**Romans** David Martyn Lloyd-Jones, 2003 All Christians have been made free by Christ John 8 36 but not all have an equally strong grasp of what this means in practice Some are weakened by scruples about things which are strictly neither right nor wrong while others assert their liberty in a way which risks doing violence to the consciences of the weak It was this situation which the Apostle Paul addressed in Romans 14 He insisted that while Christian liberty was to be maintained it was never to be asserted in such a way as to hurt the consciences of others or to embolden them to do what they believed to be wrong In this the last volume of the series Dr Lloyd Jones explains the implications of this issue for the church today The fitting conclusion of his exposition of Romans is that true Christianity is not in the end concerned with such matters as what may be eaten or what days should be observed but with a divine kingdom characterized by inward righteousness peace and joy

**A Letter to My Congregation, Second Edition** Ken Wilson, 2016-05-20 A breakthrough work coming from the heart of evangelical Christianity writes theologian David Gushee Wilson shows how God has led him on a journey toward a rethinking of what the fully authoritative and inspired Bible ought to be taken to mean in the life of the church today This book will shape what the church becomes writes anthropologist Tanya Luhrmann One of the most exquisite painful candid brilliant pieces that I have ever seen writes Christian author Phyllis Tickle The second edition contains expanded material

**Romans** Martyn Lloyd-Jones, 2003 **For An Audience of One** R.T. Kendall, 2020-02-04 Seek honor and praise from God and not people This book will help you to stop being motivated by the approval of others and instead start living for the validation that comes from God alone Respected author and theologian R T Kendall shares a profound revelation of the meaning of John 5 44 the scripture that has guided his life for more than sixty years Early in his ministry the wise counsel of two mentors brought this scripture to light and he has determined to live by it ever since Now he passes on the same wise counsel to his readers In *For an Audience of One* Kendall explores what it means to truly live for Christ alone Many Christians believe in God and claim that Jesus is their Lord and Savior but sadly their actions betray them They are more concerned about the approval of people They avoid truly following God's leading or taking a bold stand for righteousness if they fear they might lose a friend Because they are more worried about what people think than what God thinks they miss out on what God is doing It's time to learn what a life truly surrendered to God and God alone looks like Readers can live the life He has purposed for them They can stop being motivated by fear of others and addicted to their approval *For an Audience of One* shows readers how to start living for the honor and praise that comes from God alone Also Available in Spanish ISBN 978 1 62999 313 3 OTHER BOOKS BY R T KENDALL 40 Days to Total Forgiveness 2019 ISBN 978 1629996318 More of God 2019 ISBN 978 1629995847 Popular in Heaven Famous in Hell 2018 ISBN 978 1629995519

**The Foundations of Philosophy** Michael Pol Macneil,2025-06-03 This work is about philosophy and what makes a philosophy distinctively Christian in character arguing that it is indeed possible for philosophy to be conceived of as first Christian and not just philosophy done by people that happen to be Christians Christian philosophy is epistemologically self conscious philosophy conducted in a manner honoring to the revelation of the Hebrew and Christian scriptures It is argued that philosophy should be transformative rather than just therapeutic or elucidatory The author examines competing philosophical and scientific accounts from both the empiricist and rationalist schools arguing they are coherent and successful only to the degree that they have imported consciously or unconsciously Christian transcendentals He then applies this insight to explore the character and practice of a Christian political philosophy **The Seventh Chapter of Paul's Epistle to the Romans, with an Exposition and Observations by George Lawrence** ,1852 *An Exposition of the Old and New Testament.
