Romania ,1973 Nordic Art Music Frederick K. Smith,2002-06-30 The five countries that make up Northern Europe Denmark Sweden Norway Finland and Iceland have over the course of the last several centuries developed a unique and viable art music history that easily rivals that of their continental neighbors Nordic Art Music From the Middle Ages to the Third Millennium provides an informative and accessible overview of the fascinating historical and aesthetic developments of this music and its creators from the Middle Ages and the Renaissance through the Baroque Classical and Romantic eras to the beginning of this new century Though some Nordic composers including Edvard Grieg Carl Nielsen and Jean Sibelius have found great acclaim in all parts of the world author Frederick Key Smith lays the foundation for their work in his discussion of the many composers relatively unknown outside of Northern Europe Smith ably discusses the composers styles and representative works of each era in language that makes for a highly readable musical history as well as a superior reference guide The first English language book of its type in nearly 40 years Smith s study brings into focus this broad and exciting aspect of music history Composing Women Elfriede Reissig,Leon Stefanija,2022-12-02 This volume presents fifteen musicological perspectives on the creativity of women composers and the question of femininity in Southeastern European musical cultures from 1918 on In the questions about and beyond a female aesthetics socio cultural approaches to the lives of creative women prove to be indispensable for contemporary musicological gender research because highly complex facts of musical life and social realities in political systems cannot be separated from each other By this means the exclusion and marginalization of women composers in the national and international music establishment as well as strategies for overcoming these systems are made visible and brought to consciousness This volume therefore focusses on the social cultural and biological preconditions of cultural action and intends to arouse curiosity for multi layered realities it aims to increase the reception of the compositional oeuvre of women composers from Southeastern Europe by the global music scene the musicological discourse and an engaged audience *How to build an export business* Nelson T. Joyner,1978 **Schwann Opus** ,2001 Report of the Attorney General to the Congress of the United States on the Administration of the Foreign Agents Registration Act of 1938, as Amended, for the Period from .. ,1970 *Daniels' Orchestral Music* David Daniels,David W. Oertel,David A. Rahbee,2022-06-30 Daniels Orchestral Music is the gold standard for all orchestral professionals from conductors librarians programmers students administrators and publishers to even instructors seeking to research and plan an orchestral program whether for a single concert or a full season This sixth edition celebrating the fiftieth anniversary of the original edition has the largest increase in entries for a new edition of Orchestral Music 65% more works roughly 14 050 total and 85% more composers 2 202 total compared to the fifth edition Composition details are gleaned from personal inspection of scores by orchestral conductors making it a reliable one stop resource for repertoire Users will find all the familiar and useful features of the fifth edition as well as significant updates

and corrections Works are organized alphabetically by composer and title containing information on duration instrumentation date of composition publication movements and special accommodations if any Individual appendices make it easy to browse works with chorus solo voices or solo instruments Other appendices list orchestral works by instrumentation and duration as well as works intended for youth concerts Also included are significant anniversaries of composers composer groups for thematic programming a title index an introduction to Nieweg charts essential bibliography internet sources institutions and organizations and a directory of publishers necessary for the orchestra professional This trusted work used around the globe is a must have for orchestral professionals whether conductors or orchestra librarians administrators involved in artistic planning music students considering orchestral conducting authors of program notes publishers and music dealers and instructors of conducting
