Romance Of Italy And The English Political Imagination:

The Romance of Italy and the English Imagination Maura O'Connor, 1998-10-14 In blurring the boundaries between fact and fiction diplomats and travellers English nation and Italian nation Maura O'Connor shows us the extent to which imagination pleasure and politics were intimately interwoven in her story of the English middle class fascination with the Italian peninsula from the early 1800s through to the 1860s O'Connor uses a variety of sources ranging from travel writings and the popular press to diplomatic dispatches and official correspondence to illustrate how influential the romance of Italy was to the bourgeois liberal and above all English social order during a time when class society was undergoing reconfiguration Her use of the collective imagination as a crucial historical tool and her emphasis on narrative as a means not only to read texts but also to understand political sources such as diplomatic documents as reflections of culture ensures that this book breaks new ground and defies conventional categorization Also included are the unique assertions that the concepts of Englishness and England were conceived in anything but isolation and that neither high politics nor foreign policy may be viewed as domains separate from the forces of cultural imagination and production **The Romance of Italy**

Carol Helstosky, 2024-05-15 *Italian Forgers* takes an unorthodox approach to the fascinating topic of art forgery focusing not on art forgery per se but on the major forgery scandals that shifted the Italian art market in response to

constant and often intense demand for Italian objects By focusing on power dynamics that both precipitated forgery scandals and forged Italian cultural identities this book connects the debates and discussions about three well known Italian forgers Giovanni Bastianini Icilio Joni and Alceo Dossena to anchor and investigate the mechanics of the Italian art market from unification through the fascist era Carol Helstosky examines foreign accounts of transactions and Italian writings about the art market The actions and words of Italian dealers illustrate how the Italian art and antiquities market was an undeniably modern industry on par with tourism in terms of its contribution to the Italian economy and to understandings of Italian identity These accounts also reveal how dealers artists go between guides and restorers worked to not only meet the intense demand for Italian products but also to develop highly sophisticated business practices to maintain financial stability and respond to shifts in demand consciously but not always conscientiously Italian Forgers weaves a compelling narrative about the history of Italian identity forgery and the value of the past As a result Helstosky brings historical perspective to the study of art forgery and art fraud She reveals how historical circumstances and structural imbalances of cultural power shaped the market for art and antiquities and amplified incidents of art deception and forgery scandals Intimacy and Italian Migration Loretta Baldassar, Donna R. Patriarca, L. Riall, 2011-12-16 Bringing together the work of a ground breaking group of scholars working on the Italian Risorgimento to consider how modern Italian national identity was first conceived and constructed politically the book makes a timely contribution to current discussions about the role of patriotism and the nature of nationalism in present day Italy **The Empire of Stereotypes** R. Casillo, 2006-05-13 This book places Germaine de Stael's influential novel *Corrine or Italy* 1807 in relation to preceding and subsequent stereotypes of Italy as seen in the works of Northern European and American travel writers since the Renaissance **The Artistry of Exile** Jane Stabler, 2013-10-24 The Artistry of Exile is a new reading of one of the most important themes of nineteenth century literature Exile represents a crisis in the always present tension between self and culture the disturbance of memory the quest for home and the survival or not of life's heart quakes all of which became identifying features of canonical Romanticism Focusing on two interlinked groups of writers who for various reasons felt cast out of England and sought refuge in Italy this book traces the material and metaphoric dynamics of distance in poems novels and epistolary conversations The book brings into dialogue the self alienation and existential antagonism of the Cain figure with the contingencies of real travel conversations about writing desks lost parcels of books missing pans and stray camels Domestic and cosmic perspectives mingle as the book reveals how writers realize the full resonance of Dante's vivid

summation of exile in the taste of different bread and the difficulty of another man's stairs As a country that only exists in the early nineteenth century as a memory Italy both embodies and energises formal attempts to bridge the distance created by exile in the work of the Byron Shelley circle and the later Barrett Browning Browning collaboration Examining these writers in relation to Italian art sound religion narrative art and history the book presents a new perspective on Romantic canonicity and relocates contemporary ideas of cosmopolitanism in the aesthetic ethical and political debates of the late Romantic and early Victorian world

star of the story is Cliveden Booklist Lovers of modern English history and the scandals that infiltrated upper crust society
