Music and the Racial Imagination Ronald M. Radano, Philip V. Bohlman, 2000-12 A specter lurks in the house of music and it goes by the name of race write Ronald Radano and Philip Bohlman in their introduction Yet the intimate relationship between race and music has rarely been examined by contemporary scholars most of whom have abandoned it for the more enlightened notions of ethnicity and culture Here a distinguished group of contributors confront the issue head on Representing an unusually broad range of academic disciplines and geographic regions they critically examine how the imagination of race has influenced musical production reception and scholarly analysis even as they reject the objectivity of the concept itself Each essay follows the lead of the substantial introduction which reviews the history of race in European and American non Western and global musics placing it within the contexts of the colonial experience and the more recent formation of world music Offering a bold new revisionist agenda for musicology in a postmodern postcolonial world this book will appeal to students of culture and race across the humanities and social sciences

Sharpe's London magazine, a journal of entertainment and instruction. [entitled] Sharpe's London journal. [entitled] Sharpe's London magazine, conducted by Mrs. S.C. Hall Anna Maria Hall, 100 Entertainers Who Changed America Robert C. Sickels, 2013-08-08 This fascinating and thought provoking read challenges readers to consider entertainers and entertainment in new ways and highlights figures from outside the worlds of film television and music as influential pop stars Comprising approximately 100 entries from more than 50 contributors from a variety of fields this book covers a wide historical swath of entertainment figures chosen primarily for their lasting influence on American popular culture not their popularity The result is a unique collection that spotlights a vastly different array of figures than would normally be included in a collection of this nature and appeals to readers ranging from high school students to professionals researching specific entertainers Each subject individual's influence on popular culture is analyzed from the context of his or her time to the present in a lively and engaging way and through a variety of intellectual approaches Many entries examine commonly discussed figures influence on popular culture in ways not normally seen for example the widespread appeal of Woody Allen's essay collections to other comedians or the effect of cinematic adaptations of Tennessee Williams plays in breaking down Hollywood censorship

UNTOLD HISTORY Bernadine E. Ahonkhah, ED. D, 2025-01-06 UNTOLD HISTORY illustrates how African history is intertwined with and foundational to American history The book begins this narrative in the fourteenth century when European seafarers discovered the coastal regions of Africa describes the meeting of the three worlds aEUR Europe Africa and the New World later known as America and details the increasing interactions of the three worlds after the 1450s The author dispels some of

the misconceptions about pre colonial Africa by presenting the history and culture of the African continent from a distinctively African lens As such this book chronicles some prominent African empires and kingdoms Africa European bilateral trade relations the trans Atlantic Slave trade and contemporary Africans in the United States The book highlights stories of contemporary Africans residing in the United States and documents the contributions of early and contemporary Africans to the history economic development culture and prominence of the United States of America It concludes with a snapshot of contemporary Africa The book provides a framework for understanding the history of Africa prior to the arrival of European merchants on its shores African civilizations cultures legacy and contributions to American Educators can use the book to supplement their course on American History World History African American History in pre collegiate or collegiate settings This book can help educators to reimagine the teaching and learning of the United States history by centering on important narratives in Africa and with Africans in the American diaspora The book is organized chronologically and can help the reader to understand the past as it relates to the present world To facilitate teaching each chapter opens with a quotation that introduces the content of the chapter and ends with study discussion questions that educators can use or adapt as appropriate for instruction and to ensure full comprehensive understanding of the content presented

ion implantation equipment typically consists of an ion source where ions of the desired element are produced an accelerator where the ions are electrostatically accelerated to a high energy or using radiofrequency and a target chamber where the ions impinge on a target which is the material to be implanted thus ion implantation is a special case of particle radiation each io
