Working My Way Through Life Allan Ede, 2019-10-25 Working My Way Through Life is my autobiographical memoir of my experiences in the working world I have worked at 25 different jobs besides teaching English for 40 years 36 in high school and 4 in college I hope the readers of my book enjoy my stories Each job has its own drama Beginning with my first account shining shoes in taverns at the age of four to my final years of teaching the readers will observe a vast array of working experiences some more exciting than others but all sharing different insights into the working world Hopefully my book will dispel that old saying Those who can do Those who can t teach I know that most people in the working world have many experiences and stories of their own It is a matter of remembering and writing them down Maybe I ll be reading your book someday

Rosalund's Raiders Allan Ede, 2002-02-01 *Blood Island* Allan Ede, 2003-03-17 Spencer Hendran cursed himself for being careless and allowing those ruthless scumbags to inflict agonizing pain and suffering upon him and four lovely young ladies whom he had just befriended on his trek through the Boundary Waters He would hone his special skills learned as a former Green Beret and wreak vengeance upon those thugs even if he had to chase them to Hell and back They would rue the day they had committed such atrocities against him and those he cared for especially Marna with whom he had fallen in love The reader of Blood Island should not expect to get away from it all in this fast paced suspenseful and often brutal story Author Allan Ede writes with great detail and his story is well paced often breath taking and horrifying at the same time keeping the reader turning the pages in anticipation A nail biting if not eye covering satisfying read Pamela Schuster Ostwinkle award winning author of The Little Teardrop and Monster Tools I sat down one night to read Blood Island After engaging in an exciting and twisting plot I couldn t go to sleep until I finished reading the entire book You can t imagine the suspense the terror and unspeakable horror until you experience it yourself vicariously through the reading Ede
