Tinoco,2023-11-28 We have been called by God for the salvation of our souls in order to live a life surrendered in worship of God but also to have a productive life in all aspects The child of God has been rescued from the world transformed by God and enabled to serve Christ his church and others The Christian must dedicate his entire life to service Therefore serving must be one of the most beautiful obligations that the believer can develop in this world When the child of God serves the Lord and other people he can find purpose in his life and live with a satisfaction that lasts forever Many Christians are consumers and not reproducers that is they continually need to be carried and supported since they have not grown enough to support themselves So we must ask ourselves why does this happen Why are many people in the local church inactive Why do many Christians not know what to do with their lives This book has been written with the purpose of helping the child of God know why he is here on earth and how he can live a productive life in Christ The objective of this book is to prepare and train children of God who have recently been baptized and who want to serve God but do not know how or where to do so Additionally it tries to fill the need of those pastors who have new people who want to serve God Therefore this book can serve as material for the preparation of male and female servants for the work of God Finally the child of God will learn that his calling will be realized by serving in a local Church ministry **Unveiling Theological and Doctrinal Concepts** Rev.

saints in the Old Testament as well as in the New Testament and the prophecies that demonstrate the rapture of the heirs of the kingdom of heaven of the born again believers The prophecies about the millennium and the time of its fulfillment The security of the salvation of the kingdom of heaven of the children of God The judgment of the nations and the White Throne judgment The resurrection of the dead in the Millennium The resurrection of the dead and the judgment of condemnation for the impious

I'm Right / You're Wrong Carol R. Baeta, John S. Knox, 2023-12-21 Moral disagreement is commonly regarded as a threat to objective morality in scholarly circles and in popular culture perhaps being one of the most significant objections against Christian theistic moral theory Some skeptics argue that as people divide about what is right and wrong often inciting moral evil and causing human suffering the Christian view of an all powerful all knowing and all good God behind morality is inconsistent Accordingly I m Right You re Wrong investigates whether moral disagreement abolishes the traditional Christian view of God and its accepted ontology of morality It further analyzes and proposes the logical problem of moral disagreement applying the methodology proposed by Christian philosopher Alvin Plantinga in his free will defense Moreover this book discusses key theological and philosophical perspectives regarding God s omniscience creational power and the human attribute of free will
