**First Class** Sharon Disher, 2013-07-31

When Sharon Hanley Disher entered the U S Naval Academy with eighty other young women in 1976 she helped end a 131 year all male tradition at Annapolis Her entertaining and shocking account of the women s four year effort to join the academy s elite fraternity and become commissioned naval officers is a valuable chronicle of the times and her insights have been credited with helping us understand the challenges of integrating women into the military services From the punishing crucible of plebe summer to the triumph of graduation she describes their search for ways to survive the mental and physical hurdles they had to overcome Unflinchingly frank she freely discusses the prejudice and abuse they encountered that often went unpunished or

unreported A loyal Navy supporter nevertheless Disher provides a balanced account of life behind the academy's storied walls for that first group of teenaged women who charted the way for future female midshipmen Lively well researched and amazingly good humored the book seems as fresh today as it was when first published in hardcover in 1998 Chasing Tiger Curt Sampson, 2002-06-03 All eat from the bowl of life Tiger Woods just has a bigger spoon So writes Curt Sampson in his ground breaking account of the current state of golf Tiger Woods has changed golf forever His mix of power and skill combines with his extraordinary business savvy to make Woods the biggest global sports figure since Michael Jordan Like Jordan Woods competitive signature is equal parts inspiration and intimidation But what about the other guys It's either catch up or give up for the rest of the golfing world and in Chasing Tiger Curt Sampson exuberantly charts the state of the game as the new century unfolds There are Duval and Mickelson and a host of other stars of course but there are also the junior golfers and their parents corporate America agents instructors fans and the media Just as he did in his controversial bestsellers Hogan and The Masters Sampson digs deep to uncover stories that wouldn't otherwise be told There's the golf course employee in Austin whose admiration for Woods leads him to spend every waking minute mimicking his hero including the trademark pumping fist only here it's on the practice green There's the awestruck unemployed talk show host who stretches the bounds of good taste and hero worship with his Web site Tigerwoods.isgod.com At the other end of the scale is Charles Howell III skinny as a 2 iron a up and coming player who has been tapped by Jack Nicklaus to be the next great challenge to Woods Howell is the anti Tiger a man unfailingly friendly to fans and media recently married opinionated and entirely lacking in caution yet he struggles to earn enough money to make the Tour Curt Sampson has written an affectionate yet wary account of one extraordinary man's impact on the world of sport By turns moving hilarious and eye opening Chasing Tiger is a wonderful addition to the golf canon **Lost Girl** Natalie Harte, 2018-03-23 Do you believe in life after death Is there a heaven And if so is there a place called hell Most people only want to talk about a nice happy ending to their existence here on earth But what if we are actually and truly accountable for our actions after we leave this world Would that scare you In my opinion it should I should know There was a time that I was wild and crazy and lived life without concern I lived a life filled with longing torment and despair One day I died and left my body For three days I was taken on a horrific and terrifying journey What I learned I hope to share with others so they too can feel sure of their ultimate resting place There is a life after death We are all accountable The very good news is each one of us can make a conscious decision as to where we go when we die It's not easy to get there to that beautiful place called heaven But it is in reach for those who love God with all their heart and live a godly life
