Love in a Dark Time Colm Tóibín, 2003 In *Love in a Dark Time* Colm Toibin looks at the lives and works of some of the greatest and most influential artists of the nineteenth and twentieth centuries His subjects range from figures such as Oscar Wilde born in the 1850s to Pedro Almodvar born nearly one hundred years later Toibin studies how a changing world impacted the lives of people who on the whole kept their homosexuality hidden and reveals that the laws of desire changed everything for them both in their private lives and in the spirit of their work **Love in a Dark Time** Colm Toibin, 2002-10-24 In *Love in a Dark Time* Colm T ib n appraises the life and work of nine highly influential writers and artists of the 19th and 20th centuries These were figures for whom being gay seemed to come second in their public lives either by choice or by necessity but in their private lives in their own spirit the laws of desire changed everything From Oscar Wilde born in the 1850s to Pedro Almodovar born a hundred years later this book studies how a changing world altered gay lives in ways both subtle and profound T ib n is drawn with sympathetic fascination to each of his subjects to Elizabeth Bishop and her artistic triumph over her demons to James Baldwin whose own agent advised him to burn the manuscript for Giovanni s Room to Francis Bacon for his refusal to play the role of the tragic queer to unlovable Thomas Mann victim of his biographers Colm T ib n interweaves close reading of the artist s work with detailed analysis of the personality behind it to illuminating effect **Love in a Dark Time** Colm Toibin, 2004-06-02 Colm T ib n knows the languages of the outsider the secret keeper the gay man or woman He knows the covert and overt language of homosexuality in literature In *Love in a Dark Time* he also describes the solace of finding like minded companions through reading Colm T ib n examines the life and work of some of the greatest and most influential writers of the past two centuries figures whose homosexuality remained hidden or oblique for much of their lives either by choice or necessity The larger world couldn t know about their sexuality but in their private lives and in the spirit of their work the laws of desire defined their expression This is an intimate encounter with Mann Baldwin Bishop and with the contemporary poets Thom Gunn and Mark Doty Through their work T ib n is able to come to terms with his own inner desires his interest in secret erotic energy his admiration for courageous figures and his abiding fascination with sadness and tragedy T ib n looks both at writers forced to disguise their true experience on the page and at readers who find solace and sexual identity by reading between the lines Family Secrets Deborah Cohen, 2017 What did families hide in the past and why By delving into the familial dynamics of shame and guilt *Family Secrets* investigates the part that families so often regarded as the agents of repression have played in the transformation of social mores from the

Victorian era to the present day The Magician Colm Toibin, 2021 The Magician opens at the turn of the twentieth century in a provincial German city where the young boy Thomas Mann grows up with a conservative conventional father and a Brazilian mother exotic and unpredictable who will never fit in He hides both his artistic aspirations and his homosexual desires from this father and his sexuality from everyone He longs for the charismatic beautiful rich cultured young Jewish man but marries his twin sister He longs for a boy he sees on a beach in Venice and writes a novel about him He has six children He is the most successful novelist of his time He wins the Nobel Prize and is expected to lead the condemnation of Hitler His oldest daughter and son share lovers They are leaders of Bohemianism and of the anti Nazi movement This stunning combination of German propriety and Bohemian revolution goes hand in hand for decades We see the rise of Hitler the forced exile of a swath of German writers and artists Mann's narrow escape to America his sojourn at Princeton along with fellow exile Einstein and his final move to LA in the late 40s where he presided over an astonishing community of writers artists and musicians including Brecht and Schoenberg even as his children court tragedy To call this a portrait of an artist is both reductive and true it is a novel about a character and a family fiercely engaged by the world profoundly flawed and as flamboyant as it's possible to be *The Novel* Michael Schmidt, 2014-05-12 With contributions from Great Britain Ireland America Canada Australia India and Southern Africa influenced by great novelists working in other languages and encompassing a range of genres the story of the novel in English unfolds like a richly varied landscape that invites exploration rather than a linear journey **Elizabeth Bishop** Linda Anderson, 2013-08-20 Linda Anderson explores Elizabeth Bishop's poetry from her early days at Vassar College to her last great poems in Geography III and the later uncollected poems Drawing generously on Bishop's notebooks and letters the book situates Bishop both in her historical and cultural context and in terms of her own writing process where the years between beginning a poem and completing it for which Bishop is legendary are seen as a necessary part of their composition The book begins by offering a new reading of Bishop's relationship with Marianne Moore and with modernism Through her journeys to Europe Bishop it is also argued learned a great deal from visual artists and from surrealism However the book also follows the way Bishop came back to memories of her childhood developing ideas about narrative in order to explore time both the losses it demands and the connections it makes possible The lines of connections are both those between Bishop and her contemporaries and her context and those she inscribed through her own work suggesting how her poems incorporate a process of arrival and create new possibilities of meaning *Reading the Contemporary Author* Alison Gibbons, Elizabeth King, 2023-12 Readers literary critics and theorists alike have long demonstrated an abiding fascination with the author both as a real person an artist and creator and as a theoretical concept that shapes the way we read literary works Whether anonymous pseudonymous or trending on social media authors continue to be an object of critical and readerly interest Yet theories surrounding authorship have yet to be satisfactorily updated to register the changes wrought on the literary sphere by the advent of the

digital age the recent turn to autofiction and the current literary climate more generally In *Reading the Contemporary Author* the contributors look back on the long history of theorizing the author and offer innovative new approaches for understanding this elusive figure Mapping the contours of the vast territory that is contemporary authorship this collection investigates authorship in the context of narrative genres ranging from memoir and autobiographically informed texts to biofiction and novels featuring novelist narrators and characters Bringing together the perspectives of leading scholars in narratology cultural theory literary criticism stylistics comparative literature and autobiography studies *Reading the Contemporary Author* demonstrates that a variety of interdisciplinary viewpoints and critical stances are necessary to capture the multifaceted nature of contemporary authorship

Art and Memory in the Work of Elizabeth Bishop Jonathan Ellis, 2018-01-17 In *Art and Memory in the Work of Elizabeth Bishop* Jonathan Ellis offers evidence for a redirection in Bishop studies toward a more thorough scrutiny of the links between Bishop's art and life The book is less

concerned with the details of what actually happened to Bishop than with the ways in which she refracted key events into writing both personal unpublished material as well as stories poems and paintings Thus Ellis challenges Bishop s reputation as either a strictly impersonal or personal writer and repositions her poetry between the Modernists on the one hand and the Confessionals on the other Although Elizabeth Bishop was born and died in Massachusetts she lived a life more bohemian and varied than that of almost all of her contemporaries a fact masked by the tendency of biographers and critics to focus on Bishop s life in the United States Drawing on published works and unpublished material overlooked by many critics Ellis gives equal attention to the influence of Bishop s Canadian upbringing on her art and to the shifts in her aesthetic and personal tastes that took place during Bishop s residence in Brazil during the 1950s and 1960s By bringing together the whole of Bishop s work this book opens a welcome new direction in Bishop studies specifically and in the study of women poets generally
