Love And Work:

Love and Work Marcus Buckingham, 2022-04-05 A Wall Street Journal bestseller World renowned researcher and New York Times bestselling author Marcus Buckingham helps us discover where we're at our best both at work and in life You've long been told to Do what you love Sounds simple but the real challenge is how to do this in a world not set up to help you Most of us actually don't know the real truth of what we love what engages us and makes us thrive and our workplaces jobs schools even our parents are focused instead on making us conform Sadly no person or system is dedicated to discovering the crucial intersection between what you love to do and how you contribute it to others In this eye opening uplifting book Buckingham shows you how to break free from this conformity how to decode your own loves turn them into their most powerful expression and do the same for those you lead and those you love How can you use love to reveal your unique gifts How can you pinpoint what makes you stand out from anyone else How can you choose roles in which you'll excel Love and Work unlocks answers to these questions and others so you can Choose the right role on the team Describe yourself compellingly in job interviews Mold your existing role so that it calls upon the very best of you Position yourself as a leader in such a way that your followers quickly come to trust in you Make lasting change for your team your company your family or your students Love the most powerful of human emotions the source of all creativity collaboration insight and excellence has been systematically drained from our lives our work teams and classrooms It's time we brought love back in Love and Work shows you how

Love Work Chuck Runyon, David Mortensen, 2017-09 Do your employees jump out of bed in the morning and look forward to going to work or do they have to hit the snooze button five times and chug a 20 ounce latte just to face the day The sad truth is most people live in the second category When it comes to work 70 percent of Americans are disengaged and this scourge of nonproductive downtime is dragging down everybody's performance Chuck Runyon and Dave Mortensen have made it their life's mission to change this Successful entrepreneurs who could have cashed out after seven years at the fitness franchise they co-founded they instead decided to roll the dice roll up their sleeves and reinvent the culture of work For two blue collar guys with high school educations it was a bold move and a huge financial risk But it has paid off in multiple ways not only for them but also for their employees franchisees and members Anytime Fitness is now the world's largest co-ed fitness club franchise arguably reaching a bigger international market penetration more quickly than any franchise in history More impressively the Anytime Fitness logo has been tattooed on the bodies of more than 3 000 employees franchisees and gym members a passion most brands can only dream of By shooting high working hard and trusting their gut Chuck and Dave have inspired individuals families and entire communities to become healthier happier and more successful Now they share their secrets for the first time Their hope is that leaders of all stripes can follow the roadmap outlined in this book to create more purposeful profitable and playful work environments and to inspire others to love work as much as they do

Love and Work Mieke Polderman, 2014-09-01 Is there interaction between love and work If

so in what ways does it appear The main incentive for this research is the notable increase of American and Dutch people who wish to spend more and more of their time working and who feel useless and robbed of their identity when separated from their jobs It seems that work is considered more fulfilling and satisfying than love which can be undermined by failing relationships tension depression violence addiction crime or angry and unmanageable children Whereas Proust described love in a milieu where most of the work was done by servants and artists Freud was convinced that love and work were the two main pillars of society This view has been echoed by psychologists sociologists philosophers and novelists However a new phenomenon is that men and women share love and work Finding the right balance between the two is a hot topic in how to books newspaper and magazine articles but the underlying connections have received little if any scrutiny In fact it may well be a mission impossible since as the Frankfurt School asserted the capitalist powers in search of profit urge politicians to lure men women and children onto the work floor by telling them work is a duty that not only will provide disposable income but also happiness and fulfillment in life Hence people internalize this message without asking themselves why continuous consumption is more important than giving and receiving love which they crave but seldom find Although focusing on middle class people between the ages of twenty five and forty who are travelling the highway of life have paid jobs a relationship of at least three years and children this study should be of interest to everyone *Live Life, Love Work* Kate Burton, 2010-10-12 The secrets to reclaiming your personal life and enriching your professional life for the overstretched overworked and overanxious With the boundaries between professional and private life increasingly blurred by mobile technology most people are simply finding it tougher to enjoy life either at home or at work For those looking for a way out of the frustrating maze of daily life bestselling author and respected communications coach Kate Burton offers the keys to achieving in both one's professional and private life a renewed sense of ownership possibility and meaning In *Live Life Love Work* she poses such essential questions as Whose Life Is It Anyway before offering readers an inspiring Brave Action for Change Each step outlined in the book is linked to a discussion of one's physical mental inner or spiritual world Other books by Burton Personal Development All in One For Dummies and Building Confidence For Dummies Burton delivers custom built corporate workshops and seminars for that boost motivation self awareness communication and health For those interested in enriching both their personal and work life *Live Life Love Work* offers practical insightful tips on how

Love, Work, Children Cheryl Mendelson,2007-12-18 Morningside Heights a Manhattan neighborhood sandwiched between Columbia University and the Hudson River is home to an eclectic mix of academics struggling artists and rooted families In this distinctive world Peter Frankel a successful partner in a prestigious law firm lives a seemingly contented life with his talented wife and his two Ivy League educated children Yet in middle age

Peter finds himself discontent His wife s narrowness and her preoccupation with appearances leaves him cold his job does not fulfill his creative bent and he fears that his children Susan and Louis have grown into skeptical young adults who shun marriage and stability So when Peter s wife is badly hurt in a car accident and lies in a coma he finds himself guiltily relieved and newly drawn toward his children as they too struggle with ambivalent feelings about the mother who s never really shown them much love As Susan a cerebral doctoral student becomes unhappily involved with an aspiring playwright and Louis is caught up in a futile pursuit of an ambitious journalist Peter s own quiet life is shaken up and longings he has stifled for years come rumbling to the surface Freed from his wife s judgments Peter throws himself into his greatest pleasure the work he does for a foundation that funds offbeat artistic projects And as his passion for this work ignites so does his desire for another woman But the stubborn morality that has steered Peter s life is a force to be reckoned with and one from which he may never entirely escape Love Work Children is a profoundly insightful novel about two generations and the colorful urban world they inhabit A superb portrayal of one of New York s exceptional neighborhoods this is a story ultimately about the self imposed obstacles to true happiness and a testament to the joy one can find in overcoming them **Love is Work**

Margaret Gillette,2018 **Live, Love, Work, Prosper** Michael Tobin,2018-01-11 Charismatic philanthropic and multi award winning entrepreneur Michael Tobin has led an inspirational life from growing up in poverty in East London moving to conflict ridden Rhodesia to taking TelecityGroup from near bankruptcy to a billion dollar company in under a decade and in Live Love Work Prosper he shares the invaluable experience he s gained from his life affirming rags to riches tale In Live Love Work Prosper Michael draws on his personal and professional experience to challenge the received wisdom that there needs to be or even can be a divide or a balance between work and life This is truer than ever given dizzyingly rapid rates of change in technology business models and family fragmentation He re evaluates how now and into the future we can be liberated by an integrated approach to success at work that s more in tune with a satisfying and fulfilling personal life Through anecdote personal examples and clear thinking Michael Tobin shows us that drawing on the combined strengths of life love and work creates a powerful new way of living The result is a provocative thoughtful manifesto which aims to alter forever the old school thinking of work life balance and replace it with a far braver new world of work life integration Live Love Work Prosper might just save your relationship your career and your sanity **The Theosophical Quarterly** ,1919

Report of the Indian School Superintendent to the Secretary of the Interior ,1902 **The Psychoanalysis of Career Choice, Job Performance, and Satisfaction** Paul Marcus,2017-01-20 Freud said that love and work are the central therapeutic goals of psychoanalysis the twin pillars for a sound mind and for living the good life While psychoanalysis has masterfully contributed to understanding the experience of love it has only made a modest contribution to understanding the psychology of work This book is the first to explore fully the psychoanalysis of work analysing career choice job performance and job satisfaction with an eye toward helping people make wiser choices that bring out the best in themselves their

colleagues and their organization The book addresses the crucial questions concerning work how does one choose the right career what qualities contribute to excellence in performance how best to implement and cope with organizational change and what capacity and skills does one need to enjoy every day work Drawing on psychoanalytic thinking vocational counseling organizational psychology and business studies The Psychoanalysis of Career Choice Job Performance and Satisfaction will be invaluable in clinical psychoanalytic work as well as for mental health professionals scholars career counselors and psychologists looking for a deeper understanding of work based issues **Tales of the Mirrors** Peddar Panga,2016-05-14 When author Peddar Panga was young his parents and grandparents shared animal stories with him Sometimes funny sometimes sad these entertaining fables always came with lessons illustrating the universal truths of life Tales of the Mirrors gathers fifty such tales rewritten with a modern audience in mind Discover the dangers of living solely for your career in The Royal Hyena Guard where a hyena becomes so concerned with defending his pack s territory that he hurts those closest to him Meet a raccoon carpenter on a campaign to cure work accidents and a charismatic crab who fools a colony of ants Similar in tone to Aesop s fables and the stories of Jean de La Fontaine Panga s stories explore personal discipline security the pursuit of happiness mastery of fear and healing Most of all they celebrate the enduring power of love Let Panga s tales sweep you away to a world where animals talk feel and act like humans In doing so they mirror the best and worst in ourselves offering a chance to learn more about who we are and how we should act **The Analogy of Love** Gary Chartier,2015-11-09 This book offers an overview of Christian theology organized around the twin themes of divine and human love The book covers the traditional theological topics as well as basic questions of theological method It seeks to integrate a focus on love throughout While love is regularly canvassed as a dominant theme in Christian thought it has rarely been the focus of Christian theological construction or a constraint on theological formulation The book seeks to suggest chapter by chapter how a given topic relates to the broad theme of love The book is written in a way designed to make it accessible to university students and educated laypersons At the same time it takes positions on controverted scholarly issues and the methodological approach outlined at the beginning will be of interest to academic theologians Love at Work Nigel Cutts,2015-12 **Compelled by Love** Ed Stetzer,Philip Nation,2008 Trusted missionologist Stetzer and pastor Nation challenge readers to look at love within the context of God the church and the lives of individual believers They provide a basic theological grounding and a platform for personal application of missional living simply the calling to love others

delving into the ways in which they shape and influence our romantic pursuits relationships and experiences of intimacy Through thought provoking analysis and real life examples we ll uncover the challenges and opportunities that arise when love intersects with capitalism We ll examine how the pursuit of material possessions and financial success can sometimes overshadow emotional connection and genuine intimacy and we ll explore the ways in which love can transcend these materialistic tendencies We ll journey through the shifting landscapes of desire power dynamics and identity examining how these factors impact our relationships and experiences of love We ll investigate the role of technology in shaping modern day love exploring how digital platforms and online dating have transformed the ways we connect and form relationships Furthermore we ll explore the intersection of love and labor examining how our careers ambitions and aspirations influence our romantic pursuits We ll also venture into the realm of self love and personal growth recognizing the significance of self acceptance and self compassion in fostering healthy and fulfilling relationships With insights and perspectives from diverse voices this book offers a nuanced understanding of love in the context of capitalism It challenges us to rethink traditional notions of love and relationships and it inspires us to envision a future where love and capitalism can coexist in harmony creating a world rooted in compassion empathy and genuine connection This book is a must read for anyone seeking a deeper understanding of love relationships and the impact of capitalism on our most intimate experiences It s a thought provoking exploration that will resonate with readers from all walks of life leaving them with a renewed appreciation for the power of love and its ability to transform our lives If you like this book write a review

Let's Love to Work: How People Create Careers They Love Rebecca Longman, 2021-11-04 Why is it that so many people hate work And why don t the systems and processes designed to help them be more motivated and productive work better In *Let s Love to Work* business psychologist and employee engagement expert Rebecca Longman explains why the traditional approach to motivating people at work is broken because employees relinquish their agency of how where and what they do for work to their employers *Let s Love to Work* shows how you can take back that agency and create a career you love Based on interviews with a diverse range of people from a range of different careers all of whom love their work *Let s Love to Work* reveals that agency looks different for everyone But what they have in common is that they have each shaped their working lives into ones that fulfill them They love the majority of their work and they ve found ways to rid themselves of the stuff that doesn t excite them They are not slaves to their working lives they thrive on them For too long we ve focused on employee engagement assuming motivation at work is down to an organization s policies procedures and managers But employee engagement is a two way street and we can reclaim control of our working lives by becoming agents of our own careers Whether you want to learn to love your work or help others do so *Let s Love to Work* is a fresh and timely perspective in a world that s fundamentally reassessing the nature and value of work

ABOUT THE AUTHOR Rebecca Longman is an employee engagement strategist and founder of the *Let s Love to Work* initiative a consulting and coaching agency and an information repository for employees

and business owners alike With an MSc in Occupational Psychology she has been applying psychology at work both in house and as an external consultant in employee engagement solutions design and communications and writing about employee engagement and motivation for the last 13 years You can find more of her work on her Medium blog podcast and Social Media channels LetsLovetoWork
