Ronnie The Autobiography Of Ronnie Osullivan:

Ronnie Ronnie O'Sullivan, 2019-11-14 Ronnie is snooker's most written and talked about player and its greatest showman. His supreme talent and style have made him the People's Champion and as one commentator put it the question is not how much does Ronnie O'Sullivan need snooker but how much does snooker need Ronnie O'Sullivan. A honest and candid account of his extraordinary life Ronnie tells of the infant who was introduced to legendary snooker clubs at an impossibly early age of the boy who frightened off the bookies aged just 12 of the teenager whose life was decimated when his father and mentor was sent to prison for life and of the man dubbed the genius of the modern game who regularly threatened to quit the sport to pursue other interests at the grand old age of 28. A fine autobiography compelling. Independent O'Sullivan is as frank about his spell in the Priory clinic as he is about his father's murder conviction. His accounts of snooker tournaments and sketches of the sport's personalities will fascinate fans but even snooker haters will be rooting for Ronnie in the game of life. OK

Running Ronnie O'Sullivan, 2013-10-10 World Snooker Champion Ronnie O'Sullivan's frank and honest account of his astonishingly dramatic life. I used to rely on drugs and alcohol to keep me going but now I've got the healthiest addiction going running. This book explains how running has helped me to fight my demons, my addictive personality, depression, my dad's murder conviction, the painful break up with the mother of my children and allowed me to win five World Snooker Championships. It is also about all of the great things in my life, my kids, snooker, my dad's release from prison, great mates who have helped me and the psychiatrist Dr Steve Peters who has taught me how not to run away when things get tough. Finally it's about what it's like to get the buzz from running from snooker from life. Because when it comes down to it everyone needs something to drive them on.

Ronnie is searingly honest, candidly funny and thought provokingly brilliant. In *Unbreakable* I devoured it. NIHAL ARTHANAYAKE. In a career spanning over three decades Ronnie O'Sullivan's journey to becoming the greatest snooker player of all time has been filled with extremes. A teenage snooker prodigy Ronnie turned professional with the highest of expectations. This pressure together with a challenging personal life catapulted Ronnie into a life of excess and addiction. He was winning titles his first within a year of turning professional but losing himself and his game as he tried to block out the mental pain and misery. Whilst Ronnie appeared at the height of the game to spectators these were the moments when he felt at his lowest. In the year 2000 Ronnie started rehab and began the journey to get his life back, addressing his demons and working on developing a stronger and more resilient mindset. More than twenty years on Ronnie is still obsessed with delivering his peak performance and never
