Rooster Bingo And Other Mostly True Stories:

Rooster Bingo and Other Mostly True Stories Jerry Thompson, 1987-01-01 *Chicago Tribune Index*, 1988

Robertson Co, TN, 1996 **American Book Publishing Record**, 1988 **Tennessee Librarian**, 1988 **Books in Print**, 1991 The Fajitas and Beer Convention Rodriguez, Roger, 2015-03-12 The story begins with the passing of little Manolo's mother. She left instructions with their ranch hand Salvador to deliver Manolo to their only family in the northern part of Mexico. Along the way, Manolo and Salvador encounter great adventures including a sinister drunk, a deceiving carnival owner, a magician, and the beautiful Paloma. The adventure does not end in northern Mexico. When Manolo and Salvador accidentally enter the United States on a train, they find themselves walking the streets of an American border town. Here they come across a wealthy neighborhood where ten Mexican gardeners are preparing to have a social. They explain that they all work for wealthy men who are using the funds from their businesses to take vacations, meanwhile writing these off as conventions. So every time their bosses leave, they use their houses to have their own conventions with fajitas and beer. Each of the men tells a tale during one of these socials, each with its own plot, moral lesson, and satire. Forever and Five Days Lowell Cauffiel, 2014-07-08 The bestselling author's auspicious debut in the true crime genre: a sensitive and searching story of the murders of at least six nursing home patients. Publishers Weekly: Outside the dining hall of the Alpine Manor nursing home, there is a sign that reads "This is Grand Rapids, Michigan," a reminder for those who can no longer trust their own minds. For months, Cathy Wood has fed these residents, bathed them, and even moistened their eyes with artificial tears. To her, they live in a state worse than death, and she has decided to relieve them of their pain. Wood and her lover, Gwen Graham, make a pact to kill those whom they were hired to care for. No one notices when an elderly person dies a quiet death, but as these two slip deeper into their plan, the terrible secret becomes unbearable. Lowell Cauffiel's account of the Alpine Manor murders is a chilling saga of true crime and the twisted lengths to which some will go in pursuit of justice. **Science Fiction, Children's Literature, and Popular Culture** Gary Westfahl, 2000-04-30 In a constantly changing world, individuals are forever growing to meet the challenges and developments that emerge around them. In contemporary society, technology is at the heart of change. Literature, too, reflects the evolution of culture and increasingly represents and considers technology. And as children become young adults, their reading helps shape their understanding of the world. This book examines representative works of science fiction, children's literature, and popular culture to show how these works reflect the process of growing up in a technological world. The volume looks at the simple picture books and comic books that appeal to small children, the formulaic adventures that fascinate older children, the films and television programs that are watched by children and young adolescents, the music videos and programming that appeal to young adults, and the popular novels that interest older readers. Included are discussions of Superman, the Hardy Boys, Star Trek, science fiction films, and music videos. The book points to similarities among popular culture, science fiction, and children's literature and demonstrates the
