English revolution from the viewpoint of one of its leading yet most neglected participants It is the first modern academic study of Fairfax making it essential reading for university students as well as historians of the seventeenth century Its accessible style will appeal to a wider audience of those interested in the civil wars and interregnum more generally

Horace Randall L. B. McNeill,2003-04-01 Traditional views of Horace seek to present the poet as a consistent vivid personality who stands behind and orchestrates the diverse Horatian writings that have come down to us In recent years however an alternate tradition suggests that there may be many Horaces that his work is more productively read as the constant invention of rhetorical techniques sensitively attuned to the requirements of different situations and audiences As Randall L B McNeill argues any sense that readers have of the real Horace is clearly deceptive Horace offers us no unguarded self portrait but rather a number of consciously developed characterizations to suit diverse audiences whether patron peers or the public Horace Image Identity and Audience provides a wide ranging analysis of Horace s use of self presentation in his poetry in his portrayal of his relationships with his patron Maecenas and with his larger readership as a whole in his discussion of the craft of poetry and his own identity as a poet and in his handling of contemporary Roman political events in the light of his assumed role as critic of his own society McNeill uncovers the techniques Horace uses to depict the intricacies of his personal existence in the book s conclusion he explores how similar techniques were adapted by later poets such as Ovid This volume will interest scholars of Horace Latin poetry rhetoric as well as those interested in the cultural studies aspect of persona and identity

Res Publica Constituta
Carsten Hjort Lange,2009-05-06 The years surrounding the decisive battle of Actium in 31 BC and the various measures undertaken by the victor Augustus to create and legitimate a new system of government in Rome are among the most discussed aspects of Roman history This book re evaluates Augustus rise to power first as triumvir along with Antonius and Lepidus and then as sole ruler focusing particularly on the part played by propaganda and ideological claims Augustus is

shown to have acknowledged the Actium war as a civil as well as an external war and the commemorations of the battle at the site and in Rome are re-assessed along with the role ascribed to Apollo in the victory. The celebrated settlement of 28/27 BC is shown to have constituted the accomplishment of the triumviral assignment.

Latin Poetry and Its Reception C. W. Marshall, 2021-03-30 This volume offers 18 new studies reflecting the latest scholarship on Latin verse explored both in its original context and in subsequent contexts as it has been translated and reimagined. All chapters reflect the wide research interests of Professor Susanna Braund to whom the volume is dedicated. *Latin Poetry and Its Reception* assembles a blend of senior scholars and new voices in Latin literary studies. It makes important contributions to the understanding of kingship in Hellenistic and Roman thought with the first four chapters dedicated to exploring this theme in Republican poetry. Virgil, Seneca and Statius. Chapters focusing on the modern reception include case studies from the 16th to the 21st century with discussions on Gavin Douglas, Edward Gibbon, Herman Melville, Igor Stravinsky and Elena Ferrante among others. No comparable volume provides a similar range. *Latin Poetry and Its Reception* will appeal to all scholars of Latin poetry and classical reception from senior undergraduates to scholars in classics and other disciplines.

Maecenas Peter Mountford, 2019-04-29 While much has been written of the importance of Agrippa in Augustus' rise to power as the first emperor of Rome, Maecenas remains a shadowy figure despite being a vital part in the success of Augustus. After the assassination of Julius Caesar, Maecenas was a vital negotiator between Octavian and Mark Antony in the years leading up to the battle of Actium and a wise political advisor to Augustus during the early years of the new regime. This is the first biography of Maecenas in English and gives due credit to the stature of Maecenas both as a confidant of the emperor and as patron of the poets Virgil, Horace and Propertius. The book devotes a chapter to each poet's relationship with Maecenas and the Augustan regime; the chapter on Virgil while considering his relationship to Maecenas and Augustus argues that the origins of his choice of Aeneas may lie in Etruria rather than elsewhere while the chapter on Horace assesses one of the closest documented relationships of Roman history. The chapter on Propertius wrestles with the disparate views of scholars on the question of his relationship with the Augustan regime and argues that at heart he remains an Umbrian Etruscan rather than a Roman. A crucial feature of the book is the provision of 161 texts from ancient Roman and Greek authors which mention Maecenas. Based on sustainable evidence, this study of the importance of Maecenas takes scholarship in new and important directions.

Augustan Poetry and the Irrational Philip R. Hardie, 2016 The establishment of the Augustan regime presents itself as the assertion of order and rationality in the political, ideological and artistic spheres after the disorder and madness of the civil wars of the late Republic. But the classical Apollonian poetry of the Augustan period is fascinated by the irrational in both the public and private spheres. There is a vivid memory of the political and military furor that destroyed the Republic and also an anxiety that furor may resurface that the repressed may return. Epic and elegy are both obsessed with erotic madness. Dido experiences in her very public role the disabling effects of love that are both

lamented and celebrated by the love elegists Didactic especially the Georgics and the related Horatian exercises in satire and epistle offer programmes for constructing rational order in the natural political and psychological worlds but at best contain uneasily an ever present threat of confusion and backsliding and for the most part fall short of the austere standards of rational exposition set by Lucretius Dionysus and the Dionysiac enjoy a prominence in Augustan poetry and art that goes well beyond the merely ornamental The person of the emperor Augustus himself tests the limits of rational categorization Augustan Poetry and the Irrational contains contributions by some of the leading experts of the Augustan period as well as a number of younger scholars An introduction which surveys the field as a whole is followed by chapters that examine the manifestations of the irrational in a range of Augustan poets including Virgil Horace Ovid and the love elegists and also explore elements of post classical reception

Strategies of Ambiguity in Ancient Literature Martin Vöhler, Therese Fuhrer, Stavros Frangoulidis, 2021-02-22 Ambiguity in the sense of two or more possible meanings is considered to be a distinctive feature of modern art and literature It characterizes the open artwork Eco and is generated by disruptive tactics Wellershoff and strategies to engender uncertainty While ambiguity is seen as a paradigm of modernity Bode there is skepticism regarding its use in the pre modern era Older studies were dominated by the conviction that there was a lack of ambiguity in pre modernity because according to the rules of the old rhetoric ambiguity was seen as an avoidable error vitium and a violation of the dictate of clarity perspicuitas The aim of the volume is to re examine the putative absence of ambiguity in the pre modern era Is it not possible to find clear examples of deliberately employed intended ambiguity in antiquity Are the oracles and riddles the Palinode of Stesichoros and Socrates Phaedrus the dissoi logoi of rhetoric the ambiguities of the tragedies all exceptions or do they not indicate a distinct interest in the artistic use of ambiguity The presentations of the conference which will include scholars from various philologies will combine a recourse to theoretical concepts of intended ambiguity with exemplary analyses from the field of pre modern art and literature

Traditions and Contexts in the Poetry of Horace Tony Woodman, Denis Feeney, 2002-05-16 This book explores the whole range of the output of an exceptionally versatile and innovative poet from the Epodes to the literary critical Epistles Distinguished scholars of diverse background and interests introduce readers to a variety of critical approaches to Horace and to Latin poetry Close attention is paid throughout to the actual text of Horace with many of the chapters focusing on reading a single poem These close readings are then situated in a number of different political philosophical and historical contexts The book sheds light not only on Horace but on the general problems confronting Latinists in the study of Augustan poetry and it will be of value to a wide range of upper level Latin students and scholars

Free Speech in Classical Antiquity Ineke Sluiter, Ralph Rosen, 2017-07-31 This book contains a collection of essays on the notion of Free Speech in classical antiquity The essays examine such concepts as freedom of speech self expression and censorship in ancient Greek and Roman culture from historical philosophical and literary perspectives Among the many questions addressed are what was the precise

lexicographical valence of the ancient terms we routinely translate as Freedom of Speech e g Parrhesia in Greece Licentia in Rome What relationship do such terms have with concepts such as is goria d mokratia and eleutheria or libertas res publica and imperium What does ancient theorizing about free speech tell us about contemporary relationships between power and speech What are the philosophical foundations and ideological underpinnings of free speech in specific historical contexts

Reading After Actium Christopher Nappa, 2005-05 Examines the role of one particular reader of Vergil s Georgics Octavian and the political questions surrounding his career **The Cambridge Companion to the Age of Nero** Shadi Bartsch, Kirk Freudenburg, Cedric Littlewood, 2017-11-09 The age of Nero has appealed to the popular imagination more than any other period of Roman history This volume provides a lively and accessible guide to the various representations and interpretations of the Emperor Nero as well as to the rich literary philosophical and artistic achievements of his eventful reign The major achievements of the period in the fields of literature governance architecture and art are freshly described and analysed and special attention is paid to the reception of Nero in the Roman and Christian eras of the first centuries AD and beyond Written by an international team of leading experts the chapters provide students and non specialists with clear and comprehensive accounts of the most important trends in the study of Neronian Rome They also offer numerous original insights into the period and open new areas of study for scholars to pursue

Roman Poetry And Propaganda In The Age Of Augustus Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Roman Poetry And Propaganda In The Age Of Augustus PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Roman Poetry And Propaganda In The Age Of Augustus PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Roman Poetry And Propaganda In The Age Of Augustus free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Roman Poetry And Propaganda In The Age Of Augustus Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. sas rapid predictive modeler - Jan 08 2023

web reliable predictive models business users can generate predictive models based on their requirements derive on demand insights and act on them to solve business problems quickly and effectively sas rapid predictive modeler runs from sas enterprise guide as well as from microsoft excel surfaced via the sas add in for microsoft office

sas predictive analytics and machine learning subscription - Dec 07 2022

web develop and evaluate profit driven descriptive predictive and uplift analytics models design conduct and analyze experiments specifically for marketing campaigns manage analytical models using sas model manager perform predictive modeling with neural networks tree models and logistic regression models

sas advanced predictive modeling exam sas - Aug 15 2023

web for analysts who are creating advanced predictive models using big data successful candidates should have experience in the following areas deploying open source models in sas machine learning and predictive modeling techniques application of machine learning and predictive modeling techniques to big distributed and in memory data sets

top 5 sas predictive modeling procedure you must know - Aug 03 2022

web predictive modeling is a process that forecasts outcomes and probabilities through the use of data mining in this each model is made up of a specific number of predictors which are variables that help in determining as well as influencing future results

predictive modeling with sas enterprise miner - Mar 30 2022

web predictive modeling with sas enterprise miner this set of solutions to exercises is a companion piece to the following sas press book sarma kattamuri s ph d 2017 predictive modeling with sas enterprise miner practical solutions for business applications third edition cary nc sas institute inc

predictive modeling with logistic regression using sas - Mar 10 2023

web predictive modeling with logistic regression using sas coursera browse data science data analysis predictive modeling with logistic regression using sas this course is part of sas statistical business analyst professional certificate instructors michael j patetta financial aid available 4 996 already enrolled about outcomes modules

predictive modeling by example in sas enterprise miner - Apr 30 2022

web oct 28 2015 predictive modeling a simple example that predicts a binary target using the champion of three models regression decision tree and neural network it subsequently scores data using the champion model

predictive modelling analytics and machine learning sas uk - Jun 13 2023

web predictive modelling largely overlaps with the field of machine learning there are two types of predictive models they are classification models that predict class membership and regression models that predict a number these models are then made up of algorithms

predictive modeling 14 sas - May 12 2023

web describe key predictive modeling terms and concepts build predictive models using decision trees build predictive models using regression build predictive models using neural networks predictive model assessment and implementation 25 30 use the correct fit statistic for different prediction types use decision processing to adjust for

predictive modeling sas help center - Sep 04 2022

web aug 30 2017 sas enterprise miner provides a number of tools for predictive modeling three of these tools are the regression node the decision tree node and the neural network node

using sas to validate prediction models - Nov 06 2022

web prediction model we demonstrated sas applications in model calibration discrimination and sensitivity analysis table 2 table 2 summary of model validation techniques model validation techniques measure interpretation sas procedures calibration calibration plot compares median mean predicted versus median mean

tip understanding the basic intermediate and advanced sas - Jul 02 2022

web sep 30 2014 the model comparison node will select the best model of the 4 input models to use as the rapid predictive modeler model advanced modeling method finally we look at the advanced modeling method in sas enterprise miner again we see an increase in the complexity of the overall flow there are three distinct portions of the flow

rapid predictive modeler sas r studio 3 4 user's guide - Jun 01 2022

web specifies this information event level specifies the class target value that you want to model the sas rapid predictive modeler automatically builds a model that provides the probabilities for each target event but reporting improves

337 2012 introduction to predictive modeling with examples sas - Jul 14 2023

web predictive modeling is a name given to a collection of mathematical techniques having in common the goal of finding a mathematical relationship between a target response or dependent variable and various predictor or independent variables with the goal in mind of measuring future values of those predictors and inserting them into the mathe

predictive regression modeling sas r studio 3 2 user s guide - Feb 26 2022

web the predictive regression modeling task focuses on the standard independently and identically distributed general linear model for univariate responses and offers great flexibility and insight into the model selection algorithm this task can also create a

predictive modeling with sas enterprise miner 3rd edition - Oct 05 2022

web kattamuri sarma s predictive modeling with sas enterprise miner practical solutions for business applications third edition will show you how to develop and test predictive models quickly using sas enterprise miner using realistic data the book explains complex methods in a simple and practical way to readers from different backgrounds and

sas predictive modeling 3 in 1 with 3 live case studies - Jan 28 2022

web english english auto sas predictive modeling 3 in 1 with 3 live case studies 3 6 52 ratings 1 929 students what you ll learn linear regression logistic regression time series forecasting live project on linear regression linear regression logistic regression time series forecasting

113 2010 rapid predictive modeling for customer intelligence sas - Dec 27 2021

web the sas rapid predictive modeler has been created to ease the process of creating efficient accurate and robust data mining models it requires minimal user input and produces reports that are suitable for business presentations

course predictive modeling using logistic regression - Feb 09 2023

web this course covers predictive modeling using sas stat software with emphasis on the logistic procedure this course also discusses selecting variables and interactions recoding categorical variables based on the smooth weight of evidence assessing models treating missing values and using efficiency techniques for massive data sets

predictive analytics what it is and why it matters sas - Apr 11 2023

web predictive analytics is the use of data statistical algorithms and machine learning techniques to identify the likelihood of future outcomes based on historical data the goal is to go beyond knowing what has happened to providing a best assessment of what will happen in the future history
