

A painting of a jockey in a yellow and brown uniform, wearing a cap, riding a dark brown horse. The scene is set within an oval frame, with a warm, golden-brown background. The jockey is looking slightly to the left, and the horse's head is turned towards the right.

Wait for Me! Deborah Mitford, Duchess of Devonshire, Charlotte Mosley, 2010-11-09 The autobiography of one of Britain's most beloved figures last of the Mitford sisters renowned writer and social figure Deborah Mitford Duchess of Devonshire is the youngest of the famously witty brood of six daughters and one son that included the writers Jessica and Nancy who wrote when Deborah was born How disgusting of the poor darling to go and be a girl Deborah's effervescent memoir *Wait for Me* chronicles her remarkable life from an eccentric but happy childhood roaming the Oxfordshire countryside to tea with Adolf Hitler and her sister Unity in 1937 to her marriage to Andrew Cavendish the second son of the Duke of Devonshire Her life changed utterly with his unexpected inheritance of the title and vast estates after the wartime death of his brother who had married Kick Kennedy the beloved sister of John F Kennedy Her friendship with that family would last through triumph and tragedy In 1959 the Duchess and her family took up residence in Chatsworth the four hundred year old family seat with its incomparable collections of paintings tapestry and sculpture the combined accumulations of generations of tastemakers Neglected due to the economies of two world wars and punitive inheritance taxes the great house soon came to life again under the careful attention of the Duchess It is regarded as one of England's most loved and popular historic houses *Wait for Me* is written with intense warmth charm and perception A unique portrait of an age of tumult splendor and change it is also an unprecedented look at the rhythms of life inside one of the great aristocratic families of England With its razor sharp portraits of the Duchess's many friends and cohorts politicians writers artists sportsmen it is truly irresistible reading and will join the shelf of Mitford classics to delight readers for years to come **All in One Basket** Deborah Vivien

International Sport: A Bibliography, 2000 Richard William Cox, 2013-10-23 There has been an explosion in the quantity of sports history literature published in recent years making it increasingly difficult to keep abreast of developments The annual number of publications has increased from around 250 to 1 000 a year over the last decade This is due in part to the fact that during the late 1980s and 90s many clubs leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements It is also the result of the growing popularity

and realisation of the importance of sport history research within academe This international bibliography of books articles conference proceedings and essays in the English language is a one stop for the sports historian to know what is new
