Love Bears All Kal James, 2019-12-18 Our greatest battle is the war within us. A land of paradise, a world of wonder buried deep in the enchanted forest, nestled at the foothills of the mountains, a dream came true. A vision his grandfather had for quite some time of such a beautiful and bountiful place, one to call home. This is a story of family and friends that shared the sweetness of love and touched the hard core of survival. As a cub, Little Guh experienced fun and adventure as well as growing pains. He was stricken with hardship at a young age that placed him in a dismal state of mind with his biggest challenge yet to come. He now had a critical choice to make, one that would impact everyone around him. Life lessons taught him well to love and hope, whether he understood or not, to be kind, to press on, and persevere against the odds, turn weakness to strength, and search to find the things that make a difference. He learned in its truest form that life stood still for no one. Little Guh found what mattered most was to face his fears, to overcome and conquer, and answer the calling was the difference in life or death. He found that not all things were taught, but some things would come as a gift from deep inside. The truth in his heart would set him free and strengthen his love for family, friends, and home. It is best expressed in his grandfather's words: the roar of a bear is the roar of truth. A season of love will last forever.

What Is Love? Marcella A. Spence, 2025-01-30 From as young as we can remember many of us have heard the words I Love You As we are growing we use them too To family friends acquaintances lovers etc Just stop and think what is love Where did it come from and where did it begin Many of us are hurt in some way by family friends and strangers Is there a difference in who loves us Does it hurt differently when it is a stranger compared to someone we know Many say the Bible is a love story or a love letter I agree If you take the time you too will agree if you do not already know There is much to learn about love Read on Read with an open mind and more important an open heart God truly truly loves you **Whatever Became of Love?** Thomas C. De Vries, 2013-07-25 This book draws Soren Kierkegaard and Luce Irigaray into conversation on the nature and ethics of sexual difference While these two initially seem like doubtful dialogue partners the conversation between them yields a rich and compelling account of intersubjectivity between man and woman an account that moves beyond the limited and tired debate over egalitarianism vs complementarianism Through engagement with Irigaray and Kierkegaard this book develops a constructive theological ethics of sexual difference that focuses on an epistemological and subjective gap that sets man and woman at a decisive distance from each other They are a mystery to each other Yet it is also an ethical framework that allows woman and man to encounter one another in ways that respect the independence subjectivity and becoming of each Above all this is a theological ethics of sexual difference that centers on Jesus Christ who is defined as the middle term in every relationship and whose love command defines the encounter between man and woman in difference **The Love Chapter** John Chrysostom, 2012-02-01 St Paul was the first to really define love St John Chrysostom unpacks it One of the most
