Rosa Maries Baby Robert G Barrett, 2014-07-01 Robert G Barrett's latest Les Norton adventure is action, humour, and intrigue with a diabolical twist proving once again why Barrett is called the king of Australian popular fiction. If it wasn't for a letter lost in the system for decades landing on his lap, Les would never have known he wasn't the only Norton to gain notoriety thanks to Kings Cross; there was another even worse than him: a devil worshipping artist and occultist, Rosa Marie Norton, the Witch of Kings Cross. Rosa was so bad the police arrested her for lewd behaviour and obscenity, and the customs department burnt her paintings, paintings now worth thousands of dollars. Yet according to the lost letter, a bundle of her paintings had been secreted at an old church in Victoria. By sheer coincidence, Les is asked to help with a hit in Melbourne on a shonky art dealer named Latte Lindsey. After the hit, Les decides to take a trip down the Great Ocean Road, call in to the Church of the Blessed Madonna, and see if he can find mum's painting. Along with plenty of trouble, Les finds sexy Sonia and staunch Stepha. He also finds there's a lot of déjà vu getting around in Victoria. And when it comes to violence south of the border, there are no Mexican stand-offs.

"Father" Who Are You.. Matthew Van Dorn, 2019-05-08 Matthew Van Dorn, in fact the writer of this book, was born and raised in Amsterdam but on first sight clear of tropical origin, son of a white Dutch mother and a white Dutch stepfather. After his turbulent youth years in the Amsterdam of the early fifties and sixties, plus an early marriage, he is becoming increasingly interested in his other Indonesian branch of origin. His mother, Rosa, plays a crucial role in the spiritual development of his life. A kind of a love-hate relationship. He decides to make a trip with a travel group through Indonesia to hopefully find something of his roots. This book deals in particular with that journey and the ups and downs of such a travel company with flashbacks from his early childhood and

the story of his biological father from Indonesia as the second story line in Flash backs

In the Shadow of Angels Charles Maldon Sr., 2010-03-30 In his book *In the Shadow of Angels* Charles Maldon reflects upon that season of his life when he was without the peace of God He presents the contribution of several extraordinary saints whom he addresses as angels who are largely responsible for his journey and victory into the perfect peace of God He reveals the uniqueness of each angel and relates the love and care provided by each when he needed someone to encourage and stand by him on his march toward his purpose and calling in God These individuals displayed strength and character that became an incentive for him to strive to be the best person that God ordained him to be Without them being there his life in the Deep South would almost definitely have taken a different direction By the mercy of God he encountered each of them at a time when he was in desperate need of love and encouragement to keep from fainting Each of them left him with a lifetime memory and a victory of healing and peace and thankfulness
