Nineteenth-Century Travels, Explorations and Empires, Part I Vol 2 Peter J Kitson, William Baker, Indira Ghose, Susan Schoenbauer Thurin, 2021-12-16 A collection of writings on travels undertaken in the Victorian era The texts collected in these volumes show how 19th century travel literature served the interests of empire by promoting British political and economic values that translated into manufacturing goods

The Palgrave Handbook of Literature and the City Jeremy Tambling, 2017-02-17 This book is about the impact of literature upon cities world wide and cities upon literature It examines why the city matters so much to contemporary critical theory and why it has inspired so many forms of writing which have attempted to deal with its challenges to think about it and to represent it Gathering together 40 contributors who look at different modes of writing and film making in throughout the world this handbook asks how the modern city has engendered so much theoretical consideration and looks at cities and their literature from China to Peru from New York to Paris from London to Kinshasa It looks at some of the ways in which modern cities whether capitals shanty towns industrial or rust belt have forced themselves on people's ways of thinking and writing

Writing the City Desmond Harding, 2004-06 This work examines and challenges the traditional transatlantic axis London Paris New York that marks the intersection between western thinking about the City and the advent of literary modernism

Henry James in Context David McWhirter, 2010-09-16 Long misread as a novelist conspicuously lacking in historical consciousness Henry James has often been viewed as detached from and uninterested in the social political and material realities of his time As this volume demonstrates however James was acutely responsive not only to his era's changing attitudes toward gender sexuality class and ethnicity but also to changing conditions of literary production and reception the rise of consumerism and mass culture and the emergence of new technologies and media of new apprehensions of time and space These essays portray the author and his works in the context of the modernity that determined formed interested appalled and or provoked his always curious mind With contributions from an international cast of distinguished scholars *Henry James in Context* provides a map of leading edge work in

contemporary James studies an invaluable reference work for students and scholars and a blueprint for possible future directions

Literary Geography Lynn M. Houston, 2019-08-02 This reference investigates the role of landscape in popular works and in doing so explores the time in which they were written *Literary Geography An Encyclopedia of Real and Imagined Settings* is an authoritative guide for students teachers and avid readers who seek to understand the importance of setting in interpreting works of literature including poetry By examining how authors and poets shaped their literary landscapes in such works as *The Great Gatsby* and *Nineteen Eighty Four* readers will discover historical political and cultural context hidden within the words of their favorite reads The alphabetically arranged entries provide easy access to analysis of some of the most well known and frequently assigned pieces of literature and poetry Entries begin with a brief introduction to the featured piece of literature and then answer the questions How is literary landscape used to shape the story How is the literary landscape imbued with the geographical political cultural and historical context of the author s contemporary world whether purposeful or not Pop up boxes provide quotes about literary landscapes throughout the book and an appendix takes a brief look at the places writers congregated and that inspired them A comprehensive scholarly bibliography of secondary sources pertaining to mapping physical and cultural geography ecocriticism and the role of nature in literature rounds out the work

Critical Companion to Henry James Eric L. Haralson, Kendall Johnson, 2009 Examines the life and writings of Henry James including detailed synopses of his works explanations of literary terms biographies of friends and family and social and historical influences

The Dickensian , 2003 *The City* , 2008 **The Reception of Henry James in Europe** Annick Duperray, 2006 This collection of essays prepared by an international team of scholars and translators examines the ways in which Henry James was translated published and reviewed in Europe

Madmen and Other Survivors Jeremy Tambling, 2007 *Madmen and Other Survivors Reading Lu Xun s Fiction* attempts to put the short stories of this outstanding Chinese writer whose work is central to understanding the May Fourth movement in China into a broad context of Modernism
