Love Devotion:

Awakening Through Love John Makransky, 2007-07-17 Mother Theresa The Dalai Lama Nelson Mandela Gandhi Some admire such figures from afar and think How special they are I could never be like that But as John Makransky teaches the power of real and enduring love lies within every one of us Awakening Through Love teaches how to enjoy a life imbued with that love through Buddhist methods for cultivating genuine caring and appreciation for others Makransky is a fully qualified guide to this practice a professor of Buddhism and Comparative Theology at Boston College and a father of two he is also a close student and colleague of Lama Surya Das who provides the foreword here Above all he radiates an earnest and genuine caring both in person and on the page Rooted in Buddhism's Dzogchen tradition Makransky asserts that love is part of the very nature of our being and that if we can clear away the delusions that obscure our true nature love will flow to and from us effortlessly Awakening Through Love imparts meditations for both gradual cultivation and direct insight Makransky also provides a uniquely convincing and moving presentation of the role of a teacher or benefactor in deepening our spiritual path Part of the brilliance of Awakening Through Love is that it finds what is universal in Buddhist ideas and practices and renders them usable for a general audience with many references to ways that Christians and others can adapt the methods to their own traditions Peppered with inspiring contemporary stories the book will leave readers feeling more open more inspired and more engaged

Becoming Two in Love Roland J. De Vries, 2013-07-25 This book draws Søren Kierkegaard and Luce Irigaray into conversation on the nature and ethics of sexual difference While these two initially seem like doubtful dialogue partners the conversation between them yields a rich and compelling account of intersubjectivity between man and woman an account that moves beyond the limited and tired debate over egalitarianism vs complementarianism Through engagement with Irigaray and Kierkegaard this book develops a constructive theological ethics of sexual difference that focuses on an epistemological and subjective gap that sets man and woman at a decisive distance from each other They are a mystery to each other Yet it is also an ethical framework that allows woman and man to encounter one another in ways that respect the independence subjectivity and becoming of each Above all this is a theological ethics of sexual difference that centers on Jesus Christ who is defined as the middle term in every relationship and whose love command defines the encounter between man and woman in difference

The Life of the Vows Thomas Merton,2012 As novice master of the Cistercian Abbey of Our Lady of Gethsemani in Kentucky Thomas Merton presented weekly conferences to familiarize his charges with the meaning and purpose of the vows they aspired to undertake In this setting he offered a thorough exposition of the theological canonical and above all spiritual dimensions of the vows Merton set the vows firmly in the context of the anthropological moral soteriological and ecclesial dimensions of human Christian and monastic life He addressed such classical themes of Christian morality as the nature of the human person and his acts the importance of justice in relation to the Passion of Christ to friendship and to love and self surrender as the key to grace prayer and the vowed life Merton s words on these topics clearly spring from a committed heart and often flow with the soaring intensity of style that we have come to expect in his more enthusiastic prose The texts of these conferences represent the longest and most systematically organized of any of numerous series of conferences that Merton presented during the decade of his mastership They may be the most directly pastoral work Merton ever wrote

and every heartbeat Drinking From Love's Cup ,2016-11-11 Bhai Gurdas Bhalla d 1636 CE is widely considered the most important non canonical poet in Sikh history having shaped the theology and ethics of the tradition for centuries His poems which offer an authoritative illustration of Sikh life in the early seventeenth century defined Sikh identity during a tumultuous period of upheaval In Drinking from Love's Cup Rahuldeep Gill brings together for the first time a collection of the revered poet's early work masterfully translated into English alongside the original Punjabi text The magic of Gurdas's poetry says Gill is the fusion of Islamicate narrative with Indian heroic literature to speak about death martyrdom and the spirit's absolution in love Gill challenges the traditional scholarship surrounding the dates of Gurdas's writing suggesting that Gurdas wrote his poetry to console the Sikh community when it was in mourning over the execution of the fifth of the Sikh founders Guru Arjan d 1606 by agents of the Mughal Empire Gurdas in his verses immortalized the fifth Guru's role as a martyr and encouraged the faithful to stay involved in the community resist hegemony and reinforce Sikh beliefs during the sectarian upheaval Rhythmic elegant and lucid the poems weave Sikh scripture into the lyrical fabric of Sikh spirituality Gill brings a contemporary flair to Gurdas's moving stanzas and in his commentary unearths fresh insights about his life and context
