Romeo and Juliet John Polley, 2015 Each title in this series offers an exciting approach to English literature and will help students achieve a better grade This book is packed with detailed summaries and commentaries snappy advice fun facts and an extended resources section **Romeo and Juliet** N. H. Keeble, 2004 York Notes Advanced offer an accessible approach to English Literature This series has been completely updated to meet the needs of today s A level and undergraduate students Written by established literature experts York Notes Advanced introduce students to sophisticated analysis a range of critical perspectives and wider contexts **Whitaker's Books in Print** ,1998 *Shakespeare and the Uses of Comedy* J. A. Bryant Jr., 2014-07-15 In Shakespeare s hand the comic mode became an instrument for exploring the broad territory of the human situation including much that had normally been reserved for tragedy Once the reader recognizes that justification for such an assumption is presented repeatedly in the earlier comedies from *The Comedy of Errors* to *Twelfth Night* he has less difficulty in dispensing with the currently fashionable classifications of the later comedies as problem plays and romances or tragicomedies and thus in seeing them all as manifestations of a single impulse Bryant shows how Shakespeare early and late dutifully concerned himself with the production of laughter the presentation of young people in love and the exploitation of theatrical conventions that might provide a guaranteed response Yet these matters were incidental to his main business in writing comedy to examine the implications of an action in which human involvement in the process of living provides the kind of enlightenment that leads to renewal and the continuity of life With rare foresight Shakespeare presented a world in which women were as capable of enlightenment as the men who wooed them and Bryant shows how the female characters frequently preceded their mates in perceiving the way of the world In most of his comedies

Shakespeare also managed to suggest the role of death in life's process and in some even in plays as diverse as *A Midsummer Night's Dream*, *As You Like It* and *The Tempest* he gave hints of a larger process one without beginning or end that may well comprehend all our visions of comedy, tragedy and history in a single movement **Shakespeare Survey: Volume 57, Macbeth and Its Afterlife** Peter Holland, 2004-11-25 Published with academic researchers and graduate students in mind this volume of the Shakespeare Survey presents a number of contributions on the theme of the play *Macbeth* Goddesses and Queens Annaliese Connolly, Lisa Hopkins, 2018-04-30 The visual images of Queen Elizabeth I displayed in contemporary portraits and perpetuated and developed in more recent media such as film and television make her one of the most familiar and popular of all British monarchs This collection of essays examines the diversity of the queen's extensive iconographical repertoire focusing on both visual and textual representations of Elizabeth not only in portraiture and literature but also in contemporary sermons, speeches and alchemical treatises The collection broadens current critical thinking about Elizabeth as each of the essays contributes to the debate about the ways in which the queen's developing iconicity was not simply a celebratory mode but also encoded criticism of her Each of these essays explains the ways in which the varied representations of Elizabeth reflect the political and cultural anxieties of her subjects **The School Journal**, 1911

Catalog of Copyright Entries Library of Congress. Copyright Office, 1971 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1969 Shakespeare's Tragedies Dieter Mehl, 1986 Twelve plays are examined individually regarding their origins, stage and critical histories and the problems associated with their categorization as tragedy **The American Catalogue**, 1901 American national trade bibliography *A Cumulated Index to the Books of ..*, 1900
