Romans David Martyn Lloyd-Jones, 1975 *Romans* David Martyn Lloyd-Jones, 1995-12-01 This volume deals with momentous questions such as the doctrine of Sanctification and the baptism with the Holy Spirit It therefore deals with matters which are not crucial in the living of the Christian Life but also highly controversial *Romans: An exposition of Chapter 8: no. 5-17. The sons of God* David Martyn Lloyd-Jones, 1970 **Romans** Martyn Lloyd-Jones, 1974 **Biblical Spirituality** Christopher W. Morgan, 2019-06-24 What is spirituality For some it means nothing more than vague self improvement pulled from the latest best selling self help book For others it refers to some generic religious practice Shedding life giving light on what often remains ill defined and unclear this book sets forth a vision of biblical spirituality a renewed sense of the momentousness of being alive in God s world as God s people are led by God s Spirit through God s Word unto godly Christlike character With careful exegetical work and theological reflection the contributors pastors and scholars such as Christopher W Morgan Paul R House Nathan A Finn and Gregg R Allison address spirituality from the perspective of the Bible exploring topics such as the Trinity divine sovereignty and human responsibility the already and not yet and the church This book also addresses practical questions about spirituality related to the workplace disciplines of the body and more **"The Law of the Spirit"** John Anthony Bertone, 2005 Paul s explication of the relationship between the Spirit and Law in Romans 8 has been the subject of protracted scholarly debate In Romans 7 6 Spirit and Law are set in opposition to each other However in Romans 8 4 they appear conjoined operating in a more harmonious manner With the use of cognitive dissonance theory this book proposes that Paul perceived a state of dissonance between covenantal nomism and his post Damascus cognitions on the Spirit As a result he attempts to reduce the qualitative distinction between these two clusters of cognitions by establishing cognitive overlap between them and by striving to achieve social validation for his cognitions within his own fictive family of Roman believers with whom he shared the experience of the Spirit **The Vanishing Conscience** John F. MacArthur, 2005-03-06 Are you losing your ability to recognize sin Are you becoming a person who finds it easy to shift blame deny guilt or excuse moral failure in yourself or others In this challenging yet compelling book John MacArthur encourages you to confront the culture s flight from moral responsibility With sound biblical truth this book shows how and why sin must be dealt with if you are to live in a way that pleases God With clarity and insight John MacArthur provides you with solutions for attaining a personal holiness that can take you from living a life of blame and denial to one of peace and freedom Praise for *The Vanishing Conscience* a wake up call and an alarm to jolt the sleeping church Not all will like it but all should read it In this day of morality by majority self centered ministry and twilight zone theology a clear word like this is long overdue Dr Adrian Rogers Pastor Bellevue Baptist Church a clear and prophetic word that we must hear and heed Dr Joseph M Stowell President Moody Bible Institute With the clarion call of a prophet MacArthur points us back to something we have forgotten the value and importance of a clean conscience Greg Laurie

The Gospel of God David R. Wallace, 2008-09-01 When Paul pens his letter to the Roman believers he writes as a missionary to strengthen a church at the center of imperial power choosing language that is familiar to his recipients Paul responds not only to the influence of Judaism but also to the wider culture by contrasting prominent Roman values David Wallace argues that Paul's gospel in Romans rejects and countervails the significant themes of Virgil's Aeneid the most well-known prophetic source that both proclaimed Roman ideology and assured Roman salvation After demonstrating that a close but nonauthoritarian relationship existed between Augustus and Virgil Wallace examines relevant literary aspects symbolism and key imagery of Virgil's epic A discussion of Paul's contraliterary approach follows drawing out possible parallels and echoes in Romans against the universal message of the Aeneid
