Rome Sweet Home Kimberly Hahn, Scott Hahn, 2009-09-03 The well known and very popular Catholic couple Scott and Kimberly Hahn have been constantly travelling and speaking all over North America for the last few years about their conversion to the Catholic Church Now these two outstanding Catholic apologists tell in their own words about the incredible spiritual journey that led them to embrace Catholicism Scott Hahn was a Presbyterian minister the top student in his seminary class a brilliant Scripture scholar and militantly anti Catholic until he reluctantly began to discover that his enemy had all the right answers Kimberly also a top notch theology student in the seminary is the daughter of a well known Protestant minister and went through a tremendous dark night of the soul after Scott converted to Catholicism Their conversion story and love for the Church has captured the hearts and minds of thousands of lukewarm Catholics and brought them back into an active participation in the Church They have also influenced countless conversions to Catholicism among their friends and others who have heard their powerful testimony Written with simplicity charity grace and wit the Hahns deep love and knowledge of Christ and of Scripture is evident and contagious throughout their story Their love of truth and of neighbor is equally evident and their theological focus on the great importance of the family both biological and spiritual will be a source of inspiration for all readers *To Whom Shall We Go?: The Biblical Case for the Catholic Church (Reissue)*

Katherine Dugan, 2019 Millennials in the U S have been characterized as uninterested in religion as defectors from religious institutions and as agnostic about the role of religious identity in their culture Amid the rise of so called nones though there has also been a countervailing trend an increase in religious piety among some millennial Catholics The Fellowship of Catholic University Students FOCUS which began evangelizing college students on American university campuses in 1998 hires recent college graduates to evangelize college students and promote an attractive and culturally savvy Catholicism These millennial Catholics have personal relationships with Jesus attend Mass daily and know and defend papal teachings while also being immersed in U S popular culture With their skinny jeans devotional tattoos and large framed glasses FOCUS missionaries embody a hip attractive style of Catholicism They promote a faith that interweaves distinctly Catholic identity with outreach methods of twentieth century evangelical Protestants and the anxieties of middle class emerging adulthood Though this new generation of missionaries lives according to strict gender essentialism prescribed by papal teachings

including the notions that men lead while women follow and that biology dictates gender roles they also support stay at home fatherhood and women earning MBAs

Millennial Missionaries examines how these young people navigate their Catholic and American identities in the twenty first century

American Pope Sean Swain Martin, 2021-10-15 As arguably the most influential voice in American Catholicism the vision that Scott Hahn offers in his works read by millions of Catholics throughout the world is one of the most formative in American Catholicism

His numerous books and public speaking engagements are shaping the American Catholic Church in a uniquely powerful manner

This work demonstrates that the Catholic vision that Hahn claims to be providing his audience is in fact always quite different from the one he actually presents

What he coins as Catholic faithfulness is instead a straightforward and damning Catholic fundamentalism

As this vision is delivered to millions of the faithful who look to Hahn as a trustworthy guide to an authentic life of Catholic faith

American Pope acts as a critical analysis of his work

Word, Water, and Spirit John V. Fesko, 2013-08-26 This book represents a substantial accomplishment one that provides a useful resource for those wanting to deepen their understanding of the sacraments particularly baptism

Reflecting a massive amount of research against the background of an in depth survey of various views of baptism in church history

Fesko provides an extensive exegetical and biblical theological study of the covenantal and eschatological significance of baptism followed by systematic theological reflections on key issues like baptism as a means of grace the efficacy of baptism the biblical warrant for infant baptism and against paedocommunion and the importance of baptism for the church

One need not agree with his reflections at every point to benefit from his considerable labors

from religious practice Pastoral workers wonder how they can get people to take religion seriously Something is at work that is puzzling but we can learn something useful about it A crucial factor is the role of culture To have faith is an act of individual responsibility but it can also be influenced by life around us For example popular opinion or concentration on making a fortune can make us deaf to any message about what lies beyond our immediate concerns This book is the fruit of the author s extensive study of how cultural forces influence attitudes Calling on long experience lecturing and in pastoral ministry he shows how cultural factors influence religious belief in our times and how ordinary believers can be active participants in creating a culture that opens us to God s word *Christ Versus. Suprenant,Leon Suprenant,1998 Imagine today s top Catholic authors apologists and theologians Now imagine 12 of them collaborating on a book that answers common questions about and challenges to the teachings and doctrines of the Catholic Church Imagine no more it s a reality How s that for an endorsement Catholic for a Reason edited

by Dr Scott Hahn and Leon J Suprenant with the foreword by Archbishop Charles J Chaput yes we re name dropping will help Catholics and non Catholics alike develop a better understanding of the Church Each chapter goes to the heart of its topic be it Mary the Eucharist Baptism or Purgatory and in a clear concise and insightful way presents the teachings of the Church Those teachings are explained in the light of the relationship of God the Father to us his creatures **Predestination** Peter J. Thuesen, 2009-07-06 Winner of the Christianity Today 2010 Book Award for History Biography and praised in Christian Century as witty erudite masterful this groundbreaking history the first of its kind shows that far from being only about the age old riddle of divine sovereignty versus human free will the debate over predestination is inseparable from other central Christian beliefs and practices the efficacy of the sacraments the existence of purgatory and hell the extent of God s providential involvement in human affairs and has fueled theological conflicts across denominations for centuries Peter Thuesen reexamines not only familiar predestinarians such as the New England Puritans and many later Baptists and Presbyterians but also non Calvinists such as Catholics and Lutherans and shows how even contemporary megachurches preach a purpose driven outlook that owes much to the doctrine of predestination For anyone wanting a fuller understanding of religion in America Predestination offers both historical context on a doctrine that reaches back 1 600 years and a fresh perspective on today s denominational landscape *Religion and World Civilizations* Andrew Holt, 2023-06-30 An indispensable resource for readers investigating how religion has influenced societies and cultures this three volume encyclopedia assesses and synthesizes the many ways in which religious faith has shaped societies from the ancient world to today Each volume of the set focuses on a different era of world history ranging through the ancient medieval and modern worlds Every volume is filled with essays that focus on religious themes from different geographical regions For example volume one includes essays considering religion in ancient Rome while volume three features essays focused on religion in modern Africa This accessible layout makes it easy for readers to learn more about the ways that religion and society have intersected over the centuries as well as specific religious trends events and milestones in a particular era and place in world history Taken as a whole this ambitious and wide ranging work gathers more than 500 essays from more than 150 scholars who share their expertise and knowledge about religious faiths tenets people places and events that have influenced the development of civilization over the course of recorded human history **Covenant Theology in the Reformed Perspective** Mark W. Karlberg, 2000-07-31 **Absent from the Body, Present with the Lord** Thomas J. Gentry, 2019-04-29 What happens when Christians die Some conclude that purgatory a place of final purging and purification is what awaits most believers after death in order to prepare for them to eventually fully enjoy God in heaven But is purgatory what the Bible teaches What are the theological implications of purgatory Is purgatory as some claim a rational conclusion based on human freedom and moral transformation In this introductory consideration to the topic of what Christians experience after death it will be argued that there are clear biblical theological and rational reasons to reject any

teaching of purgatory Rather than anticipating a time of future purgation the joyful expectation of every Christian is that at the moment of death to be absent from the body is to be present with the Lord **Making Senses Out of Scripture** Mark Shea, Reading the Bible in a way that is as old as Scripture itself award winning author Mark P Shea takes us on a fly over of the biblical story from Genesis to Revelation He shows you how to explore the literal allegorical moral and analogical sense of Scripture Whether you have been studying Scripture for years or are encountering it for the very first time Making Senses Out of Scripture is an invaluable tool that it will help you see biblical revelation afresh as Christians have done for 2000 years

Apostles of Reason Molly Worthen,2016 In Apostles of Reason Molly Worthen offers a sweeping history of modern American evangelicalism arguing that the faith has been shaped not by shared beliefs but by battles over the relationship between faith and reason **Joy to the World** Scott Hahn,2014-10-21 What could be more familiar than the Christmas story and yet what could be more extraordinary The cast of characters is strange and exotic shepherds and magicians an emperor and a despot angels and a baby who is Almighty God The strangeness calls for an explanation and this book provides it by examining the characters and the story in light of the biblical and historical context Bestselling author Scott Hahn who has written extensively on Scripture and the early Church brings evidence to light dispelling some of the mystery of the story Yet Christmas is made familiar all over again by showing it to be a family story Christmas as it appears in the New Testament is the story of a father a mother and a child their relationships their interactions their principles their individual lives and their common life To see the life of this earthly trinity is to gaze into heaven **Angels and Saints** Scott Hahn,2014-05-27 Angels and saints Catholics tend to think of them as different from the rest of us They re cast in plaster or simmering on a holy card performing miracles with superhero strength or playing a harp in highest heaven Yet they are very near to us in every way In this lively book Scott Hahn dispels the false notions and urban legends people use to keep the saints at a safe distance The truth is that Jesus Christ has united heaven and earth in a close communion Drawing deeply from Scripture Dr Hahn shows that the hosts of heaven surround the earthly Church as a great cloud of witnesses The martyrs cry out from heaven s altar begging for justice on the earth The prayers of the saints and angels rise to God in the Book of Revelation like the sweet aroma of incense Dr Hahn tells the stories of several saints and several angels too in a way that s fresh and new The saints are spiritual giants but with flesh and blood reality They have strong holy ambitions and powerful temptations and opposition that must be overcome Their stories are amazing and yet familiar enough to motivate us to live more beautiful lives In this telling of their story the saints are neither otherworldly nor this worldly They exemplify the integrated life that every Christian is called to live Still their lives are as different from one another as human lives can be Dr Hahn shows the heavenly Church in all its kaleidoscopic diversity from Moses to Mary Augustine to Therese and the first century to the last century Only saints will live in heaven We need to be more like the saints if we want to live in heaven someday Dr Hahn shows us that our heavenly life can begin now It must **Scott Hahn's Study Guide for The Lamb' s Supper** Scott

He brings reinvigorated attention to the many roles of the priest provider mediator protector teacher judge and more all of which are united in the priest's place as spiritual father to God's people and ultimately he shows that it is through the priest empowered by God that the continuing presence of Jesus Christ makes itself known to our world.
