## Romania Revisited:

**Romania Revisited** Alan Ogden, 2022-08-01 *Romania Revisited* is the definitive story of the journeys made by English travelers to Romania between 1602 and 1941. The author Alan Ogden interweaves the impressions of previous generations into the witty account of his own journeys made in the summer and winter of 1998. Starting with the Transylvanian adventures of Captain John Smith in 1602, the bibliography is the most detailed inventory yet published of English travel writing on Romania. The author's own journey is a comprehensive and perspicacious review of today's Romania. Ogden focuses on the heritage and art of the country while providing a delightful account of his own experiences en route. The book is illustrated with the author's own photographs based on the work of Kurt Hielscher in 1933 and with helpful maps drawn by the author. *Romania Revisited* makes a valuable contribution to the study of the external perception of Romania over the centuries and is the perfect travel companion for today's visitor. *Romania: Transylvania* Lucy Mallows, Paul Brummell, 2024-03-15 This new fourth edition of Bradt's *Romania Transylvania* remains the only standalone full-length English language travel guidebook to Transylvania, the legendary enchanting and increasingly popular region of Romania. Co-authored by former British Ambassador to Romania Paul Brummell, *Romania Transylvania* has been thoroughly updated by prolific travel writer Tim Burford, who wrote his first *Romania* guide in 1991. Transylvania, the land beyond the forest, is a wild, wooded, intensely romantic region filled with mountains and gorges, myths and legends, dragons, bears, wolves, and vampires. Bram Stoker called it one of the wildest and least known parts of Europe, a description that remains true today. Comprehensive chapter-per-county coverage caters for a diverse range of interests, from city breaks to rural escapes, skiing to wildlife watching. One of the most beautiful regions in central Europe and home to three UNESCO World Heritage sites, Transylvania preserves its cultural and artistic treasures in a landscape bordered on three sides by the Carpathian Mountains, which provide Romania's finest skiing and hiking destinations. Hay meadows in the Lower Carpathians form a grassland ecosystem of extraordinary diversity, offering beautiful wildflower displays. The Carpathians are home too to lynx, wild boar, and one of Europe's largest populations of brown bear. Other natural phenomena include the Scarisoara Ice Cave in the Apuseni Mountains and the Sfanta Ana volcanic crater lake in Harghita County. Transylvania's cultural riches include the Dacian fortresses of the Orastie Mountains, including Sarmizegetusa Regia, conquered by Roman Emperor Trajan in AD 106. Historic Sighisoara is a picture-perfect medieval hill town. The fortified churches of southern Transylvania are testament to the perils of life in medieval Saxon communities subject to frequent attacks from Ottoman raiders. The historic cities of Cluj, Sibiu, and Brasov are rightly feted and host internationally renowned film, electronic music, and theatre festivals. At Turda's salt mine, you can ride the big wheel in an underground amusement park. And if you're inspired by the *Hotel Transylvania* or *Twilight* films, why not follow the Dracula trail, visiting sites linked to Bram Stoker's novel? Whatever your interests with Bradt's *Romania Transylvania*, you can discover the region's many and varied attractions. Repression, Resistance and

**Church Reckoning with Communism in Post-1989 Romania** Lavinia Stan, Lucian

Turcescu, 2021-07-07 The present volume focuses on the relationship with Communism of Romania s most important religious denominations and their attempt to cope with that difficult past which continues to cast an important shadow over their present For the first time ever this volume considers both the majority Romanian Orthodox Church and significant minority denominations such as the Roman and Greek Catholic Churches the Reformed Church the Hungarian Unitarian Church and the Pentecostal Christian Denomination It argues that no religious group escaped collaboration with the Communists After 1989 however most denominations had little desire to tackle their tainted past and make a clean start In part this situation was facilitated by the country s deficient legislation that did not encourage the pursuit of lustration which in turn did not lead to a serious movement of elite renewal in the religious realm Instead a strong process of reproduction of the old elites and their adaptation to democracy has been the dominant characteristic of the post Communist period

*Art, Religion and Resistance in (Post-)Communist Romania* Maria Alina Asavei, 2020-10-22 This book illuminates the interconnections between politics and religion through the lens of artistic production exploring how art inspired by religion functioned as a form of resistance directed against both Romanian national communism 1960 1989 and latterly consumerist society and its global market It investigates the critical tactical and subversive employments of religious motifs and themes in contemporary art pieces that confront the religious affair in post communist Romania In doing so it addresses a key gap in previous scholarship which has paid little attention to the relationship between religious art and political resistance in communist Central and South East Europe

*Mysterious Places* Jeffrey Gorney, 2014-06-17 In this richly told narrative an American writer travels to Romania in search of long lost relatives His quest sheds light on other lives in other times and places and forgotten yet chilling aspects of World War II More than memoir with photos and recipes this book probes the many threads of a family destiny and it reveals how event and migration shape future generations and family stories can even lead to self discovery

**Mapping Cultural Identities and Intersections** Mustafa Kirca, 2019-09-26 This volume investigates identity

discourses and self constructions de constructions in various texts through imagological readings of films narratives and art works examining different layers of cultural identities on the one hand and measuring the literary reception of ethnic identity constitution to reveal both the self and hetero images on the other The book features theoretical and analytical approaches with insights borrowed from multiple disciplines and mainly focuses on the application of imagological perspectives in the fields of literature and translation and specifically in literary works carried over from one culture to another It will be of interest for scholars and researchers working in the fields of literature translation cultural studies and imagology as well as for students studying in these fields

**The Mountains of Romania** Janneke Klop,2020-11-02 A guidebook to a selection of 37 walks and short treks of 2 6 days in the mountains of Romania Routes are graded by difficulty popular routes have a good network of mountain huts whereas more remote backpacking routes require complete self sufficiency Day walks range from 11 to 24km and can be enjoyed in 5 8 hours Treks range from 13 to 98km The routes cover the mountains of Maramures the Eastern Carpathians the mountains around Brasov the Fagaras Mountains the region from the Olt to the Jiu and the Retezat Banat and Apuseni Mountains Also included is an ascent of Moldoveanu Romania s highest peak Clear route description illustrated with 1 100 000 mapping GPX files available to download Notes on access accommodation and water sources for each day s walking Accommodation listings for each mountain area Advice on planning and preparation including kitlist local transport and safety

**Romania under Communism** Dennis Deletant,2018-10-11 Communism has cast a long shadow over Romania The passage of little over a quarter of a century since the overthrow in December 1989 of Romania s last Communist leader Nicolae Ceau escu offers a symbolic standpoint from which to penetrate that shadow and to throw light upon the entire period of Communist rule in the country An appropriate point of departure is the observation that Romania s trajectory as a Communist state within the Soviet bloc was unlike that of any other That trajectory has its origins in the social structures attitudes and policies in the pre Communist period The course of that trajectory is the subject of this inquiry

**Romania and the Quest for European Identity** Cristian Cercel,2019-03-15 Exploring the largely positive representations of Romanian Germans predominating in post 1989 Romanian society this book shows that the underlying reasons for German prestige are strongly connected with Romania s endeavors to become European The election in 2014 of Klaus Iohannis as Romania s president was hailed as evidence that the country chose a European future that Iohannis belonged to Romania s tiny German minority was also considered to have played a part in his success Cercel argues that representations of Germans in Romania descendants of twelfth century and eighteenth century colonists become actually a symbolic resource for asserting but also questioning Romania s European identity Such representations link Romania s much desired European belonging with German presence whilst German absence is interpreted as a sign of veering away from Europe Investigating this case of discursive self colonization and this apparent symbolic embrace of the German Other in Romania the book offers a critical study of the discourses associated with Romania s postcommunist Europeanization to

contribute a better understanding of contemporary West East relationships in the European context This fresh and insightful approach will interest postgraduates and scholars interested in Central Eastern and Southeastern Europe and in German minorities outside Germany It should also appeal to scholars of memory studies and those interested in the study of otherness in general

**Visual Rhetorics of Communist Romania** Adriana Cordali,2023-01-10 Visual Rhetorics of Communist Romania Life under the Totalitarian Gaze offers personal accounts and theoretical insight into the Cold War era when little information about life beyond the Iron Curtain could transpire to the West Adriana Cordali develops a unique visual rhetorical theory for analyzing communist totalitarian propaganda and the resistance to it and reveals the deliberate strategic in visibilities the rhetoric of power engaged in Building upon the local history ideology and politics of the regime imposed after WWII she identifies propaganda s rhetorical features visual tropes and symbols and examines striking photographs and print materials from Ceau escu s regime 1966 1989 and the time of regime change 1989 1990 as well as an award winning Romanian film that depicts women s life at the time Converging visual rhetoric and culture with history and politics Visual Rhetorics of Communist Romania is a first book of this kind and will interest readers of rhetoric and communication visual rhetoric and political discourse in the region

**The Orthodox Church and National Identity in Post-Communist Romania** Adrian Velicu,2020-08-17 This book explores the Romanian Orthodox Church s arguments on national identity to legitimize its own place in a post communist Romania The work traces the clergy s deployment of the concepts of Christian Orthodoxy and Latin legacy as part of an uncharted constellation of arguments in contemporary intellectual history A survey of public intellectuals opinions on national identity complements the Church s views The investigation attempts to offer an insight into the Church s efforts to re assert itself given free rein in a post dictatorial world of accelerated modernization After clarifying and surveying the Church s claims on institutional and national identity the book then also explores the secular ideas on the subject The subsequent analysis treats this material as speech acts statements doing not only saying something which are occasionally out of sync Against a background of secularization the Church s rhetoric articulates a distinct line of thought in the post 89 intellectual landscape

**Understanding Recognition** Piotr Kulas,Andrzej Waśkiewicz,Stanisław Krawczyk,2022-08-08 As the concept of recognition shifts from philosophical theory to other fields of the humanities and social sciences this volume explores the nature of this border category that exists in the space between sociological and philosophical considerations related as it is to concepts such as status prestige the looking glass self respect and dignity at times being used interchangeably with these terms Bringing together work from across academic disciplines it presents theoretical conceptualizations of recognition demonstrates its operationalization in historical and literary research considers recognition as a fundamental problem of sociological theory and examines the concept as a marker of social distances and redistribution An examination and demonstration of the full potential of recognition as a category Understanding Recognition Conceptual and Empirical Studies explores the contemporary meanings

and manifestations of recognition and sheds light on its capacity to complement the notions of status class or prestige As such it will appeal to scholars of sociology and social theory philosophy history and literary studies **Six Camels for Your Daughter** Nonna P. Ponferrada,2000-08 A delightfully idiosyncratic assemblage of stories about encounters with simple people in the most ordinary places made extraordinary by its impasto like imagery intense intimate and heartfelt In 1995 the author became the first female student from the Philippines to study in Romania She spent almost three years at the Babes Bolyai University in Cluj Napoca Transylvania and the University of Bucharest In addition to traveling around Romania extensively during her student days she also explored as extensively both sides of the Iron Curtain long before the collapse of the communist regimes in Eastern Europe and the then Soviet Union After finishing her course in Romania she ended up in Washington D C where she worked and lived for many years During those years travel continued to be an important part of her life personally and professionally This collection of personal observations from her travels covers both her Romanian and Washington years *Central Europe Revisited* Emil Brix,Erhard Busek,2021-08-05 More than 30 years after their momentous book Projekt Mitteleuropa which had been written before the fall of the Iron Curtain Emil Brix and Erhard Busek revisit the political space between Germany Russia and the Mediterranean The volume explores the role of Central Europe in the 21st century the importance of the European Union the significance of a transforming Central Europe for European unity and what happens when we marginalise Central Europe The view of the authors is unequivocal European integration will only succeed when the Central European countries from Poland to North Macedonia from the Czech Republic to Romania and Moldova will be seen as being at the heart of Europe The European Union needs to build more common and fair ground between old and new member states According to the authors any further move towards a Europe of two speeds would lead to a break up of the EU *Paleoanthropology of the Balkans and Anatolia* Katerina Harvati,Mirjana Roksandic,2017-01-18 This edited volume systematically reviews the evidence for early human presence in one of the most relevant geographic regions of Europe the Balkans and Anatolia an area that has been crucial in shaping the course of human evolution in Europe but whose paleoanthropological record is poorly known The primary aim of this book is to showcase new paleoanthropological human paleontological and paleolithic research conducted in the region The volume is organized into three sections The first one deals with the human fossil record from Greece the Central Balkans Croatia Romania Bulgaria and Turkey The second section presents the paleolithic record of the same countries In the third part the authors provide a synthesis of current paleoenvironmental evidence for the Balkans Chapters summarize and systematize the available human fossil evidence examine their context and place them within the framework of our understanding of human evolution in Europe and beyond as well as present new analyses of existing human fossils This book will be of interest to professionals upper undergraduate and graduate students in paleoanthropology human paleontology and paleolithic archaeology and in a variety of related fields including human variation and adaptation paleontology and biogeography It will also be appropriate

as a reference book for advanced undergraduate and graduate courses on human evolution and European paleoanthropology

The Prehistoric Hunter-Gatherers of South-Eastern Europe Aitor Ruiz-Redondo, William Davies, 2023-11-03 Situating the South Eastern European region at the crossroads between the Near East and the rest of Europe The Prehistoric Hunter Gatherers of South Eastern Europe provides an interdisciplinary exploration of the Balkan record of prehistoric foragers in terms of dispersal ecologies evolution and symbolism

*Stalin's Legacy in Romania* Stefano Bottoni, 2018-05-29 This study explores the little known history of the Hungarian Autonomous Region HAR a Soviet style territorial autonomy that was granted in Romania on Stalin's personal advice to the Hungarian Székely community in the summer of 1952 Since 1945 a complex mechanism of ethnic balance and power sharing helped the Romanian Communist Party RCP to strengthen with Soviet assistance its political legitimacy among different national and social groups The communist national policy followed an integrative approach toward most minority communities with the relevant exception of Germans who were declared collectively responsible for the German occupation and were denied political and even civil rights until 1948 The Hungarians of Transylvania were provided with full civil political cultural and linguistic rights to encourage political integration The ideological premises of the Hungarian Autonomous Region followed the Bolshevik pattern of territorial autonomy elaborated by Lenin and Stalin in the early 1920s The Hungarians of Székely Land would become a titular nationality provided with extensive cultural rights Yet on the other hand the Romanian central power used the region as an instrument of political and social integration for the Hungarian minority into the communist state The management of ethnic conflicts increased the ability of the PCR to control the territory and at the same time provided the ruling party with a useful precedent for the far larger nationalization of the Romanian communist regime which starting from the late 1950s resulted in ethnicized communism an aim achieved without making use of pre war nationalist discourse After the Hungarian revolution of 1956 repression affected a great number of Hungarian individuals accused of nationalism and irredentism In 1960 the HAR also suffered territorial reshaping its Hungarian born political leadership being replaced by ethnic Romanian cadres The decisive shift from a class dictatorship toward an ethnicized totalitarian regime was the product of the Gheorghiu Dej era and as such it represented the logical outcome of a long standing ideological fouling of Romanian communism and more traditional state building ideologies
