*Language and Travel Guide to Romania* Rosemary Rennon, 2007 Rosemary Rennon discovered Romania in 1993 when she went hunting for the small village where her father was born She was captivated by its scenery and by the simplicity of a country just awakening from its long communist nightmare Unfamiliar to many due to its long isolation Romania is comprised of five distinct regions resulting from both their unique landscapes and their historical populations of Dacians Romanians Germans Hungarians and Turks In addition to its rolling green hills and valleys with the arc of the Carpathian mountain chain in its centre the country's southeastern region on the Black Sea provides a massive wildlife refuge as well as miles of sandy beach resorts Its cities are filled with outstanding architectural gems and modern activities All this plus a fascinating turbulent history and the lovely Romanian tongue considered by many to be the original romance language belong to a culture one will never want to leave

*Romania*, 1973 Modern Romania

Tom Gallagher,2008-03 Since the 1989 fall of Communism in Eastern Europe Romania arguably the most regimented of states in the Soviet bloc has struggled with the transition from totalitarian state to democratic nation In this insightful examination of modern Romania Tom Gallagher provides an overview of Romania s unique political and social history focusing on both its national identity as well as the legacy of Soviet rule Gallagher provides an in depth look at Romania since 1989 focusing on the government s attempts at economic reform engagement with democracy problems with corruption among the ruling elite as well as the weakness of civil society and the resilience of implacable expressions of nationalism Ultimately Gallagher argues that thus far democracy has essentially failed in Romania In fact he warns that Romania is on its way to becoming one of the most unequal states in Europe and quite possibly a future trouble spot unless efforts to resume much needed reforms are undertaken

**Romania and the European Union** Tom Gallagher,2013-07-19 According to Tom Gallagher Romania s predatory rulers the heirs of the sinister communist dictator Ceausescu have inflicted a humiliating defeat on the European Union He argues convincingly that Brussels was tricked into offering full membership to this Balkan country in return for substantial reforms which its rulers now refuse to carry out This book unmasks the failure of the EU to match its visionary promises of transforming Romania with the shabby reality Benefiting from access to internal reports and leading figures involved in a decade of negotiations it shows how Eurocrats were outwitted by unscrupulous local politicians who turned the EU s multi level decision making processes into a laughing stock The EU s famous soft power turned out to be a mirage as it was unable

to summon up the willpower to insist that this key Balkan state embraced its standards of behaviour in the political and economic realms The book unravels policy failures in the areas of justice administrative and agricultural reform and shows how Romania moved backwards politically during the years of negotiations [Export Administration Regulations United States](#).
