Romance Of The University Of California:

The Romance of the University of California Robert Sibley, 1928 **Romance** Barbara Fuchs, 2004-09-09 Often derided as an inferior form of literature romance as a literary mode or genre defies satisfactory definition dividing critics scholars and readers alike This useful guidebook traces the myriad transformations of romance from medieval courtly love to Mills and Boon and claims that its elusive and complex nature serves as a touchstone for larger questions of literary and cultural theory such as How does the history of romance as a category force us to rethink the historicization of literary genres What definitions can we provide for our own time to help us recognize and analyze new forms of romance To what extent is the resistance to romance a resistance to the imaginative force of literature The case for romance as a concept is presented clearly and imaginatively arguing that its usefulness to contemporary critics can be maintained if it is regarded as a literary strategy rather than a fixed genre In encouraging the reader to consider the fluidity of literature Romance will be of equal value to all students of historical and comparative literatures and of modern literary forms **Romance in the Ivory**

Tower Paul R. Abramson, 2011-02-25 Should the choice to engage in a faculty student romance be protected or precluded An argument that the right to choose a romantic partner is a fundamental right of conscience protected by the U S Constitution Allen Ginsberg once declared that the best teaching is done in bed but most university administrators would presumably disagree Many universities prohibit romantic relationships between faculty members and students and professors who transgress are usually out of a job In *Romance in the Ivory Tower* Paul Abramson takes aim at university policies that forbid relationships between faculty members and students He argues provocatively that the issue of faculty student romances transcends the seemingly trivial matter of who sleeps with whom and engages our fundamental constitutional rights By what authority Abramson asks did the university become the arbiter of romantic etiquette among consenting adults Do we as consenting adults have a constitutional right to make intimate choices as long as they do not cause harm Abramson contends that we do and bases this claim on two arguments He suggests that the Ninth Amendment which states that the Constitution's enumeration of certain rights should not be construed to deny others protects the right to romance And more provocatively he argues that the right to romance is a fundamental right of conscience as are freedom of speech and freedom of religion Campus romances happen The important question is not whether they should be encouraged or prohibited but whether the choice to engage in such a relationship should be protected or precluded Abramson argues ringingly that our freedom to make choices to worship make a political speech or fall in love is fundamental Rules forbidding faculty student romances are not only unconstitutional but set dangerous precedents for further intrusion into rights of privacy and conscience

Women and Romance Susan Ostrov Weisser, 2001-07 Weisser English Adelphi U writes that her anthology is for anyone who is interested in understanding the conflicted but powerful female urge to experience the pleasure and endure the pain of romantic love In particular she explores the collision of pervasive media images of romance with feminist values of

independence and self assertion Several dozen historic and contemporary works of criticism personal essays and letters by feminist and anti feminist thinkers consider changing images of romantic love and whether romance fundamentally weakens or empowers women Contributors include Jean Jacques Rousseau Charlotte Bronte Karen Horney Simone de Beauvoir Rita Mae Brown bell hooks Vivian Gornick and Carolyn Heilbrun c Book News Inc **Hawthorne's Romances** Robert S. Friedman,2014-02-25 First Published in 2000 Throughout the nineteenth century the study of geometry remained at the core of educational curricula in the United States strongly affecting how educated Americans construed their world This book examines how each of Nathaniel Hawthorne s romances presents a different geometric figure that becomes representative of the work s themes and narrative designs These geometric figures when approached from the perspective of Victor Turner s symbolic anthropology server as cultural mediators combining geometric symbology with a unique narrative perspective to offer metaphors of personal and cultural boundaries Freidman presents the literary text as the point of intersection among such disciplines as cultural anthropology history mathematics and American literature *California, Romantic and Beautiful* George Wharton James,1914 **Four Middle English Romances** Harriet Hudson,2006-11-01 Sir Isumbras Octavian Sir Eglamour of Artois and Sir Tryamour are important works in a major literary development of the fourteenth century the flourishing of Middle English popular romance These four narratives were among the most popular all survive in multiple manuscripts and continued to circulate in prints through the sixteenth century All were composed in the northeast Midlands in the fifty years between 1325 and 1375 and they appear together in several manuscripts The tale the romances tell of exiled queens orphaned children and penitent fathers was one of the most prevalent medieval stories Sometimes called the Constance Eustace legend after two well known pious versions its influence can be seen in numerous romances **The Romance of Arthur** Norris J. Lacy,James J. Wilhelm,2015-07-17 The Romance of Arthur James J Wilhelm s classic anthology of Arthurian literature is an essential text for students of the medieval Romance tradition This fully updated third edition presents a comprehensive reader mapping the course of Arthurian literature and is expanded to cover key authors such as Chr tien de Troyes and Thomas of Britain as well as Arthurian texts by women and more obscure sources for Arthurian romance extensive coverage of key themes and characters in the tradition a wide geographical range of texts including translations from Latin French German Spanish Welsh Middle English and Italian sources a broad chronological range of texts encompassing nearly a thousand years of Arthurian romance Norris J Lacy builds on the book s source material presenting readers with a clear introduction to many accessible modern spelling versions of Arthurian texts The extracts are presented in a new reader friendly format with detailed suggestions for further reading and illustrations of key places figures and scenes The Romance of Arthur provides an excellent introduction and an extensive resource for both students and scholars of Arthurian literature **Shakespeare, Catholicism, and Romance** Velma Bourgeois Richmond,2015-12-17 This book assesses William Shakespeare in the context of political and religious crisis paying particular attention to his Catholic

connections which have heretofore been underplayed by much Protestant interpretation Bourgeois Richmond's most important contribution is to study the genre of romance in its guise as a cover for recusant Catholicism drawing on a long tradition of medieval religious plays devoted to the propagation of Catholic religious faith *Romances with Schools* John I. Goodlad, 2016-07-18 John I Goodlad has been an unflinching voice for humanistic ideals in education for more than six decades and has helped reframe the modern discourse on the role and function of schools For Goodlad the goal of public education is to help children become free and full participants in a democratic society by instilling them with a love of learning and a sense of civic responsibility goals that are incompatible with our present system of schooling that teaches to standardized tests In *Romances with Schools* John Goodlad steps out from behind the public persona of distinguished scholar and advocate for public schooling to offer a moving personal account of a life devoted to educating the young He deftly interweaves fascinating personal details with reflections on many of the larger issues in education that he has explored throughout his career John's early encounters with formal schooling began just before the Great Depression in Canada with the humble North Star School From there we are taken through sixty plus years in education starting with John's first teaching job as the sole instructor of a one room schoolhouse through his years as an education activist dean of the UCLA Graduate School of Education and national voice for educational renewal Along the way he treats us to vivid characterizations of the men women and above all children who shaped him as a person and inspired his thinking on education *Romances with Schools* is both a poignant memoir and a persuasive argument for the need to renew public education to fit the demands of a free society Stephen Goodlad John's son has written a moving Prologue to the book that provides behind the scenes insight into John's life An Epilogue by Roger Soder a long time colleague places John's work of school renewal in the context of political change *Medieval Romance and the Construction of Heterosexuality* L. Sylvester, 2007-12-25 This book interrogates our ideas about heterosexuality through examination of medieval romance narratives Familiar configurations of romantic fiction such as male desire overwhelming feminine reluctance and the aloof masculine hero undone by love derive from this period This book tests current theories of language and desire through stylistic analysis examining transitivity choices and speech acts in sexual encounters and conversations in medieval romances In the context of current preoccupations with gender and sexuality and consent in rape cases this study is of interest to scholars investigating language and sexuality as well as those researching and teaching medieval literature and culture

Libraries May 2004 **Indexes** ,2021-03-22 No detailed description available for Indexes **Conflict and Colonialism in 21st Century Romantic Historical Fiction** Hsu-Ming Teo,Paloma Fresno-Calleja,2024-06-13 This book explores how postmillennial Anglophone women writers use romantic narrativisations of history to explore revise repurpose and challenge the past in their novels exposing the extent to which past societies were damaging to women by instead imagining alternative histories The novelists discussed employ the generic conventions of romance to narrate their understanding of historical and contemporary injustice and to reflect upon women s achievements and the price they paid for autonomy and a life of public purpose The volume seeks firstly to discuss the work of revision or reparation being performed by romantic historical fiction and secondly to analyse how the past is being repurposed for use in the present It contends that the discourses and genre of romance work to provide a reparative reading of the past but there are limitations and entrenched problems in such readings

Rewriting Resemblance in Medieval French Romance Paul Vincent Rockwell,1995 First published in 1995 Routledge is an imprint of Taylor Francis an informa company *Educational Review* ,1923 **Educational Review** Nicholas Murray Butler, Frank Pierpont Graves,1922 Vols 19 34 include Bibliography of education for 1899 1906 compiled by James I Wyer and others *The Routledge Companion to Romantic Love* Ann Brooks,2021-11-29 The Routledge Companion to Romantic Love is a multidisciplinary and interdisciplinary reference work essential for students and researchers interested in the field of love romance and popular romance fiction This first of its kind volume illustrates the broad and interdisciplinary nature of love studies International contributors including leaders in their field reflect a range of perspectives from cultural studies history literature popular romance studies American studies sociology and gender studies Comprising over 30 chapters by a team of international contributors the Companion is divided into 12 parts Love romance and historical and social change Love and feminist discourses Love and popular romance fiction Love gender and sexuality Romancing Australia South and Southeast Asian romance communities Nation place and identity in US popular romance novels Romantic love and national identity in Chinese and Taiwanese discourses of love Muslim and Middle Eastern romances Discourses of romance fiction and technologies of power Writing love and romance Legal and theological fiction and sexual politics This is an important and unique collection aimed at researchers and students across cultural studies women and gender studies literature studies and sociology *Magic and the Supernatural in Medieval English Romance* Corinne J. Saunders,2010 This study looks at a wide range of medieval English romance texts including the works of Chaucer and Malory from a broad cultural perspective to show that while they employ magic in order to create exotic escapist worlds they are also grounded in a sense of possibility and reflect a complex web of inherited and current ideas Book Jacket **Romantic Love in Cultural Contexts** Victor Karandashev,2016-12-24 This volume presents a conceptual historical anthropological and sociological review of how culture affects our experience and expression of romantic love What is romantic love and how is it different from and similar to other kinds of love How is romantic love related to sex and marriage in human history and across contemporary cultures What

cultural factors mediate attraction in love These are some of the questions the volume explores through its interdisciplinary yet focused lens Much of the current research evidence suggests that love is a universal emotion experienced by a majority of people in various historical eras and in all the world's cultures Yet love displays in different ways because culture has an impact on people's conceptions of love and the ways they feel think and behave in romantic relationships This volume summarizes classical knowledge on love and culture while at the same time focusing sharply on recent studies and cutting edge research that has advanced the field Divided into three parts the volume begins by defining and analyzing the concept of romantic love and interdisciplinary approach to its study in cultural context Part II traces the origin and evolution of romantic love both in various places throughout the world and various time periods throughout history Part III presents the revolutionary expansion of romantic love ideas and practices in the late 20th and early 21st centuries in various parts of the world focusing particularly on the development of romantic love as a cultural ideal of the modern cultures Finally the book concludes by summarizing the major achievements in this field of study and predicts future development A timely and thoughtful addition to the literature *Romantic Love in Cultural Contexts* delivers thought provoking insights to researchers in relationship scholarship sociology anthropology and cultural studies and all those interested in the universal human concept of love Overall I find Dr Victor Karandashev is an excellent and fine scholar who has a firm grasp of both the fundamental principles of cross cultural research and of anthropology In our increasingly connected world *Romantic Love in Cultural Contexts* updates and adds to the descriptions and explanations of similarities and differences in romantic love across generations and cultures Romantic love encompasses the life span rather than being a phenomenon largely confined to youthful years The topic of this project concerns the deepest of our sentiments and pervades life from birth to death This book contributes to better knowledge of this phenomenon across generations
