Romantic Heroic Ideal:

The Heroic Ideal M. Gregory Kendrick, 2014-01-10 The word hero seems in its present usage an all purpose moniker applied to everyone from Medal of Honor recipients to celebrities to comic book characters This book explores the Western idea of the hero from its initial use in ancient Greece where it identified demigods or aristocratic mortal warriors through today Sections examine the concept of the hero as presented in the ancient medieval and modern worlds Special attention is paid to particular heroic types such as warriors martyrs athletes knights saints scientists rebels secret servicemen and even anti heroes This book also reconstructs how definitions of heroism have been inextricably linked to shifts in Western thinking about religion social relations political authority and ethical conduct Instructors considering this book for use in a course may request an examination copy here [Wagner and the Romantic Hero](#) Simon Williams, 2004-06-24 Few major artists have aroused the ire and adulation of successive generations as persistently as Richard Wagner He was the centre of controversy during his lifetime and yet when he died he was the most idolized man in Germany The situation has not changed much since then Simon Williams explores the reasons for this adulation and antipathy by examining an aspect that may be a fundamental cause for this radical division in the reception of Wagner s work the phenomenon of heroism Williams analyses this heroism as a function of Wagner s theatre and music beginning with a definition and examination of the concept of the heroic The book also discusses all thirteen stage works by Wagner and the phenomenon of heroism and Wagner s adaptation of the figure of the Romantic hero Williams offers a theatrical musical and cultural re evaluation of one of the most enduring figures in the arts **The Companion to Southern Literature** Joseph M. Flora, Lucinda Hardwick MacKethan, 2001-11-01 Selected as an Outstanding Academic Title by Choice Selected as an Outstanding Reference Source by the Reference and User Services Association of the American Library Association There are many anthologies of southern literature but this is the first companion Neither a survey of masterpieces nor a biographical sourcebook The Companion to Southern Literature treats every conceivable topic found in southern writing from the pre Columbian era to the present referencing specific works of all periods and genres Top scholars in their fields offer original definitions and examples of the concepts they know best identifying the themes burning issues historical personalities beloved icons and common or uncommon stereotypes that have shaped the most significant regional literature in memory Read the copious offerings straight through in alphabetical order Ancestor Worship Blue Collar Literature Caves or skip randomly at whim Guilt The Grotesque William Jefferson Clinton Whatever approach you take The Companion s authority scope and variety in tone and interpretation will prove a boon and a delight Explored here are literary embodiments of the Old South New South Solid South Savage South Lazy South and Sahara of the Bozart As up to date as grit lit K Mart fiction and postmodernism and as old fashioned as Puritanism mules and the tall tale these five hundred entries span a reach from Lady to Lesbian Literature The volume includes an overview of every southern state s belletristic heritage while making it clear that the southern mind extends beyond geographical

boundaries to form an essential component of the American psyche The South s lavishly rich literature provides the best means of understanding the region s deepest nature and The Companion to Southern Literature will be an invaluable tool for those who take on that exciting challenge Description of Contents 500 lively succinct articles on topics ranging from Abolition to Yoknapatawpha 250 contributors including scholars writers and poets 2 tables of contents alphabetical and subject and a complete index A separate bibliography for most entries

The Romance of Heroism and Heroic Leadership George R. Goethals, Scott T. Allison, 2019-02-19 Heroes permeate our culture But what makes a hero And what makes heroes heroic This exciting and innovative study explores how charisma and human needs create images of individuals as heroes and villains

The Romantic Paradox J. Labbe, 2000-06-06 Why are there so few happily ever afters in the Romantic period verse romance Why do so many poets utilise the romance and its parts to such devastating effect Why is gender so often the first victim The Romantic Paradox investigates the prevalence of death in the poetic romances of the Della Cruscans Coleridge Keats Mary Robinson Felicia Hemans Letitia Landon and Byron and posits that understanding the romance and its violent tendencies is vital to understanding Romanticism itself

Romantic Generations Robert F. Gleckner, 2001 These essays express a common belief that the study of Romantic literature must be at once professionally serious and personally engaging Topics discussed range from Wordsworth to Lady Caroline Lamb and from Blake and Burke to the contemporary Irish poet Paul Muldoon Each essay also offers close readings of essential works on English and Irish Romanticism Introducing the collection is a tribute by the celebrated Romanticist Peter Manning

Medieval Fantasy as Performance Michael A. Cramer, 2010 This book examines the act of medieval re creation as performance by focusing on the Society for Creative Anachronism SCA It describes the group s activities and investigates its place in popular culture looking at the SCA not so much as a historical society but as an on g

The Wheel of Ideals David Bishop, 2006-08-01 The Wheel of Ideals shows three families of ideals the heroic civic and altruistic that sometimes work together and sometimes conflict Every ideal has its true believers and unbelievers some people believe in it strongly others less strongly and others not at all or so they claim As ideals divide people also divide We can t all get along perfectly all the time even with ourselves Why not Do we need conflict to make progress Is perfect peace too peaceful As ideals can be ignored or betrayed they can also be carried too far into decadence dionysian overheating and the apollonian deep freeze If you carried an ideal too far how would you come to realize your mistake How would you feel the gravity the balancing pull of the ideal calling you home Without failure without going too far what is lost What is the good of all these ideals and these forms of decadence The Wheel of Ideals suggests that we will go on asking these questions

The Culture and Philosophy of Ridley Scott Adam Barkman, Ashley Barkman, Nancy Kang, 2013-03-08 The Culture and Philosophy of Ridley Scott edited by Adam Barkman Ashley Barkman and Nancy Kang brings together eighteen critical essays that illuminate a nearly comprehensive selection of the director s feature films from cutting edge multidisciplinary and comparative perspectives Chapters examine such

signature works as Alien 1979 Blade Runner 1982 Thelma and Louise 1991 Gladiator 2000 Hannibal 2001 Black Hawk Down 2001 and American Gangster 2007 This volume divides the chapters into three major thematic groups responsibility remembering and revision real alienated and ideal lives and gender identity and selfhood Each section features six discrete essays each of which forwards an original thesis about the film or films chosen for analysis Each chapter features close readings of scenes as well as broader discussions that will interest academics non specialists as well as educated readers with an interest in films as visual texts While recognizing Scott's undeniable contributions to contemporary popular cinema the volume does not shy away from honest and well evidenced critique Each chapter's approach correlates with philosophical literary or cultural studies perspectives Using both combined and single film discussions the contributors examine such topics as gender roles and feminist theory philosophical abstractions like ethics honor and personal responsibility historical memory and the challenges of accurately rendering historical events on screen literary archetypes and generic conventions race relations and the effect of class difference on character construction how religion shapes personal and collective values the role of a constantly changing technological universe and the schism between individual and group based power structures The Culture and Philosophy of Ridley Scott assembles the critical essays of scholars working in the fields of philosophy literary studies and cultural studies An international group they are based in the United States Canada Argentina Italy Greece Korea the United Kingdom and New Zealand The guiding assumption on the part of all the writers is that the filmmaker is the leading determiner of a motion picture's ethos artistic vision and potential for audience engagement While not discounting the production team including screenwriters actors and cinematographers among others auteur theory recognizes the seminal role of the director as the nucleus of the meaning making process With Scott an active and prolific presence in the entertainment industry today the timeliness of this volume is optimal

Making the American Self Daniel Walker Howe, 2009-09-22 Originally published in 1997 and now back in print Making the American Self by Daniel Walker Howe the Pulitzer Prize winning author of What Hath God Wrought charts the genesis and fascinating trajectory of a central idea in American history One of the most precious liberties Americans have always cherished is the ability to make something of themselves to choose not only an occupation but an identity Examining works by Benjamin Franklin Jonathan Edwards Abraham Lincoln Frederick Douglass Henry David Thoreau Ralph Waldo Emerson Margaret Fuller and others Howe investigates how Americans in the 18th and 19th centuries engaged in the process of self construction self improvement and the pursuit of happiness He explores as well how Americans understood individual identity in relation to the larger body politic and argues that the conscious construction of the autonomous self was in fact essential to American democracy that it both shaped and was in turn shaped by American democratic institutions The thinkers described in this book Howe writes believed that to the extent individuals exercised self control they were making free institutions liberal republican and democratic possible And as the scope of American democracy widened so too did the practice of self construction moving

beyond the preserve of elite white males to potentially all Americans Howe concludes that the time has come to ground our democracy once again in habits of personal responsibility civility and self discipline esteemed by some of America s most important thinkers Erudite beautifully written and more pertinent than ever as we enter a new era of individual and governmental responsibility Making the American Self illuminates an impulse at the very heart of the American experience

Stalin Sarah Davies,James Harris,2005-09-08 The figure of Joseph Stalin has always provoked heated and often polarized debate The recent declassification of a substantial portion of Stalin s archive has made possible this fundamental new assessment of the Soviet leader In this groundbreaking 2005 study leading international experts challenge many assumptions about Stalin from his early life in Georgia to the Cold War years with contributions ranging across the political economic social cultural ideological

and international history of the Stalin era The volume provides a deeper understanding of the nature of Stalin's power and of the role of ideas in his politics presenting a more complex and nuanced image of one of the most important leaders of the twentieth century This study is without precedent in the field of Russian history and will prove invaluable reading for students of Stalin and Stalinism Women, Nationalism, and the Romantic Stage Betsy Bolton, 2001-04-19 This 2001 book examines how Romantic women performers and playwrights used theatrical conventions to intervene in politics

Romantic Vision, Ethical Context Géza von Molnár, 1986 **Brahmin Prophet** Gillis J. Harp, 2003 The Reverend Phillips Brooks was undeniably one of the most popular preachers of Gilded Age America and the author of the beloved Christmas carol O Little Town of Bethlehem However very few critical studies of his life and work exist In this insightful book Gillis J Harp places Brooks's religious thought in its proper historical cultural and ecclesiastical contexts while clarifying the sources of Brooks's inspiration The result is a fuller richer portrait of this luminous figure and of this transitional era in American protestantism *The Complete Idiot's Guide to American Literature* Laurie Rozakis, 1999-08-01 You're no idiot of course You know that Samuel Clemens had a better known pen name Moby Dick is a famous whale and the Raven only said Nevermore But when it comes to understanding the great works of Mark Twain Herman Melville and Edgar Allan Poe you'd rather rent the videos than head to your local library Don't tear up your library card yet The Complete Idiot's Guide to American Literature teaches you all about the rich tradition of American prose and poetry so you can fully appreciate its magnificent diversity *Hoodlums* William L. Van Deburg, 2004-11-15 Du Bois to classic blaxploitation films like Black Caesar and The Mack Van Deburg demonstrates how African Americans have combated such negative stereotypes and reconceptualized the idea of the badman through stories of social bandits controversial individuals vilified by whites for their proclivity toward evil but revered in the black community as necessarily insurgent and revolutionary BOOK JACKET

Romantic Heroic Ideal Introduction

In today's digital age, the availability of Romantic Heroic Ideal books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Romantic Heroic Ideal books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Romantic Heroic Ideal books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Romantic Heroic Ideal versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Romantic Heroic Ideal books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Romantic Heroic Ideal books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Romantic Heroic Ideal books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Romantic Heroic Ideal books and manuals for download have transformed the way we access information. They provide a

cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Romantic Heroic Ideal books and manuals for download and embark on your journey of knowledge?
