EDITED WITH AN INTRODUCTION BY  
Lawrence Lee Hewitt AND  
Arthur W. Bergeron Jr.

# Louisianians In The Civil War

**Terry L. Jones**

## **Louisianians In The Civil War:**

**Louisianians in the Civil War** Lawrence L. Hewitt, Arthur W. Bergeron, 2002 *Louisianians in the Civil War* brings to the forefront the suffering endured by Louisianians during and after the war hardships more severe than those suffered by the majority of residents in the Confederacy The wealthiest southern state before the Civil War Louisiana was the poorest by 1880 Such economic devastation negatively affected most segments of the state s population and the fighting that contributed to this financial collapse further fragmented Louisiana s culturally diverse citizenry The essays in this book deal with the differing segments of Louisiana s society and their interactions with one another Louisiana was as much a multicultural society during the Civil War as the United States is today One manner in which this diversity manifested itself was in the turning of neighbor against neighbor This volume lays the groundwork for demonstrating that strongholds of Unionist sentiment existed beyond the mountainous regions of the Confederacy and to a lesser extent that foreigners and African Americans could surpass white native born Southerners in their support of the Lost Cause Some of the essays deal with the attitudes and hardships the war inflicted on different classes of civilians sugar planters slaves Union sympathizers and urban residents especially women while others deal with specific minority groups or with individuals Written by leading scholars of Civil War history *Louisianians in the Civil War* provides the reader a rich understanding of the complex ordeals of Louisiana and her people Students scholars and the general reader will welcome this fine addition to Civil War studies

Publishers website *Louisiana in the Civil War* Louisiana Civil War Centennial Commission, 1961 **Guide to Louisiana Confederate Military Units, 1861-1865** Arthur W. Bergeron, Jr., 1996-10-01 Bergeron has produced a book essential to the serious Confederate scholar *Journal of American History* In *Guide to Louisiana Confederate Military Units* Arthur W. Bergeron Jr examines the 111 artillery cavalry and infantry units that Louisiana furnished to the Confederate armies No other reference has the complete and accurate record of Louisiana s contribution to the war For each unit Bergeron provides a brief account of its war activities including battles losses and dates of important events He also lists the units field officers the companies in each regiment or battalion and the names of company commanders This book should serve as a model for studies of other states in the Civil War **Military History of the Southwest** **The Louisiana Native Guards** James G. Hollandsworth, Jr., 1995-12 Early in the Civil War Louisiana s Confederate government sanctioned a militia unit of black troops the Louisiana Native Guards Intended as a response to demands from members of New Orleans substantial free black population that they be permitted to participate in the defense of their state the unit was used by Confederate authorities for public display and propaganda purposes but was not allowed to fight After the fall of New Orleans General Benjamin F Butler brought the Native Guards into Federal military service and increased their numbers with runaway slaves He intended to use the troops for guard duty and heavy labor His successor Nathaniel P Banks did not trust the black Native Guard officers and as he replaced them with white commanders the mistreatment and misuse of the black troops steadily increased The first

large scale deployment of the Native Guards occurred in May 1863 during the Union siege of Port Hudson Louisiana when two of their regiments were ordered to storm an impregnable hilltop position Although the soldiers fought valiantly the charge was driven back with extensive losses The white officers and the northern press praised the tenacity and fighting ability of the black troops but they were still not accepted on the same terms as their white counterparts After the war Native Guard veterans took up the struggle for civil rights in particular voting rights for Louisiana s black population The Louisiana Native Guards is the first account to consider that struggle By documenting their endeavors through Reconstruction James G Hollandsworth places the Native Guards military service in the broader context of a civil rights movement that predates more recent efforts by a hundred years This remarkable work presents a vivid picture of men eager to prove their courage and ability to a world determined to exploit and demean them

**The Civil War in Louisiana** John D. Winters,1991-08-01 This comprehensive history fills an important gap in the story of the Civil War Too often the war waged west of the Mississippi River has been given short shrift by historians and scholars who have tended to focus their attention on the great battles east of the river This book looks in detail at the military operations that occurred in Louisiana most of them minor skirmishes but some of them battles and campaigns of major importance The Civil War in Louisiana begins with the first talk of secession in the state and ends with the last tragic days of the war John D Winters describes with great fervor and detail such events as the fall of Confederate New Orleans and the burning of Alexandria In addition to military action Winters discusses the political economic and social aspects of the war in Louisiana His accounts of battles and the men who waged them provide a fuller story of Louisiana in the Civil War than has ever before been told

**Louisiana in the Civil War** Terry L. Jones,2015-06-24 April 1861 marked the 150th anniversary of the attack on Fort Sumter South Carolina and the beginning of the American Civil War It also marked the beginning of a monthly column by historian Terry L Jones This book is a compilation of his fascinating articles describing war related events between April 1861 and May 1865 Louisiana s role in the war was critical It provided sixty five thousand soldiers to the Confederacy and about half that many to the Union including nearly twenty four thousand African Americans some of whom formed the first sanctioned black regiment in the U S Army Many prominent participants of the war hailed from Louisiana The state also was the scene of approximately six hundred battles and skirmishes Among them were some of the war s most crucial engagements that secured the Mississippi River for the Union Jones writes for the general reader covering a wide assortment of interests from Civil War trivia to biographical sketches battle scenarios African American history politics and the home front Vibrant and engrossing this book is certain to surprise you while fostering an appreciation of Louisiana s participation in this key chapter of the nation s history

**Louisiana 1861-1961** Louisiana Civil War Centennial Commission,1961 **Portraits of Conflict** Carl Moneyhon,Carl H. Moneyhon,Bobby Leon Roberts,1990-01-01 Centering on the common soldier this photojournalistic album tells the stories of individuals their heroics fear boredom with some 250 photographs five maps and related documents It also documents by

the by the rise of field photography Annotation copyrighted by Book News Inc Portland OR     **The Civil War in Louisiana**  
 John David Winters,1985     *The Civil War in Louisiana: Military activity* Arthur W. Bergeron,2002     *Louisiana in the Civil War, a Bibliography* Louisiane. Civil war centennial commission,1961     *Scarred by War* Christopher G. Peña,2004-07-22  
 Excluding the capture of New Orleans the military affairs in southeast Louisiana during the American Civil War have long been viewed by scholars and historians as having no strategic importance during the war As such no such serious effort to chronicle the war in that portion of the state has been attempted except Peas earlier book *Touched By War Battles Fought in the Lafourche District* 1998 That book covered the military affairs in southeast Louisiana that led to the five major battles fought in that region between fall 1862 and summer 1863 Beyond that point little is chronicled until now In this thoroughly researched and authoritative book *Scarred By War Civil War in Southeast Louisiana* Christopher Pea has revised and updated his earlier work and expanded the scope to include a study of the remaining two years of the war a period filled with intense Confederate guerilla warfare The literary result is a book that recounts the political social military and economic aspects of the war as they played out in southeast Louisianas bayou country     Confederate Military History of Louisiana  
 John Dimitry,2007 This edition has been drastically changed from the original T p verso     Louisianians in the Western Confederacy Stuart Salling,2014-01-10 The Louisiana Brigade served the Confederacy in the Army of Tennessee battling on the western frontier Commanded by Daniel W Adams and Randall L Gibson the brigade fought from the Battle of Shiloh in April 1862 to the surrender at Meridian in May 1865 This volume follows the formation and history of the individual units the politics of command and the war s end and aftermath     **The Civil War in Louisiana: The Home front** Arthur W. Bergeron,2002 Reveals the disparate loyalties and experiences of the peoples of Louisiana during the Civil War     The Civil War Memoirs of Captain William J. Seymour Terry L. Jones,2020-11-15 A Confederate captain from the 1st Louisiana Brigade uses his skill as a newspaper editor to recount his experiences during the U S Civil War Like many other soldiers who fought in the Civil War New Orleans newspaper editor William J Seymour left behind an account of his wartime experiences It is the only memoir by any field or staff officer of the famous 1st Louisiana Brigade Hays Brigade in the Army of Northern Virginia Long out of print *The Civil War Memoirs of Captain William J Seymour Reminiscences of a Louisiana Tiger* is available once more in this updated and completely revised edition by award winning author Terry L Jones Seymour s invaluable narrative begins with his service as a volunteer aide to Confederate Gen Johnson K Duncan during the 1862 New Orleans campaign Utilizing his journalistic background and eye for detail Seymour recalls the siege of Fort Jackson the only Southern soldier s account except for official reports the bickering and confusion among Confederate officers and the subsequent mutiny and surrender of the fort s defenders Jailed after the fall of New Orleans for violating Maj Gen Ben Butler s censorship order Seymour was eventually released and joined General Hays staff in Virginia Seymour s memoirs cover his experiences in the army of Northern Virginia including the campaigns of Chancellorsville Gettysburg Wilderness and Shenandoah Valley ending

with the Battle of Cedar Creek in 1864 His pen recounts the activities of the Louisiana Brigade while offering a critical analysis of the tactics and strategies employed by the army A perceptive and articulate officer Seymour left behind an invaluable account of the Civil War s drudgery and horror pomp and glory Terry L Jones spare and judicious editing enhances Seymour s memoirs to create an indispensable resource for Civil War historians and enthusiasts **Scarred by War** Christopher G. Peña, Christopher G. Peena, 2004 At the height of its power with the world watching some in envy others waiting to see the downfall America is at a crossroads Will the United States of America dominate the world scene for another hundred years or will internal decay and lack of a common course take it the way of other great empires in the past Rome Carthage Greece the Soviet Union and many others who stepped onto the world stage have exited some in infamy others in ruin Greider shows the rich history of America from those who left Europe to find opportunity and religious freedom and were blessed in their efforts as long as they served God and revered the principles found in the Holy Scriptures The Founding Fathers were deeply religious men who sought inspiration and received divine guidance Forces at work today including the pluralistic mix of our citizenry and the trend toward a post Christian culture are reshaping the American Ideal In his book *America Renewal or Ruin* Greider sees the potential for American youth to find and promote renewal in their quest for moral stability if guided by visionary leaders in a conflicted world History has shown that reawakenings are possible Now is the time according to Greider to call upon those whose roots are embedded in their Christian heritage to wake up and take back their country resisting the forces of ruin Perhaps our nation has gone too far in jettisoning the values upon which it was founded If any culture is to survive it must stand for something If not citizens will fall for anything that is served up in titillating packaging and played to the base appetites of the flesh Our country needs a revival of spirit and a clear sense of morality and propriety Greider shows in his book *America Renewal or Ruin* that there is a cause for every effect and the cause of America greatness lay in the goodness of her people The Founding Fathers were deeply religious men who claimed to owe their dependence and guidance on God and his Word America is rapidly moving away from its Christian roots and the ominous signs of moral social and cultural decay are ever present *Slaves and Freedmen in Civil War Louisiana* C. Peter Ripley, 1976 *Fire in the Cane Field* Donald Shaw Frazier, 2009 Beginning with the spasms of secession in the Pelican State Donald Frazier weaves a stirring tale of bravado reaction and war as he describes the consequences of disunion for the hapless citizens of Louisiana and Texas **Garden of Ruins** J. Matthew Ward, 2024-05-29 J Matthew Ward s *Garden of Ruins* serves as an insightful social and military history of Civil War era Louisiana Partially occupied by Union forces starting in the spring of 1862 the Confederate state experienced the initial attempts of the U S Army to create a comprehensive occupation structure through military actions social regulations the destabilization of slavery and the formation of a complex bureaucracy Skirmishes between Union soldiers and white civilians supportive of the Confederate cause multiplied throughout this period eventually turning occupation into a war on local households and culture In unoccupied regions of the

state Confederate forces and their noncombatant allies likewise sought to patrol allegiance leading to widespread conflict with those they deemed disloyal Ward suggests that social stability during wartime and ultimately victory itself emerged from the capacity of military officials to secure their territory governing powers and nonmilitary populations Garden of Ruins reveals the Civil War state building efforts and democracy itself as contingent processes through which Louisianans shaped the world around them It also illustrates how military forces and civilians discovered unique ways to wield and hold power during and immediately after the conflict

## Reviewing **Louisianians In The Civil War**: Unlocking the Spellbinding Force of Linguistics

## Louisianians In The Civil War Introduction

In today's digital age, the availability of Louisianians In The Civil War books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Louisianians In The Civil War books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Louisianians In The Civil War books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Louisianians In The Civil War versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Louisianians In The Civil War books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Louisianians In The Civil War books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Louisianians In The Civil War books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Louisianians In The Civil War books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Louisianians In The Civil War books and manuals for download and embark on your journey of knowledge?

### FAQs About Louisianians In The Civil War Books

1. Where can I buy Louisianians In The Civil War books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Louisianians In The Civil War book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
