Home Schooling During COVID 19 and Beyond. By Deborah Nichols Poulos. Homeschooling has been a challenge for parents and grandparents who have worked so well to keep their children engaged in learning this pandemic year. Debbie speaks to respect and humor in this second book which are so important for kids and parent teachers. This book will be a good organizational tool for future homeschoolers and can be adapted to all teaching levels. Carole Plack, retired Administrator, Yolo County Office of Education, parent from Debbie Poulos 6th grade class and grandparent. _____ Ms. Nichols Poulos was my son's 5th grade teacher and although a bright child he had certain behavior issues which created challenges in the classroom. Debbie was the only teacher my son had throughout his schooling that I felt really understood him. She knew how to work with him to help him achieve his best potential, to feel cared about and accepted at school. Her skills, knowledge and abilities along with her compassion for her students made her an outstanding teacher. She was unforgettable to her students and their parents alike. *Home Schooling During COVID 19 and Beyond* is a treasure trove of information parents and grandparents can use to achieve the same success with their children. She has pulled from her first book *The Conscious Teacher*, written primarily for teachers, what she thinks will be of the most help to parents. She has added some new information as well. The book's sections on behavior standards and working with gifted students are especially helpful as a parent and now as I work with my grandkids as they school at home. The advice on how to teach the various subjects of reading, writing, math, social studies and computer skills is invaluable. I have greater confidence to help the kids learn at home regardless of whether they are primarily learning remotely or in a classroom. This book gives you the tools to enrich their learning. Sue Woods, Mediator/Facilitator, Consensus and Collaboration Program, CSUS BA 1975, Social Welfare, San Diego State University. _____ I'm a grandparent and not homeschooling on a regular basis but I am often helping grandkids with schoolwork. So *Home Schooling During COVID 19 and Beyond* is helpful even for having a successful single lesson. The parts about mutual respect and working WITH your

student are very useful The book is well organized easy to understand and is full of specific routines for productive and rewarding homeschooling for teacher and student Debbie taught my daughter Vinci in fourth grade and it was a wonderful year for her She gained the necessary confidence to succeed academically in Debbie s class that propelled her lively mind and scholastic achievements to this day Dawn Daro mother of Vinci Daro B A and secondary teaching credential UC Berkeley taught Junior High Richmond Unified School District _____ For parents new to teaching as for anybody else simple tools can help a lot Deborah Nichols Poulos Home Schooling During COVID 19 and Beyond supplies them in a well organized format For math she gives you handy grids for adding subtracting multiplying and dividing plus simple tricks that aid intuition such as the use of manipulative objects To build up reading and spelling she offers bonus devices for rewarding new learning without any mark downs for errors For writing try her tips on building sentences and paragraphs Positive feedback no tears Even without covid this book would have been timely Peter and Lin Lindert parents of Nick Lindert one of Deborah s students You can contact Ms Nichols Poulos at dnpoulos@urcad.org **Reid's Read-Alouds 2** Rob Reid,2011 From humor and drama to science fiction and history Reid makes it easy to find just the right place to begin with unique 10 minute read aloud suggestions drawn from 200 carefully selected titles **Read All about It!** Jim Trelease,1993-08-01 A treasury of fifty sensational read aloud pieces for young adults From Narrative of the Life of Frederick Douglass to Maniac Magee sci fi to op ed Casey at the Bat to a moving true story about the reunion of two Holocaust survivors this wonderfully diverse collection of excerpts from newspapers magazines and books has been created by Jim Trelease especially to turn young people on to the many pleasures of reading Here are thought provoking columns from Mike Royko and Pete Hamill excerpts from classics like To Kill a Mockingbird and Rikki tikki tavi autobiographical sketches by Maya Angelou Moss Hart and others highlighting the importance of reading in their lives and much more With selections representing many different cultures genres writing styles and interests Read All About It is a wonderful introduction to the riches of literature and to a lifetime of reading **A Tapestry of Reading** Terry Zahniser McDermid,1995 Encourage children to become lifelong readers by exposing them to a variety of genres biography mystery drama fairy tale romance mythology and science fiction Each unit includes helpful background information key vocabulary words activities and a bibliography of suggested books An introductory unit teaches students to recognize propaganda and bias while a concluding unit walks them through the steps of writing a research paper Grades 4 6 Resources Illustrated **The Escape from Home** Avi,1996 Driven from their impoverished Irish village fifteen year old Maura and her younger brother meet their landlord s runaway son in Liverpool while all three wait for a ship to America their fates continue to intertwine on board ship and in the New World 101 *Great, Ready-to-Use Book Lists for Teens* Nancy J.
