Romulan Bird Of Prey:

Romulan Bird-of-Prey Ruth Wickings, Keiron Ward, 1997 Designed for table top display or for hanging as a mobile this Romulan Bird of Prey will please Star Trek fans of all ages The book is full color throughout with clear and concise assembly instructions and a fully constructed model helpfully pictured on the back cover **Romulan "bird of Prey" Cruiser Blueprints** ,1977 **Spaceships at the Final Frontier** Rick Jackson, 2000-09 Build extraordinary Star Trek RM spacecraft models with this comprehensive project book then learn how to light mask paint detail decal and display your model This is the only how to book for Star Trek RM modelers **Star Trek: Mirror Universe: The Sorrows of Empire** David Mack, 2009-12-29 One man can shape the future but at what cost In every revolution there is one man with a vision Captain James T Kirk of the United Federation of Planets spoke those prophetic words to Commander Spock of the Terran Empire hoping to inspire change He could not have imagined the impact his counsel would have Armed with a secret weapon of terrifying power and a vision of the alternate universe's noble Federation Spock seizes control of the Terran Empire and commits it to the greatest gamble in its history democratic reform Rivals within the empire try to stop him enemies outside unite to destroy it Only a few people suspect the shocking truth Spock is knowingly arranging his empire's downfall But why Have the burdens of imperial rule driven him mad Or is this the coldly logical scheme of a man who realizes that freedom must always be paid for in blood Spock alone knows that the fall of the empire will be the catalyst for a political chain reaction one that will alter the fate of his universe forever **The Badlands: Book One** Susan Wright, 2000-01-26 Located dangerously near the Cardassian border the unstable region of space known as the Badlands has long been a hazard to interstellar navigation characterized by violent plasma storms and other even stranger phenomena Many starships have faced destruction there including at least two incarnations of the Starship Enterprise James T Kirk braves the perils of the Badlands to confront a Romulan Bird of Prey that has entered Federation space in pursuit of a fleeing smuggler But trespassing Romulans may be the least of Kirk's problems when the mysterious forces at work in the Badlands threaten both his ship and his crew A generation later Jean Luc Picard faces the same phantom menace when he commands his Enterprise into the Badlands on a mission vital to Federation Cardassian relations With Will Riker's life on the line and the entire ship in jeopardy it's up to Lieutenant Commander Data to determine the true nature of the Badlands hidden danger *Kobayashi Maru* Michael A. Martin, Andy Mangels, 2008-08-26 To protect the cargo ships essential to the continuing existence of the fledgling Coalition of Planets the captains of the United Earth's Starfleet are ordered to interstellar picket duty with little more to do than ask Who goes there into the darkness of space Captain Jonathan Archer of the Enterprise seethes with frustration wondering if anyone else can see what he sees A secret closed militaristic society convinced that their survival hangs by a thread who view their neighbors as a threat to their very existence the Spartans of ancient Greece the Russians of the old Soviet Union the Koreans under Kim Il sung with only one goal attain ultimate power no matter the cost The little

known never seen Romulans seem to live by these same principles The captain realizes that the bond between the signers of the Coalition charter is fragile and likely to snap if pushed But he knows that the Romulans are hostile and he believes they are the force behind the cargo ship attacks If asked Archer can offer no proof without endangering his friend s life To whom does he owe his loyalty his friend his world the Coalition And by choosing one does he not risk losing all of them What is the solution to a no win scenario

Star Trek: Mirror Universe: Glass Empires David Mack,Greg Cox,Mike Sussman,Dayton Ward,Kevin Dilmore,2007-02-20 There are moments glimpsed only in shadow where darkness rules and evil incarnate thrives You hope against hope that in your lifetime evil is relegated to the shadows But what if it wasn t What if you lived in a universe where your life was measured only by what you could do for the Empire What would you do to survive Would you sell your soul to free yourself If you were offered the chance to rule would you seize it If you could free your universe from the darkness but only at the cost of your life would you pay that price Star Trek Enterprise she seized power in a heartbeat daring to place herself against all the overlords of the Empire Empress Hoshi Sato knows the

future that could be now all she has to do is make sure it never happens For her to rule she must hold sway not only over the starship from the future but also over her warlords the resistance and her Andorian husband As quickly and brutally as Hoshi seized power imperial rule is taken from her Her only chance to rule again is to ally herself with a lifelong foe and an alien Star Trek One man can change the future but does he dare Spock intrigued by the vision of another universe s Federation does what no Vulcan no emperor has ever done seize power in one blinding stroke of mass murder And at the same instant he gains imperial power Spock sows the seeds for the Empire s downfall Is this a form of Vulcan madness or is it the coolly logical plan of a man who knows the price his universe must pay for its freedom Star Trek The Next Generation Humanity is a pitiful collection of enslaved indentured and abused peoples No one dares to question the order except at peril of their lives One man survives by blinding himself to the misery around him However Jean Luc Picard resists just once And in that one instant he unlocks a horror beyond the tyranny of the Alliance Can a man so beaten down by a lifetime of oppression stop the destruction
