Romantic And Modern Revaluations Of Literary Tradition:

Romantic and modern, 1972 **Encyclopedia of the Romantic Era, 1760-1850** Christopher John Murray, 2013-05-13
In 850 analytical articles this two volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism *The Cambridge History of Literary Criticism: Volume 5, Romanticism* George Alexander Kennedy, 1989 The history of the most hotly debated areas of literary theory including structuralism and deconstruction **A History of Modern Drama, Volume I** David Krasner, 2011-11-07 Covering the period 1879 to 1959 and taking in everything from Ibsen to Beckett this book is volume one of a two part comprehensive examination of the plays dramatists and movements that comprise modern world drama Contains detailed analysis of plays and playwrights connecting themes and offering original interpretations Includes coverage of non English works and traditions to create a global view of modern drama Considers the influence of modernism in art music literature architecture society and politics on the formation of modern dramatic literature Takes an interpretative and analytical approach to modern dramatic texts rather than focusing on production history Includes coverage of the ways in which staging practices design concepts and acting styles informed the construction of the dramas *Modern Drama and the Rhetoric of Theater* W. B. Worthen, 2015-02-14 The history of drama is typically viewed as a series of inert styles Tracing British and American stage drama from the 1880s onward W B Worthen instead sees drama as the interplay of text stage production and audience How are audiences manipulated What makes drama meaningful Worthen identifies three rhetorical strategies that distinguish an O'Neill play from a Yeats or these two from a Brecht Where realistic theater relies on the natural qualities of the stage scene poetic theater uses the poet's word the text to control performance Modern political theater by contrast openly places the audience at the center of its rhetorical designs and the drama of the postwar period is shown to develop a range of post Brechtian practices that make the audience the subject of the play Worthen's book deserves the attention of any literary critic or serious theatergoer interested in the relationship between modern drama and the spectator **The Problem of Consciousness in Modern Poetry** Hugh Underhill, 1992-07-31 Modernist aesthetics have been identified with a sense of cultural crisis defined by its distance from an ideal of unified consciousness This original study examines the struggle toward that ideal of unitary subjective experience in modern British and Irish poetry from Hardy to Ted Hughes Hugh Underhill argues that the poetry's emphasis on inner states underrepresents the extent to which the crisis is in fact socio historically determined **Sixteen Modern American Authors** Jackson R. Bryer, 1990 Praise for the earlier edition Students of modern American literature have for some years turned to *Fifteen Modern American Authors* 1969 as an indispensable guide

to significant scholarship and criticism about twentieth century American writers In its new form Sixteenth Modern American Authors it will continue to be indispensable If it is not a desk book for all Americanists it is a book to be kept in the forefront of the bibliographical compartment of their brains American Studies The Modern Dilemma Leon Surette, 2008 Leon Surette's new study of T S Eliot and Wallace Stevens The Modern Dilemma challenges the received view that Stevens poetry expresses a Humanist world view and more surprisingly documents Eliot's early Humanist phase when Eliot and his bride shared Bertrand Russell's tiny London flat and later rented a country house together 1914-17 Eliot's poetry of that time up to The Waste Land is seen to reflect his Humanist phase closed by his conversion poetically documented in Ash Wednesday Where Eliot's poetry is dominated by cultural religious and philosophical angst Stevens is bright witty and playful and commonly dismissed as superficial The Modern Dilemma challenges this view demonstrating the seriousness of Stevens' long engagement with the modern dilemma of disbelief and also that like Eliot he rejected the Humanist resolution characterized by Russell in The Free Man's Worship as man worshiping at the shrine that his own hands have built The study proceeds by juxtaposing the two poets' responses in poetry and prose to the same texts and events Marianne Moore's poetry the Great War Humanists and anti Humanists the Franco Mexican Humanist Ramon Fernandez Pure Poetry and finally the gathering war clouds in the late thirties The strategy is to put the two men in juxtaposition so as to highlight the differences and similarities of their responses to the same issues or the same works Among the issues under examination is the nature and status of poetry religious belief or disbelief and political engagement or the lack thereof **The Case For a Humanistic Poetics** Daniel R. Schwarz, 1990-06-18 An attempt to define a humanistic and pluralistic ideology of reading which takes recent theory into account By the same author as The Humanistic Heritage Critical Theories on the English Novel from James through Hillis Miller and Reading Joyce's Ulysses **The Reel Shakespeare** Lisa S. Starks, Courtney Lehmann, 2002 This collection models an approach to Shakespeare and cinema that is concerned with the other side of Shakespeare's Hollywood celebrity taking the reader on a practical and theoretical tour through important non mainstream films and the oppositional messages they convey The collection includes essays on early silent adaptations of Hamlet Greenway's Prospero's Books Godard's King Lear Hall's A Midsummer Night's Dream Taymor's Titus Polanski's Macbeth Welles' Chimes at Midnight and Van Sant's My Own Private Idaho *Yeats and the Logic of Formalism* Vereen M. Bell, 2006 Attempts to balance traditional and modern criticism of Yeats by linking formalism and philosophy in the context of Yeats' work and evaluates its credibility in Yeats's practice in relation to other theoretical discourses and in the context of the turbulent cultural and historical circumstances under which Yeats worked Provided by publisher **Poetic Remaking** George Bornstein, 1990-10-01 This volume offers a coherent view of post romantic poetic development through selective examples both of individual poems and of poetic influence Bornstein focuses most centrally on Browning in the Victorian period and Yeats and Pound in the Modern but also looks more briefly at works by Wordsworth Coleridge Keats Shelley

Arnold Tennyson and Eliot The introductory manifesto Four Gaps in Postromantic Influence Study posits four new orientations for such work taking the volume rather than the individual poem as a unit stressing more centrally the Victorian mediation between Romantic and Modern allowing for national differences among English Irish and American traditions and basing influence studies as much on manuscript materials as on finished products Each of the following chapters follows one or more of those orientations The initial four chapters Remaking Poetry focus on readings of specific poetic texts The first treats Browning's first major volume as a unit the second reads his dramatic monologue Pictor Ignotus against Romantic acts of mind the third maps distinctively Victorian variations in the major form known as Greater Romantic Lyric and the fourth explores Yeats's mature revision of that form The second group of four chapters Remaking Poets stresses the dynamics of literary influence by which poets turn their forerunners into figures helpful to their own development The first three examine Yeats's encounter with Dante Spenser Browning and Tennyson respectively the fourth treats Pound's remaking of the poet he called his poetic father Browning in a way that suggests the limits of anxiety models of poetic influence For this volume Professor Bornstein has revised and expanded a select group of his recent essays and added a new one on the Greater Victorian Lyric

Ezra Pound as Literary Critic Emeritus Professor K K Ruthven, K. K. Ruthven, 2002-01-08 Bringing some of the insights of modern critical theory to bear on a great deal of information about Pound's activities as a literary critic some of it made available only recently K K Ruthven provides a provocative re-reading of a major modernist writer who dominated the discourse of modernism

Irony's Edge Linda Hutcheon, 2003-09-02 The edge of irony says Linda Hutcheon is always a social and political edge Irony depends upon interpretation it happens in the tricky unpredictable space between expression and understanding Irony's Edge is a fascinating compulsively readable study of the myriad forms and the effects of irony It sets out for the first time a sustained clear analysis of the theory and the political contexts of irony using a wide range of references from contemporary culture Examples extend from Madonna to Wagner from a clever quip in conversation to a contentious exhibition in a museum Irony's Edge outlines and then challenges all the major existing theories of irony providing the most comprehensive and critically challengin theory of irony to date

English Romanticism and Modern Fiction Allan Richard Chavkin, 1993 The essential

premise of this book is that there is a continuity from the English romantic era to our own To understand properly some important twentieth century writers of fiction one must understand their connection with romanticism To avoid this connection is to risk simplification or distortion of view about some major contemporaries Scholars have established in general terms that romanticism marked a watershed in the early nineteenth century and then continued in subsequent years to shape the sensibilities of some important modern writers especially twentieth century poets Yet the explicit connection has been ignored and the essayists in this collection seek to demonstrate the impact of romanticism on six twentieth century fictionists In his introduction Allan Chavkin writes that we are still suffering from a warped view of twentieth century literature as a result of a lingering anti romantic prejudice of T S Eliot Ezra Pound and the Imagists who in their zeal to revitalize a literature stagnating in late Victorian imitation romanticism caricatured romanticism as softminded This collection of essays will help correct this distorted view by showing the centrality of English romanticism to modern fiction

Wallace Stevens George S. Lensing, 1986-12-01 In *Wallace Stevens A Poet's Growth* George S. Lensing examines Stevens' gradual emergence and development as a poet tracing his life from his formative years in Pennsylvania to his careers as a lawyer for the Hartford Accident and Indemnity Company and as one of the major poets of the twentieth century Lensing draws extensively upon previously unpublished material from the Stevens archive at the Huntington Library which contains letters early drafts of poems and notebooks Two notebooks *Schemata* and *From Pieces of Paper* are here reproduced in full The study is divided into three sections In the first Lensing examines the years before the publication of Stevens' first volume of poetry paying special attention to the forces that hindered and enhanced his progress toward modernity In the second we see Stevens in the exercise of his craft Lensing discusses the influence of the Romantics on the verse Stevens wrote as an undergraduate at Harvard his interest in Oriental art Cubism and Fauvism his anticipation of Imagism and his imitation of certain French Symbolists Sources of the epigraphs to Stevens' poems are identified fully for the first time suggesting the role of Stevens' vast reading upon his poetry Also considered is Stevens' voluminous correspondence with people from all over the world some of whom he never met personally These letters helped rescue Stevens from the insularity of his business life and aided in the making of his poems The final section treats the critical responses to Stevens' poetry by such people as Harriet Monroe editor and founder of *Poetry* who was the first important reader and publisher of his work Attention is also given to Stevens' explications of his poems *Wallace Stevens A Poet's Growth* is a comprehensive examination of Stevens' life and work This study provides abundant new material which will be of value to scholars and to those readers who are drawn to Stevens' poetry

Shelley's Italian Experience Alan M. Weinberg, 2016-07-27 Focusing on Shelley's Italian experience the present study both addresses itself to the living context which nurtured Shelley's creativity and explores a neglected but essential component of his work The poet's four years of self-exile in Italy 1818-1822 were in fact the most decisive of his career As he responded to Italy his poetry acquired a new subtlety and complexity of vision Endowed with remarkably keen powers of

absorption the poet imaginatively reshaped the rich cultural heritage of Italy and the vital qualities of its landscape and climate *A Companion to European Romanticism* Michael Ferber, 2008-04-15 This companion is the first book of its kind to focus on the whole of European Romanticism Describes the way in which the Romantic Movement swept across Europe in the early nineteenth century Covers the national literatures of France Germany Italy Poland Russia and Spain Addresses common themes that cross national borders such as orientalism Napoleon night nature and the prestige of the fragment Includes cross disciplinary essays on literature and music literature and painting and the general system of Romantic arts Features 35 essays in all from leading scholars in America Australia Britain France Italy and Switzerland **The Lady of Shalott in the Victorian Novel** Jennifer Gribble, 1983-12-01
