Deep Origin Healing Robert Maddox, Janice Maddox, 2019-12-09 Are we a microcosm of the emotional psychological and spiritual dysfunction we see all around us in our families in our societies and in the world In what way are we affected by and do we perpetuate this chaos Why haven't personal healing paths manifested change on a larger scale How can we create transformational healing that is inclusive of the entire macrocosm DEEP Origin explores how fallen natures became imprinted on our hearts passing through the lineage to reconstitute themselves in each successive generation as dysfunctional emotional human patterns Early life experiences trigger the creation of psychic wounds in each of us reminiscent of the original breakdown in the Garden of Eden These wounds were perceived as unbearable to our child selves and we reacted by creating the personality defenses and masks we live behind DEEP Origin Healing starts with the premise Where there is Divine Energy there can be Emotional Process Bringing God and Goddess love into the equation changes everything
