Garvin, Lorraine M. Gutierrez, Maeda J. Galinsky, 2017-06-26 Revised edition of Handbook of social work with groups 2006

Roots to Power Lee Staples, 2016-02-22 The third edition of the manual for community organizers tells readers how to most effectively implement community action for social change clearly laying out grassroots organizing principles methods and best practices Written for those who want to improve their own lives or the lives of others this thoroughly revised how to manual presents techniques groups can use to organize successfully in pursuit of their dreams The book combines time tested universal principles and methods with cutting edge material addressing new opportunities and challenges It covers basic concepts and best practices and offers step by step guidelines on things an organizer needs to know such as how to identify issues formulate strategies set goals recruit participants and much more The work focuses on six organizing arenas turf geography faith based issue identity shared experience and work related It offers new or expanded material addressing community development use of social media internal organizational dynamics electoral organizing evaluation assessment and prevention of burnout for key leaders There are also nuts and bolts articles by experts who address topics such as action research lobbying legal tactics and grassroots fundraising Numerous case examples charts worksheets and small group exercises enrich the discussion and bring the material to life **The Handbook of Community Practice** Marie

Weil, Michael S. Reisch, Mary L. Ohmer, 2013 Written by some of the most influential scholars in the field this Handbook covers community development organizing planning and social change as well as key issues fields of practice and global approaches *This Is an Uprising* Mark Engler, Paul Engler, 2016-02-09 This is an Uprising traces the evolution of civil

resistance providing new insights into the contributions of early experimenters such as Mohandas Gandhi and Martin Luther King Jr groundbreaking theorists such as Gene Sharp and Frances Fox Piven and contemporary practitioners who have toppled repressive regimes in countries such as South Africa Serbia and Egypt Drawing from discussions with activists now working to defend human rights challenge corporate corruption and combat climate change the Englers show how people with few resources and little influence in conventional politics can nevertheless engineer momentous upheavals Although it continues to prove its importance in political life the strategic use of nonviolent action is poorly understood Nonviolence is usually studied as a philosophy or moral code rather than as a method of political conflict disruption and escalation This is an Uprising corrects this oversight **Race and Space** Lisa Leitz, 2022-10-24 Emphasising location specific human experience

and incorporating insights from geography Race and Space s careful study of the differences of physical spaces gives rise to more complete explanations for social issues and variances in social movements
