Christians seeking to deepen their study of God's Word In a day when Bible literacy is on the decline no tool could more relevant and useful The purpose of this little book he writes is the simple though necessary one of directing fresh attention to the value and importance of the study of the Bible itself as distinct from or at least prior to the study of books about the Bible It is only too possible to know a great deal about the Bible and yet to know very little of the contents of the Bible These chapters are intended to suggest methods of mastering the subject matter of the Word of God its facts and doctrines It is hoped that Christian workers of our Churches may find herein some suggestions for a fuller knowledge of their handbook of service and for a more efficient use of their weapon of warfare the English Bible *Roman Catholic and Protestant Bibles Compared* William Thomas Whitley, Gerald Hamilton Beard, Charles Benjamin Dalton, 1908

Finger,2006-01-25 In AD 57 or 58 the apostle Paul sent his faithful coworker and patron Phoebe on an eight hundred mile journey to deliver a letter to all the Christians in Rome He was concerned about racial lifestyle and political tensions in the house church groups there Some believers were more conservative some more liberal How could they live in unity and help Paul in his mission Today we have Paul s letter but know little about its historical context Yet similar tensions still trouble churches Too often Romans has been misused to divide Christians from Jews or Christians from each other Finger claims we cannot understand Romans for our day unless we grasp its original setting She guides users of the book to re create house churches as in first century Rome Participants assume various roles and hear Phoebe proclaim Paul s message afresh They will not all agree on what Paul means Where they do catch his meaning they may not accept it How does Jesus gospel teach them to get along together when they can t agree This book will also benefit individual readers and the learning through simulation is adaptable to groups of many ages and levels of education biblical awareness and spiritual maturity Diversity stimulates and enhances discussion The goal is to hear and apply the message of Romans to our lives today and have fun in the process **First Order of Business** Judith Marsh Carlson,2018-09-17 Spiritual resource for Bible study and reflection discussion prior to church meetings After years as a member of parish staffs and as a congregational and diocesan consultant Judith Carlson became increasingly aware how seldom Bible study or some spiritual component is incorporated into church meetings Even when they want to busy lay people worry it will take too much time or aren t sure what scripture to use or fear they don t know enough about the Bible Clergy too despite good intentions often have trouble finding time to prepare something This simple model provides a way to add the missing and needed spiritual dimension First Order of Business contains 36 brief sessions 12 minutes a piece Each has a scripture passage and three open ended reflection questions open ended to fit a variety of situations though not automatically suggesting right answers and allowing some genuine reflection in a non threatening way Carlson s hope is that allowing space for the Spirit s presence can transform ordinary business as usual into a broader more spiritual context for a group s work of mission or ministry KJV Study Bible Thomas Nelson,2013-10-22 The best selling study Bible in the King James Version now updated with added features Trusted for 25 years The King James Study Bible has dependable notes and annotations from scholars you can rely on led by General Editor Edward Hindson A clear presentation of conservative Bible doctrine with the resources you need for knowing God s Word Features include NEW Fresh new page design for enjoyable reading of the Authorized King James text More than 5 700
