Trigger Warning Dear Reader Unlike my previous stories this is a little darker and more frightening at least at first At the start of this story there are scenes of women being held against their will and although there is no explicit sexual violence it is certainly implied Having said that this quickly morphs into an extremely hot romance with an ultimately satisfying ending And as you have come to expect from my novels there is plenty of naughtiness included And trust me when I say all the baddies can be assured of their comeuppance

How to Be Authentic Skye C. Cleary,2022-08-16 An illuminating introduction to the philosophy of Simone de Beauvoir and its relevance to modern life In an age of self exposure what does it mean to be authentic Authenticity has become attenuated to the point of meaninglessness everyone says to be yourself but what that means is anyone s guess For existential philosopher Simone de Beauvoir authenticity is not the revelation of a true self but

an exhilarating quest towards fulfillment Her view central to existentialism is that we exist first and then spend the rest of our lives creating not discovering who we are To be authentic is to live in pursuit of self creation and self renewal with many different paths towards diverse goals How to Be Authentic is a lively introduction to Simone de Beauvoir s philosophy of existentialism as well as an exploration of the successes and failures that Beauvoir and other women have experienced in striving towards authenticity Skye C Cleary takes us through some of life s major relationships and milestones friendship romantic love marriage children and death and examines how each offers an opportunity for us to stretch toward authenticity While many people don t get to choose their path in life whether because of systemic oppression or the actions of other individuals Cleary makes a compelling case that Beauvoir s ideas can help us become more conscious of living purposefully thoughtfully and with vitality and she shows us how to do so in responsible ways that invigorate every person s right to become poets of their own lives
