Romania An Economic Abebment:

Romania Organisation for Economic Co-operation and Development, Centre for Co-operation with European Economies in Transition, 1993 **Romania** , 1993 **East European Economic Assessment: Regional assessments** , 1981 East European Economic Assessment: Regional assessments, 1981 United States. Congress. Joint Economic Committee, 1980

OECD Economic Surveys: Romania 2002 OECD, 2002-10-29 This 2002 edition of OECD s Economic Survey of Romania examines recent economic developments policies and prospects It includes special features on co ordination of reforms and exit and entry in the enterprise sector **OECD Economic Surveys: Romania 1998** OECD, 1998-02-25 This 1998 edition of OECD s periodic review of Romania s economy examines recent economic developments policies and prospects and includes special features on macroeconomic stabilisation and restructuring social policies

product market regulation in romania, a comparison with oecd countries marianne fay, donato de rosa, catalin pauna, **Romania and The European Union** Dimitris Papadimitriou, David Phinnemore, 2008-03-26 This is a new overview of Romania s relationship with the European Union since the collapse of the Ceausescu regime in 1989 and recent accession to EU membership It presents the reader with a clear sense of the debate with full coverage of all the key issues involved OECD Competition Assessment Reviews: Romania OECD, 2016-06-28 Drawing on the OECD Competition Assessment Toolkit this report identifies 227 problematic regulations in Romania and makes 152 specific recommendations on legal provisions that should be amended or repealed Appraising the Economics of Smart Meters Jacopo Torriti, 2020-03-12 This book focuses on the economics of smart meters and is one of the first to present comprehensive evidence on the impacts cost benefits and risks associated with smart metering Throughout this volume Jacopo Torriti integrates his findings from institutional cost benefit analyses and smart metering trials in a range of European countries with key economic and social concepts and policy insights derived from almost ten years of research in this area He explores the extent to which the benefits of smart meters outweigh the cost and poses key questions including which energy savings can be expected from the roll out of smart meters in households Is Cost Benefit Analysis an appropriate economic tool for assessing the impacts of smart metering rollouts Can smart meters play a significant role in research on people s activities and the timing of energy demand Torriti concludes by providing a much needed survey of recent changes and expected future developments in this growing field This book will be of great interest to students and scholars of energy policy and demand and smart metering infrastructure **Central Banking and Financialization** D. Gabor, 2015-12-11 This book explores the causes and effects of the rise of neoliberalism in Eastern Europe in the aftermath of the collapse of the Soviet Union It provides a political economy analysis of the role of central banks and identifies them as a key actor in the production and dissemination of the neoliberal economic policies

Romania and the European Union Tom Gallagher, 2013-07-19 According to Tom Gallagher Romania s predatory rulers the heirs of the sinister communist dictator Ceausescu have inflicted a humiliating defeat on the European Union He argues

convincingly that Brussels was tricked into offering full membership to this Balkan country in return for substantial reforms which its rulers now refuse to carry out This book unmasks the failure of the EU to match its visionary promises of transforming Romania with the shabby reality Benefiting from access to internal reports and leading figures involved in a decade of negotiations it shows how Eurocrats were outwitted by unscrupulous local politicians who turned the EU's multi level decision making processes into a laughing stock The EU's famous soft power turned out to be a mirage as it was unable to summon up the willpower to insist that this key Balkan state embraced its standards of behaviour in the political and economic realms The book unravels policy failures in the areas of justice administrative and agricultural reform and shows how Romania moved backwards politically during the years of negotiations

Romania Poverty Assessment: Main report, 2004 OECD Review of Agricultural Policies: Romania 2000 OECD, 2000-09-29 This study of Romania's agricultural policies analyses developments from the dramatic events of December 1989 to the present day preparations for accession to the European Union Labour Market and Social Policies in Romania OECD, 2000-06-14 This book analyses the issues of labour market and social policy in Romania through an economic perspective while providing diverse international comparisons *Water Resources Management in Romania* Abdelazim M. Negm, Gheorghe Romanescu, Martina Zeleňáková, 2019-11-02 This book discusses water resources management in Romania from a hydrological perspective presenting the latest research developments and state of the art knowledge that can be applied to efficiently solve a variety of problems in integrated water resources management It focuses on a wide range of water resources issues from hydrology and water quantity quality and supply to flood protection hydrological hazards and ecosystems and includes case studies from various watersheds in Romania As such the book appeals to researchers practitioners and graduates as well as to anybody interested in water resources management

OECD Economic Surveys, 2002 **Cross-Cultural Risk Perception** Ortwin Renn, Bernd Rohrmann, 2013-03-14 Cross Cultural Risk Perception demonstrates the richness and wealth of theoretical insights and practical information that risk perception studies can offer to policy makers risk experts and interested parties The book begins with an extended introduction summarizing the state of the art in risk perception research and core issues of cross cultural comparisons The main body of the book consists of four cross cultural studies on public attitudes towards risk in different countries including the United States Australia New Zealand France Germany Sweden Bulgaria Romania Japan and China The last chapter critically discusses the main findings from these studies and proposes a framework for understanding and investigating cross cultural risk perception Finally implications for communication regulation and management are outlined The two editors sociologist Ortwin Renn Center of Technology Assessment Germany and psychologist Bernd Rohrmann University of Melbourne Australia have been engaged in risk research for the last three decades They both have written extensively on this subject and provided new empirical and theoretical insights into the growing body of international risk perception research

Lessons from the Economic Transition Salvatore

Zecchini,2013-12-01 An attentive reader embarking on this book might wonder what the economic transition to which the title refers might be In this century almost all countries have gone through periods of economic transition but which period of economic history can claim to embody the notion or to represent the era of the transition Definitely no country or group of countries has experienced anything comparable to the economic upheavals that the fall of communism has brought about in a large portion of the world in just three years 1989 to 1991 No other transition to date has prompted more interest and more studies among economists academics and policy makers than has the transformation of centrally planned economies into market based systems It is this transformation that has come to define the transition Early in the transformation process in November 1990 with the support of the Centre for Co operation with the Economies in Transition CCET I launched a conference to examine the challenges faced by these countries About six years have gone by and a new economic landscape has emerged in that part of the world The difficulties in transforming these economies have exceeded all expectations and economic performances have varied considerably across countries The time has come therefore to make a first evaluation of progress and problems with a view to extracting useful policy lessons to guide policy makers in successfully completing the transition in the near future **East European economies** ,1986
