Root Causes Of Sudans Civil Wars African Issues:

The Root Causes of Sudan's Civil Wars Douglas Hamilton Johnson, 2011 Sudan's post independence history has been dominated by political and civil strife. Most commentators have attributed the country's recurring civil war either to an age old racial divide between Arabs and Africans or to recent colonially constructed inequalities. This book attempts a more complex analysis briefly examining the historical political economic and social factors which have contributed to periodic outbreaks of violence between the state and its peripheries. In tracing historical continuities it outlines the essential differences between the modern Sudan's first civil war in the 1960s and the current war. It also looks at the series of minor civil wars generated by and contained within the major conflict as well as the regional and international factors including humanitarian aid which have exacerbated civil violence. This introduction is aimed at students of North East Africa and of conflict and ethnicity. It should be useful for people in aid and international organizations who need a straightforward analytical survey which will help them assess the prospects for a lasting peace in Sudan. Douglas H Johnson is an independent scholar and former international expert on the Abyei Boundaries Commission.

The Root Causes of Sudan's Civil Wars Douglas Hamilton Johnson, 2003 Sudan's post independence history has been dominated by long recurring and bloody civil wars. Most commentators have attributed the country's political and civil strife either to an age old racial and ethnic divide between Arabs and Africans or to colonially constructed inequalities. In *The root causes of Sudan's civil wars* Douglas H Johnson examines historical political economic and social factors to come to a more subtle understanding of the trajectory of Sudan's civil wars. Johnson focuses on the essential differences between the modern Sudan's first civil war in the 1960s, the current war and the minor conflicts generated by and contained within the larger wars. Regional and international factors such as humanitarian aid, oil revenue and terrorist organizations are cited and examined as underlying issues that have exacerbated the violence. Readers will find an immensely readable yet nuanced and well informed handling of the history and politics of Sudan's civil wars.

Civil Wars and Revolution in the Sudan Robert O. Collins, 2005 This is a collection of twenty essays written over forty years between 1962 and 2004 on the Sudan southern Sudan and Darfur Four decades of civil war has cost more than two million dead and another six million refugees and Internally Displaced Persons Now after a decade of ambivalent and frustrating negotiations a peace agreement between the Sudan People s Liberation Movement and the Government of the Sudan has finally been signed on 9 January 2005 leaving in its wake a devastated southern Sudan its infrastructure completely destroyed its fragile economy in ruins and its people exhausted after nearly half a century of fierce fighting Although these twenty essays include such topics as nation building the dynamics of racial ethnic cultural and religious identity the politics of oil and the legacy of slavery most of them are concerned with conflict in the Sudan its participants and the reasons why and it began and has continued for so long These essays are presented here in chronological order the aggregate becomes a unique history of the Sudan s terrible civil war that cannot be found elsewhere the independent Sudan are woven into the text of each revealing new insights into the history of these tumultuous decades

Regional Politics and State Secession Nelson, Elizabeth A., 2021-09-14 While a number of movements seek state secession the majority never achieves internationally recognized statehood Paradoxically some movements that have succeeded have had weaker claims to statehood than many movements that have failed Regional Politics and State Secession seeks to explain the variation in outcomes for secessionist movements Why do some movements succeed when so many fail

University Governance in (Post-)Conflict Southern Sudan 2005-2011 Akiiki Babyesiza, 2014-11-24 Few studies have looked into the governance of universities in societies affected by armed conflicts because they are either meant for practitioners or focused on the role of universities for peace and development Akiiki Babyesiza offers an in depth analysis of the relationship between state higher education and society in a multicultural and multi religious post conflict setting and uses empirical data to question university governance concepts She explores the role that civil wars played in university development and governance in Sudan with a particular focus on Southern Sudan after the peace agreement of 2005 and before its secession in 2011

Identity, Citizenship, and Violence in Two Sudans: Reimagining a Common Future A. Idris, 2013-08-20 The 2011

split of Sudan and the conflicts that have followed make it a case of ongoing significance for understanding state building in Africa Examining both the north south divide and the spread of violence from Darfur this study shows how colonial legacies have shaped state formation and charts out a path to inclusive citizenship and democracy

The Oxford Handbook of the Responsibility to Protect Alex Bellamy,Tim Dunne,2016-06-30 The Responsibility to Protect R2P is intended to provide an effective framework for responding to crimes of genocide ethnic cleansing war crimes and crimes against humanity It is a response to the many conscious shocking cases where atrocities on the worst scale have occurred even during the post 1945 period when the United Nations was built to save us all from the scourge of genocide The R2P concept accords to sovereign states and international institutions a responsibility to assist peoples who are at risk or experiencing the worst atrocities R2P maintains that collective action should be taken by members of the United Nations to prevent or halt such gross violations of basic human rights This Handbook containing contributions from leading theorists and practitioners including former foreign ministers and special advisors examines the progress that has been made in the last 10 years it also looks forward to likely developments in the next decade

Oil for Food Eckart Woertz,2013-04-25 In *Oil for Food* Eckart Woertz analyzes the geopolitical implications behind the current investment drive of Arab Gulf countries in food insecure countries like Sudan or Pakistan Having lived in Dubai for seven years and drawing on extensive archival sources and interviews he gives the inside story of how regional food security concerns have developed historically how domestic agro lobbies shape policy making and how the failed attempt to develop Sudan as an Arab bread basket in the 1970s carries important lessons for today s investments drive

Terrorist Groups and the New Tribalism Jeffrey Kaplan,2010-02-25 The central focus of this book is a small but vitally important group of movements that constitute a distinct fifth wave of modern terrorism here called the New Tribalism Terrorist Groups and the New Tribalism examines a collection of terrorist or insurgent movements whose similarity in tactics strategic vision and desire to radically reshape their worlds to conform with a Golden Age dream of perfection which is to be achieved through a genocidal or ethnic cleansing process to make way for the emergence of a new radically perfected tribal utopia in a single generation These shared strategic and tactical factors allow them to be examined through a comparative lens as a distinct fifth wave of modern terrorism Structured around the theoretical framework of David Rapoport s Four Waves thesis the book examines anomalous movements that began within a distinct wave of international terrorism but following a crisis model has turned inwards toward radical localism tribalism and xenophobia The text is divided between theory and in depth case studies of the Ugandan Lord s Resistance Army and the Sudanese Janjaweed It concludes with a design for further field work based research This book will be of interest to students of Terrorism and Political Violence Genocide Conflict Studies African politics and Political Science in general Jeffrey Kaplan is an Associate Professor of Religion and the Director of the Institute

for the Study of Religion Violence and Memory at the University of Wisconsin Oshkosh He is the author of 11 books on terrorism and political violence *The Political Economy of Civil War and UN Peace Operations* Mats Berdal, Jake Sherman, 2023-03-31 This book examines the operational and political challenges facing UN peace operations deployed in countries where civil war and protracted violence have given rise to the complex and distinctive political economies of conflict The volume explores the nature and impact of such political economies informal systems of power and influence formed by the interaction of local national and region wide war economies with the political agendas of conflict actors on the course of UN peace operations It focuses in detail on the UN s long running peace operations in the Democratic Republic of Congo South Sudan Afghanistan Sierra Leone Mali and Somalia The book is centrally concerned with the interaction of UN missions with the power structures and local conflict dynamics that shape individual mission settings and the challenges these pose for mediation protection of civilians and other tasks It also offers a critical assessment of the various ways in which the UN system from its headquarters in New York to the field has confronted the policy challenges posed by political economies of conflict affected states societies and regions It advances a pragmatic set of policy recommendations aimed at improving the UN s ability to confront predatory and exploitative war economies At the same time the volume makes it clear that political and institutional obstacles to more effective UN action are certain to remain profound and are unlikely ever to be fully overcome let alone eradicated Despite making some progress since the 1990s to better understand the political economy of civil wars the UN has struggled with how to tackle informal networks of power and their consequences for efforts to end wars The book will be of special interest to students of war and conflict studies statebuilding political economy of conflict UN interventionism and peacebuilding and IR Security in general *Close to the Sources* Abebe Zegeye, Maurice Vambe, 2011-03-28 European and African works have found it difficult to move past the image of Africa as a place of exotica and relentless brutality This book explores the status and critical relationship between politics culture literary creativity criticism education and publishing in the context of promoting Africa s indigenous knowledge and seeks to recover some of the sites where Africans continue to elaborate conflicting politics of self affirmations It both acknowledges and steps outside the protocols of analysis informed by nationalism differentiating the forms that postcolonial theories have taken and arguing for a selective appropriation of theory that emerges from Africa s lived experiences **Political Dynamics of Grassroots Democracy in Vietnam** Hai Hong Nguyen, 2017-07-20 In *Political Dynamics of Grassroots Democracy in Vietnam* Hai Hong Nguyen investigates the correlation between independent variables and grassroots democracy to demonstrate that grassroots democracy has created a mutually empowering mechanism for both the party state and the peasantry Small Arms Survey 2007 Small Arms Survey, Graduate Institute of International Studies (Geneva, Switzerland), 2007-09-06 The Small Arms Survey 2007 features a special focus on the complex issue of urban violence Sudan's "Southern Problem" Sebatso C. Manoeli, 2019-12-04 The book offers a history of the discourses and diplomacies of Sudan s civil wars It

explores the battle for legitimacy between the Sudanese state and Southern rebels. In particular, it examines how racial thought and rhetoric were used in international debates about the political destiny of the South. By placing the state and rebels within the same frame, the book uncovers the competition for Sudan's reputation. It reveals the discursive techniques both sides employed to elicit support from diverse audiences amidst the intellectual ferment of Pan-Africanism, the Cold War, and Black liberation politics. It maintains that the interplay of silences and articulations in both the rebels and the state's texts concealed and complicated aspects of the country's political conflict. In sum, the book demonstrates that the war of words waged abroad represents a strategic but often overlooked aspect of the Sudanese civil wars.

War, Peace and Progress in the 21st Century Mark Berger, Heloise Weber, 2013-09-13 The history of development is one marked by insecurities, violence, and persistent conflict. It is not surprising, therefore, that development is now thought of as one of the central challenges of world politics. However, its complexities are often overlooked in scholarly analysis and among policy practitioners who tend to adopt a technocratic approach to the crisis of development and violence. This book brings together a wide range of contributions aimed at investigating different aspects of the history of development and violence and its implications for contemporary efforts to consolidate the development-security nexus. From environmental concerns through vigilante citizenship to the legacies of armed conflicts during and after decolonization, the different chapters reconstruct the contradictory history of development and critically engage contemporary responses and their implications for social and political analyses. In examining violence and insecurity in relation to core organising principles of world politics, the contributors engage the problems associated with the nation-state and the inter-state system and underlying assumptions of the promises of progress. The book offers a range of perspectives on the contradictions of development and on how domination, violence, and resistance have been conceived. At the same time, it exemplifies the relevance of alternative methodological and conceptual approaches to contemporary challenges of development. This book was published as a special issue of *Third World Quarterly*.

Border Disputes Emmanuel Brunet-Jailly, 2015-07-28 An ideal resource for anyone studying current events, social studies, geopolitics, conflict resolution, and political science, this three-volume set provides broad coverage of approximately 80 current international border disputes and conflicts. Border disputes are a common source of political instability and military conflict around the globe, both in the present day and throughout history. *Border Disputes: A Global Encyclopedia* will serve as an invaluable resource for students studying social studies, political science, human geography, or related subjects. Each volume of this expansive encyclopedia begins with an accessible introduction to the type of dispute to be discussed, identifying the conflict as territorial, Volume 1; positional, Volume 2; or functional, Volume 3. Following the background essay in each volume are comprehensive case study entries on specific international conflicts, examining the disputed area, the reasons for the dispute, and cultural, political, historical, and legal issues relating to the dispute. The third volume will also provide primary documents of legal rulings and important resolutions of various disputes.

as well as profiles of key organizations relating to border studies and specific border dispute commissions
