Love In The Dark:

LOVE IN THE DARK Charlotte Lamb, KEIKO KISHIMOTO, 2020-02-11 Stephanie lives in a small town by the sea far away from people's attention to avoid a five year old incident Then a man shows up in front of her and Ewan her lover It's none other than Gerard who knows what happened five years ago Scared of the past coming out in the open Stephanie makes a risky proposition to Gerard she'll be his possession as long as he keeps his mouth shut *Love in the Dark* Diane

Enns, 2016-09-06 Intimate love opens us up to suffering sacrifice and loss Is it always worth the risk Consulting philosophers writers and poets who draw insights from material life Diane Enns shines a light on the limits of erotic love exploring its paradoxes through personal and philosophical reflections Situating experience at the center of her inquiry Enns conducts philosophy by another name elaborating the ambiguities and risks of love with visceral clarity *Love in the Dark* claims that intimacy must accept risk as long as love does not destroy the self Erotic love inspires an inexplicable affirmation of another but can erode autonomy and vulnerability There is a limit to love and appreciating it requires a rethinking of love's liberal paradigms which Enns traces back to the hostility toward the body and eros in Christianity and the Western philosophical tradition Against a legacy of an abstract and sanitized love Enns recasts erotic attachment as an event linked to conditional circumstances The value of love lies in its intensity and depth and its end does not negate love's truth or significance Writing in a lyrical genre defying style Enns delineates the paradoxes of love in its relations to lust abuse suffering and grief to reach an account faithful to human experience **Love in the Dark** Barbara Cartland, 2018-09-01 Although her vast inheritance

seemed a blessing it has become a curse now that Susanna Laven's mother is determined to marry her against her will to the impoverished Duke of Southampton What's worse that as her mother repeatedly and cruelly tells her she is the family's ugly duckling her only attraction is her fortune Desperate to escape a loveless marriage she responds to an advertisement for a reader in French and Italian for a temporarily blind gentleman Meeting the gentleman a Mr Dunblane who is swathed head to toe in bandages after a terrible motor car accident she finds him rude and short tempered but still accepts and soon finds herself on a luxury train speeding across France on its journey to Florence There Susanna's eyes are opened to the glories of Florence and love to She had prayed to God to give her love and in the blossoming relationship with her blind employer who himself seems entranced by her she may have found it But it's an agony not a joy for surely it will end the moment Mr Dunblane's eyes are healed and he sees that she is not the beauty of his mind's eye's vision *Love in the Dark* is the story of two people being blind in different ways and of how love turns an ugly duckling into a swan with her evening knowing

Ritzenhoff, Karen Randell, 2012-10-15 How can love be understood globally as a problematic transgression rather than the narrative of happy endings that Hollywood has offered The contributors utilize varying methodologies of textual analysis psychoanalytic models and cultural critique and engage with a broad range of films to explore issues of gender identity and spectatorship **The Dark Side of Love** Jane Goldberg, 2017-07-12 Many mothers have disturbing fantasies of killing their children Husbands imagine with guilt cheating on their wives Parents stand on the brink of hitting their teenage children or may actually do so while the teens fabricate elaborate strategies of revenge Hurt pain uncontrollable rage and other forms of abuse also make up the dark side of love This landmark book has a bold thesis The denied dark side of love that can show us love's true nature By acknowledging our negative feelings we can come into the full spectrum of emotion and hear the message of our darker feelings without acting them out Through this we can increase our capacity for love To explain her perspective Jane Goldberg traces the development of love and hate from infancy She debunks simplistic myths about mother love and portrays the mother child bond in all its facets She explores the hidden recesses of family love and romantic love and shows how the acceptance of constructive expressions of anger jealousy and competition can enhance intimacy Drawing on case histories from her psychoanalytic practice as well as mythic stories Goldberg offers insights into the troubling but universal nature of the dark side of love In a highly accessible style she explores how to develop a psychological immune system to protect against the potentially destructive elements in relationships and allow for a constructive expression of love's dark side Her debate provoking book should be read by psychoanalysts and psychotherapists individuals who have suffered from the pains and hurts of love and indeed by those who are interested in human motivation and behavior *Love Song of the Dark Lord* Jayadeva, 1997 This is one of the most important works in Indian literature and a source of religious inspiration in both medieval and contemporary Vaishnavism The beautiful and the dark side of a love story Adrian Gabriel Dumitru, The

book is trying to define the beautiful and the dark side from a man and a woman that are in love of each other but not as theory but as a result of analyzing facts that are happening on the timeline of the love story It s a book about a fairy tale with 2 lovely characters that are not understanding but also are not accepting that the meaning of an abstract love or an imposible story is to enjoy only the beauty of what is going on The 2 people from the essays get lost so many times that not even the people around them can t see if the story itself is real or not But it s all a journey of accepting the beautiful and the dark side from the person that you love so much After the first period when you are blinded by love it comes the second episode when you see that you are not in love with a god but with a human being and just as you have millions of imperfections the same has also that magic person that you fall in love with It s a book that defines the fact that we should accept the things just as they are and love with an opened heart no matter what is going on The nice part is that the book is not a collection of imaginary stories but essays that talks about a real story between 2 adults that wants to redefine and also restart their lives but in the end just enjoy the fact that they met losing any expectation at all as the story to become a real one Today you are happy tomorrow you are not and the essays describes this in a very honest but also beautiful way all those amazing moments spent togheter
