**Romantic England** Peter Quennell,1970      **Encyclopedia of the Romantic Era, 1760-1850** Christopher John Murray,2013-05-13 In 850 analytical articles this two volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism      **The Image of the Middle Ages in Romantic and Victorian Literature** Kevin L. Morris,2019-06-26 Originally published in 1984 The Image of the Middle Ages in Romantic and Victorian Literature looks at the impact of medievalism in the 18th and 19th centuries and the importance of post Enlightenment literary religious medievalism The book suggests that religious medievalism was not a superficial cultural phenomenon and that the romantic spirit with which it was chronologically connected was intimately associated with the metaphysical The book suggests that this belief gave birth to the metaphysical yearning and cultural expression of the eighteenth and nineteenth century The book seeks to clarify the post Enlightenment relationship between aesthetic culture and aesthetic religion romanticism medievalism and religious trends      **Romanticism** Hugh Honour,2018-05-04 This stylish and erudite thematic study of the influence Romanticism exerts upon Western culture and particularly the visual arts is the companion volume to Honour s equally valuable Neo classicism The text is supported by a useful selection of illustrations Excellent footnotes and a good index Finely produced Romanticism will stimulate the graduate and inform the undergraduate Choice An interpretation that rings true for our own time His approach to his vast subject is essentially cool analytic and balanced This is a book that covers an immense amount of material with a freshness of touch John Russell The New York Times A book of great interest and quality which gives form to a subject that is often treated very vaguely Kenneth Clark

*Rock and Romanticism* James Rovira,2018-01-30 Rock and Romanticism Blake Wordsworth and Rock from Dylan to U2 is an edited anthology that seeks to explain just how rock and roll is a Romantic phenomenon that sheds light retrospectively on what literary Romanticism was at its different points of origin and on what it has become in the present This anthology allows Byron and Wollstonecraft to speak back to contemporary theories of Romanticism through Bob Dylan and the Rolling Stones Relying on L wy and Sayre s Romanticism Against the Tide of Modernity it explores how hostility loss and longing for unity are particularly appropriate terms for classic rock as well as the origins of these emotions In essays ranging from Bob Dylan to Blackberry Smoke this work examines how rock and roll expands interprets restates interrogates and conflicts with literary Romanticism all the while understanding that as a term rock and roll in reference to popular music from the late 1940s through the early 2000s is every bit as contradictory and difficult to define as the word Romanticism itself

**Romanticism** Lilian R. Furst,2017-07-06 First published in 1969 this work traces the evolution of Romanticism and in

doing so demonstrates its novelty as an imaginative and emotional perception of the world in contrast to the rationalistic approach which was dominant in the seventeenth century It identifies the fundamental similarities between Romantic writing in England France and Germany as well as their differences brought about by divergent literary and social backgrounds The book is concluded by a review of the problems that arise from a simple definition of Romanticism **The Best of DQR** Flor Aarts,1984 **Catalog of Copyright Entries. Johnston,2001 This is a Wordsworth we have never quite seen before Hermione Lee The New York Times *The Best of DQR* ,2021-11-01 **British Book News** ,1971 Subject Catalog. 1975 Library of Congress,1975 Valuing Historic Environments Lianne Gibson,John Pendlebury,2016-02-17 This volume brings together an interdisciplinary team of leading scholars to discuss frameworks of value in relation to the preservation of historic environments Starting from the premise that heritage values are culturally and historically constructed the book examines the effects of pluralist frameworks of value on how preservation is conceived It questions the social and economic consequences of constructions of value and how to balance a responsive democratic conception of heritage with the pressure to deliver on social and economic objectives It also describes the practicalities of managing the uncertainty and fluidity of the widely varying conceptions of heritage New Selected Journals, 1939-1995 Stephen Spender,2012-07-03 Private faces in

public places Are wiser and nicer Than public faces in private places W H Auden dedication to Stephen Spender 1932

Stephen Spender wrote almost a million words of journal entries between his September Journal in 1939 and his death in 1995 In choosing from these voluminous journals for the new edition the editors have tried to provide a picture of the various lives Spender brought together in autobiographical form The earlier 1985 edition of the Journals was overseen by the author and it privileged his thoughts about poetry his own and other people s The new edition includes the final ten years of Spender s life and provides access to the more intimate thoughts and feelings of the private man but equally documents his life as a public intellectual who played a part in shaping the European literary and intellectual culture of his age As we look back on the dramatic events of the twentieth century we find that Spender was involved in many of them the reconstruction of Germany and the construction of Europe as Unesco s first Literary Councillor the development of the cultural Cold War as editor of Encounter the founding of Israel the anti Vietnam movement in America The Journals provide a personal version of sixty turbulent years of the twentieth century hovering between diary autobiography and history

**Shelley: The Pursuit** Richard Holmes, 2013-03-20 Shelley The Pursuit is the book with which Richard Holmes the finest literary biographer of our day made his name Dispensing with the long established Victorian picture of Shelley as a blandly ethereal character Holmes projects a startling image of a darker and more earthly crueler and more capable figure Expelled from college disowned by his aristocratic father driven from England Shelley led a life marked from its beginning to its early end by a violent rejection of society he embraced rebellion and disgrace without thought of the cost to himself or to others Here we have the real Shelley radical agitator atheist apostle of free love but above all a brilliant and uncompromising poetic innovator whose life and work have proved an essential inspiration to poets as varied as W B Yeats and Allen Ginsberg

Hester Lynch Thrale Piozzi Marianna D'Ezio, 2010-01-08 Scholars and readers who are interested in eighteenth century British literature are surely familiar with Hester Lynch Thrale Piozzi in the light she came to be known in her lifetime and after first as the formidable hostess of Streatham House South London and then as an outcast from respectable eighteenth century society after she had married the Italian piano teacher of her daughter As a writer her importance has long been that of a footnote to Samuel Johnson and as a consequence she has been part of the official British literary canon only as a character This volume introduces Hester Lynch Thrale Piozzi as a whole trying to link her fascinating and subversive biography to her development as a writer emphasizing the innovative issues of her works her style and her social and personal beliefs Piozzi s biography is an interesting example of the dynamic scene of the late eighteenth century where she was both conservative and subversive she was an eccentric and although her decision to marry the Italian singer and composer Gabriele Piozzi disgraced her it was through this act of subversion that Hester Thrale Piozzi could finally make her own entrance into the world as a public writer Once she had transgressed the social codes of so called feminine behaviour she was also ready to move into the public sphere publish her works and make money out of them pioneering several traditional literary genres through her passionate search

for professional independence in the literary canon of the eighteenth century
