find the happiness power and success you've been searching for. This is my second book on shadow work and within these pages we'll dig in deeper, cover more ground and do more work that leads to ultimate healing and freedom. I'll show you how to view your shadow traits differently, integrate them and use them as a powerful force that can help you in life rather than holding you back. It's not about fixing what's broken but shedding light on those dark parts and understanding every aspect of who you truly are. Eventually, by accepting those less than perfect aspects of your personality, you'll be living life as your authentic self. And let me tell you, it feels amazing. I'll be honest, shadow work is not easy, nor is it an overnight fix. Many people give up far too soon. After all, it can be overwhelming when faced with all of your demons and dirty laundry, so to speak. That's why I wrote these books. I don't want you to go down this road alone. I've been doing my own shadow work for a long time now and have helped many clients through their journey as well. Let me walk with you as you face and embrace your shadows.

Jessica's Guide to Dating on the Dark Side Beth Fantaskey, 2009-07-10 Heart of a Champion **Owning Your Own Shadow** Robert A. Johnson, 2013-02-26 One of the original primers on shadow work. A spiritual guide to fully understanding your psyche and unconscious mind to achieve transformative self-acceptance. In this mind and life altering volume, Jungian expert and renowned author Robert A. Johnson describes how we all have shadows, the unlit, undesirable part of our ego that is hidden deep within us that merely and often painfully turns up in unexpected places. As we leave these shadows dormant, we veer further away from our true selves. But when we begin to explore and embrace these shadows, we begin to find balance and finally heal the parts of ourselves we thought were broken. Johnson illuminates that by accepting and honoring the shadow within us, we can live beyond judgement and shame through healthy emotional regulation. Strengthen our relationships and develop healthier behavioral and communication patterns. Stop comparing ourselves to others and learn to live with authentic gratitude for what we have and who we are. Move beyond self-sabotaging to radically improve our self-esteem and self-worth. Both radical and piercing yet compassionate and gentle, *Owning Your Shadow* allows us to clasp the painful parts of ourselves, our anger, jealousy, addictions, fears, and use them to discover our most authentic selves. A must-read for anyone who struggles with a lack of self-confidence, trouble setting boundaries, anxiety in relationships, doomscrolling, or simply finding the happiness they know they deserve. Indeed, the light at the end of the tunnel begins when we choose to venture into the darkness first.
