Love Beyond The Grave True Cases Of Ghostly Lovers:

Love Beyond the Grave Hans Holzer, 2020-05-03 To most people man is a highly advanced organism whose life depends on the continuing performance of both his body and his mind To some they are inseparable when the body dies so does the mind But there are many people who see man as the sum of many equal but independent parts that have an existence quite different from and beyond the physical body These people accept the existence of the spirit as the eternal factor of human life believing that this part of man does not die when the body dies but continues its existence beyond death According to Dr Hans Holzer author of Love Beyond the Grave and many other books on the spiritual world we already have a wealth of hard evidence regarding this next state of existence Strong emotions are considered essential in order to make contact with someone from the spiritual world We usually equate such emotions with anger or with crimes of passion Dr Holzer believes that love is also a strong enough emotion to enable people in the physical world to contact those of the spiritual and in Love Beyond the Grave he gives many examples of such relationships including Sally and the Highwayman The Case of the Spurned Lover The Strange Case of the Psychic Callgirl The Ghostly Bedmate and The Affair Death Could Not Stop This is an extraordinary collection of twenty one cases of love beyond the grave all based on sound scholarship and hard facts proving once again that there are more things in heaven and earth than are dreamt of in our philosophy **Hauntings and**

Ricardo Palma's Tradiciones Elisa Sampson Vera Tudela, 2012-02-23 Ricardo Palma's Tradiciones is the first full length account of Ricardo Palma informed by theories of cultural criticism Elisa Sampson Vera Tudela sheds new light on important aspects of Palma's work She offers a fresh interpretation of the relations between history and literature perhaps the most discussed aspect of Palma's work engaging with new critical thinking on historicism and examining the significance of the marginal and the anecdotal in Palma's work By using the tools of postcolonial cultural criticism Vera Tudela considers Palma's encounter with modernity arguing that his recuperation of colonial history plays a crucial part in imagining the modern future Most innovatively Vera Tudela examines the multiple and contradictory notions of femininity in nineteenth century Latin America and in Palma's writing showing how a historical consideration of the sexual politics of cultural production transforms our understanding of many of the assumptions about this period Finally by applying the insights of cultural geography in analysing the racial sexual and political identity of domestic urban and national space in Palma's writing Vera Tudela demonstrates that Palma's literary maps and topographies are uniquely revelatory of questions of power and agency In its exploration of sexual politics and nationhood Ricardo Palma's Tradiciones presents Palma as a proto modernist who paved the way for many of the experiments of twentieth century Latin American narrative fiction
