Embark on an exciting journey to the past to meet the Anglo Saxons The Anglo Saxons were people from Northern Germany who came to Britain in waves and quickly established their own kingdoms between the time of the Romans and the Normans At first glance it may seem like the Anglo Saxons did not contribute much to British history They didn't even have a writing system until Christian missionaries arrived So why are the Anglo Saxons so important to British history Some people may think of this time as a dark time full of feuding kings Although there were a lot of kings and plenty of fighting the Anglo Saxons also laid the foundation for modern English society They created the structure needed to form one country out of different tribes When the Normans took over in 1066 they built on top of Anglo Saxon social and political structures For years people have focused on leaders like King Alfred the Great or events like the Norman Conquest But the Anglo Saxons were more than just a few leaders or events They structured a nation that would go on to conquer vast swaths of the modern world and their ingenuity still structures life as we know it today It's time to sail back into history and learn about the many facets of the Anglo Saxons In this new and captivating history book you'll learn what made the Anglo Saxons special and how they still shape our lives today Here are some of the questions you will uncover in this book Was King Arthur real What made Wessex so special Which Germanic tribes came to Britain as the Anglo Saxons Who was St Augustine Where did the Normans come from Who was the first King of England Why did William the Conqueror come to England What is the difference between modern and Old English Who was the greatest king of Mercia Were the Anglo Saxons Christian How is the shire system still important today Where did kids get their education *King Arthur's Wars* Jim Storr,2016-06-20 The story of an era shrouded in mystery and the gradual changing of a nation's cultural identity We speak English today because the Anglo Saxons took over most of post Roman Britain How did that happen There is little evidence not much archaeology and even less written history There is however a huge amount of speculation King Arthur's Wars brings an entirely new approach to the subject the answers are out there in the British countryside waiting to be found Months of field work and map study allow us to understand for the first time how the Anglo Saxons conquered England county by county and decade by decade King Arthur's Wars exposes what the landscape and the place names tell us As a result we can now know far more about this Dark Age What is so special about Essex Why is Buckinghamshire an odd shape Why is the legend of King Arthur so special to us Why don't Cumbrian farmers use English numbers when they count sheep Why don't we know where Camelot was Why did the Romano British stop eating oysters This book provides a new level of understanding of the centuries preceding the Norman Conquest Romans, Anglo-Saxons and Vikings Stewart Bennett,Karen Charlesworth,2000 *Explore History: Romans, Anglo Saxons and Vikings Starter Pack* Harcourt Education,2001-06-01
