**God in the Bullpen: The Randy Lerch Story** Randy Lerch,2019-08-16 God in the Bullpen How else would one describe the One who rescued a major league pitcher Many professional athletes have experimented with drugs When I was told by a respected veteran that I would never make it in the major leagues without amphetamines I trusted him and took them They gave me a feeling of invincibility but they hurt my performance Soon the greenies became a habit and eventually I washed them down with alcohol Of course that became a habit too Eventually addiction led to failed rehabilitation efforts and an automobile accident while driving impaired that nearly took my life When I reached the lowest point ever the ultimate relief pitcher God came from the bullpen and saved my life I was later diagnosed with cirrhosis My liver was incurably damaged by the alcohol With His help I am battling this but only God can know how much time I have left I want to tell my story to help others avoid the pitfalls that brought me to a time of despair I also want to tell you that the LORD can help you if you will give your life to Him and He will give you eternal life in Heaven

executive director of the Pro Football Hall of Fame comes a sweeping and lively history of the National Football League timed to coincide with the NFL's 100th anniversary season. I can think of no one better qualified or more enthusiastic to chronicle the National Football League's century-long history than Joe Horrigan. Marv Levy Hall of Fame NFL coach. The NFL has come a long way from its founding in Canton, Ohio, in 1920. In the hundred years since that fateful day, football has become America's most popular and lucrative professional sport. The former scrappy upstart league that struggled to stay afloat has survived a host of challenges: the Great Depression and World War II controversies and scandals, battles over labor rights and competition from rival leagues to produce American icons like Vince Lombardi, Joe Montana, and Tom Brady. It is an extraordinary and entertaining history that could be told only by Joe Horrigan, former executive director of the Pro Football Hall of Fame and perhaps the greatest living historian of the NFL, by drawing upon decades of NFL archives. Compelling, eye-opening, and authoritative, *NFL Century* is a must-read for NFL fans and anyone who loves the game of football. Advance praise for *NFL Century*: Joe Horrigan takes the reader on a delightful tour of the seminal moments of the NFL in the past one hundred years: the players, owners, coaches, executives, and historical events that made the game of football the most popular in America. It's a wonderful walk down memory lane for any football fan, young or old. Michael Lombardi, author of *Gridiron Genius*: "There is no one, and I mean no one, who knows more about the history of the NFL than Joe Horrigan, the heart and soul of the Pro Football Hall of Fame." As the gold standard of sports leagues celebrates its one hundredth season, it's appropriate that the gold standard of sports historians has written *NFL Century*, an entertaining and educational journey. Gary Myers, *New York Times* bestselling author of *Brady vs Manning*. *Red Sox Century*: Richard A. Johnson, Glenn Stout, 2005. *Red Sox Century* chronicles the complete history of this enduring team with authority, insight, and high style. From the team's inception in 1901 and its early peak in 1918 when it won its fifth World Series to the glory years which saw the rise of such greats as Cy Young, Babe Ruth, Teddy Ballgame, and Yaz, and the impossible dream to the near misses in 1975, 1986, and 2003, and finally to the glorious World Series victory in 2004, it's all here, drawn from countless interviews and extensive research and illustrated with more than 225 photographs, many never seen before.
