(ed.),2010 The unprecedented resurgence renewal and rebirth of twenty first century Christianity in postcolonial societies such as Asia Africa and Latin America calls for new insights methodologies and paradigms since the West can no longer be regarded as the sole citadel and cradle of the Christian faith The Christian message has been reshaped and reappropriated in different contexts and cultures and through this cross cultural transmission and transformation it has become a world religion Contextualizing the Christian faith also entails decolonizing its theology precepts and dogma These efforts continue to engender new initiatives and efforts in the intercultural interconfessional intercontinental and interreligious dimensions of world Christianity A New Day is a collection of essays in honor of Lamin Sanneh one of the most adamant advocates and apostles of the radical change in the face of Christianity in the twenty first century The essays in this book by recognized scholars deal with issues themes and perspectives that are important for understanding Christianity as a world religious movement *Milton's Places of Hope* Mary C. Fenton,2017-03-02 In early modern culture and in Milton s poetry and prose this book argues the concept of hope is intrinsically connected with place and land Mary Fenton analyzes how Milton sees hope as bound both to the spiritual and the material the internal self and the external world Hope as Fenton demonstrates comes from commitment to literal places such as the land ideological places such as the nation and sacred interior places such as the human soul Drawing on an array of materials from the seventeenth century including emblems legal treatises political pamphlets and prayer manuals Fenton sheds light on Milton s ideas about personal and national identity and where people should place their sense of power and responsibility Milton s politics and where he thought the English nation was and where it should be heading and finally

Milton's theology and how individuals relate to God *Your Kin-dom Come* William Thompson-Uberuaga, 2018-05-16 So many Christians pray the Lord's Prayer. It is almost second nature. This book is meant to help these people pray it more deeply and lovingly. Ecumenical and even striving to be global in nature, this book explores what the Scriptures teach us about this prayer, how the Christian tradition has approached this prayer in its long history, and how many of our contemporary concerns challenge the way we can pray this prayer, and also how the prayer can provide insights for those same concerns. People of all persuasions, believers and nonbelievers, natives and followers of the world's great religions will also find many of their concerns given serious consideration in this book. If you think nothing new can be said about the Our Father, this book may surprise you. *They Cried to the Lord* Patrick D. Miller, 1994 Both compellingly and clearly Patrick D. Miller introduces biblical prayer in all its varied forms and from different angles: the prayers of Israel's neighbors, the names of God in prayer, prayers for help, the response of God, praise, the prayers of women, confession and penitence, prayers for others, blessing and curse, and Jesus and Paul at prayer. The perspective throughout is that of faith and its relation to prayer and theology. The result is a book of importance for church members, students, scholars, and others. *Petitionary Prayer* Scott Alan Davison, 2017 This volume explores the philosophical issues involved in the idea of petitionary prayer, where this is conceived as an activity designed to influence the action of the all-knowing, all-powerful, perfectly good God of traditional theism. Theists have always recognized various logical and moral limits to divine action in the world, but do these limits leave any space among God's reasons for petitionary prayer to make a difference? *Petitionary Prayer: A Philosophical Investigation* develops a new account of the conditions required for a petitionary prayer to be answered by employing the notion of contrastive explanation. With careful attention to recent developments in metaphysics, epistemology, and value theory, Scott A. Davison surveys the contemporary literature on this question. He considers questions about human freedom and responsibility in relation to different views of divine providence, along with the puzzles inherent in Christian teachings concerning petitionary prayer. Davison develops new challenges to the coherence of the idea of answered petitionary prayer based upon the nature of divine freedom, the limits of human knowledge, and the nature of those good things that require a recipient's permission before they can be given. He proposes new defenses building upon careful analysis of the shortcomings of previous proposals and clarifying the issues for future debate. *A Dictionary of Biblical Tradition in English Literature* David Lyle Jeffrey, 1992 Over 15 years in the making, an unprecedented one-volume reference work. Many of today's students and teachers of literature, lacking a familiarity with the Bible, are largely ignorant of how Biblical tradition has influenced and infused English literature through the centuries. An invaluable research tool. Contains nearly 800 encyclopedic articles written by a distinguished international roster of 190 contributors. Three detailed annotated bibliographies. Cross-references throughout. ***Why We Sing: Music, Word, and Liturgy in Early Christianity***, 2022-11-14 Open Access for this publication was made possible by a generous donation from Segelberg'ska stiftelsen f r liturgivetenskaplig forskning. The McMaster Journal of Theology and Ministry is an electronic and print journal that seeks to provide pastors educators and interested lay persons with the fruits of theological biblical and professional studies in an accessible form Published by McMaster Divinity College in Hamilton Ontario it continues the heritage of scholarly inquiry and theological dialogue represented by the College's previous print publications the Theological Bulletin Theodolite and the McMaster Journal of Theology **The Limits of Forgiveness** Maria Mayo, 2021-05-06 Demystifying an unrealistic ideal Maria Mayo questions the contemporary idealization of unconditional forgiveness in three areas of contemporary life so called Victim Offender Mediation involving cases of criminal injury the work of the Truth and Reconciliation Commission in post apartheid South Africa and the pastoral care of victims of domestic violence She shows that an emphasis on unilateral and unconditional forgiveness puts disproportionate pressure on the victims of injustice or violence and misconstrues the very biblical passages especially in Jesus teaching and actions on which advocates of unconditional forgiveness rely

Teach Us to Pray Katharine Mahon, 2019-04-01 The study of liturgical reform is usually undertaken through a close examination of liturgical texts In order to consider the impact of reform on the worship life of Christians Katharine Mahon takes a wider view of liturgy by considering the worship practices of Christian churches beyond what appears in the rites themselves Looking at how Christians were taught how to pray and instructed in liturgical and sacramental participation Mahon explores the late medieval patterns of Christian ritual formation and the transformation of these patterns in the sixteenth century reforms of Martin Luther Thomas Cranmer and Roman Catholic leaders She uses the Lord's Prayer the backbone of medieval lay catechesis liturgical participation and private prayer to paint a panorama of medieval ritual formation integrated into the life of the church in the fourteenth and fifteenth centuries She then follows the disintegration and reconstruction of that system of formation through the changing functions of the Lord's Prayer in the official reforms of catechesis liturgy and prayer in the sixteenth century **The Lord's Prayer and the Sermon on the Mount in**

Matthew's Gospel Charles Nathan Ridlehoover, 2019-12-26 Charles Nathan Ridlehoover examines the Lord's Prayer in Matthew's Gospel focusing on the prayer's centrality and showing how this centrality affects our reading of the Sermon on the Mount and subsequently the prayer itself Ridlehoover argues that the Lord's Prayer is structurally lexically and

thematically central to the Sermon on the Mount and the means through which disciples of Jesus are empowered to live out the kingdom righteousness it defines. In turn the Sermon on the Mount clarifies what the answer to the petitions of the Lord's Prayer might look like in the life of the disciple of Jesus. Whilst the centrality of the Lord's Prayer has been noted by previous commentators, this centrality and its intended purpose has not hitherto been defined or examined in great depth. Ridlehoover fills this gap with a closely argued and in depth study ranging from methodology and the structure of the prayer itself to examining the Father's forgiveness and evil petitions and the relevance of word and deed for hearers and doers. Ridlehoover's examination of the relationship between the Sermon and Prayer advances studies in compositional criticism and intratextuality.

Our Father Who Aren't in Heaven Robert S. Turner, 2015-03-02

The Lord's Prayer holds an honored place in the worship and devotional practices of countless Christians around the world. People of every ethnic background, denominational affiliation and theological leaning pray to Our Father who art in heaven. But what if there's more to it than we think? *Our Father Who Aren't in Heaven* takes a decidedly this-worldly approach to the prayer and seeks to understand what Jesus meant to teach his original disciples and us through this radical manifesto of the kingdom of God. In these pages Robert S. Turner presents a political reading of the prayer and explores how we can encounter through it a God who has left the divine hammock empty and cast God's lot with humanity and the rest of creation. A renewed understanding of the prayer may have the capacity to transform the world. These subversive reflections on the Lord's Prayer may have the capacity to transform the reader as well.
