Ask the Beasts: Darwin and the God of Love Elizabeth A. Johnson,2014-03-13 An examination of the relationship between faith in God and the concept of ecological care within a crisis of biodiversity *Jai's Story Part Two - A Contemporary Yogi's Experience of Loss, Love and Liberation* Kieran O'Callaghan-Rishikiz,2024-09-13 Following the farewell funeral and celebration of Jairam s life in Australia his father and older brother embarked on a profound pilgrimage to India on Jai s behalf Just before he passed on Jai was super keen to have this experience This Indian adventure was an amazing experience connecting with great yogis and wise enlightened teachers As you read it you will be inspired and awakened to the rich possibilities of life This book will give readers inspiration and upliftment insight and understanding healing and transformation love and connection God Only Knows Jeff Sellars,2015-12-14 The Beach Boys are one of rock s most enduring and enigmatic groups and while the band has been the subject of numerous biographies and other in depth studies there has been no focused evaluation of the religious and spiritual themes in their work Spiritual and theological themes are present in much of their work and when this realization is coupled with Brian Wilson s mission to spread the gospel of love through records and his sense of music as spiritual of thinking pop music is going to be spiritual that s the direction I want to go this is a striking way to explore the band s music In God Only Knows the contributors attempt to come to grips with just a small amount of this band s massive output by circling around its theological virtues Each section of the book is a loose investigation of the guiding topics of faith hope and love Each essay is a free exploration of theological and spiritual themes from the contributor s own perspectives **Love Without Limits** Nick Vujicic,Kanae Vujicic,2014-11-18 It Doesn t Take a Perfect Person to Find a Perfect Love Even though he was born without arms or legs Nick Vujicic created a ridiculously good life But after dating disappointments and a failed relationship he reached his mid twenties worried that he would never find a woman to love him and share his life Then Nick met Kanae and everything changed But even with undeniable chemistry they would have to navigate twists and turns worthy of a romantic comedy before becoming one in marriage In Love Without Limits Nick and Kanae tell how they improbably found each other fell in love and then fought to overcome skepticism from others about their relationship Filled with practical insights that will benefit any couple this inspiring book describes a godly

courtship and the early years of the Vujicics marriage and parenting journey Above all Love Without Limits is an inspiring reminder that when Christ is at the center of a relationship even with serious challenges true love will triumph Despite my optimism about other parts of life I decided that love in this world had limits after all I d become convinced that no woman would want to marry such an obviously imperfect man as me As a boy growing up in Australia Nick Vujicic could not understand why God had allowed him to be born without limbs and if He would ever bring a woman into Nick s life On the other side of the world Kanae Miyahara a girl growing up in Mexico saw dysfunction sadly separate her family She wondered if a loving lasting marriage was even possible Later when Nick realized that God had a purpose for him his life took on new meaning But after a long term relationship ended in heartache would he ever find someone to marry Kanae experienced relationships based on superficial attraction but she longed to find a mate with strong character and faith a man who would be a godly husband and father When Nick and Kanae met in the most amazing way they realized that God the ultimate Matchmaker had used even their discouraging and painful experiences to prepare them for each other for the love of their life New-Church Messenger ,1913

Scoffing at Scripture Frank Bolger Kelly,2011-02 A former Roman Catholic Frank Bolger Kelly has long wondered why thinking humans as a whole in the 21st century have not yet been able to disenthral themselves from the demonstrable falsehoods and sectarian nonsense of organized religion A few years ago Kelly decided to sit down with the sacred scriptures of several of the world s major religions the alleged bedrocks of these various creeds in a last ditch effort to achieve holy inspiration Instead he became wholly disenchanted and Scoffing at Scripture A Commoner Reads the World s Holy Writ and Rejects Traditional Religion is the result Far from representing that all elusive Word of God creedal scripture the world over it seems to Kelly merely cloaks the tribal agendas and cultural designs of the world s priestly and virtually allmale elites With the general reader in mind the author has grouped together a series of compact discussions of religion and scripture for cross cultural comparative reference Kelly s intent is to facilitate critical analysis of the world s holy writ and in particular to encourage younger skeptical readers of a secular mind to confront the doctrinal scriptural and ritual absurdities of those faiths into which they were born and continue to be indoctrinated Frank Bolger Kelly grew up in an Irish Catholic family in the Bronx New York matriculated to a noted Jesuit college in New England and subsequently did time at a prestigious non sectarian institution of higher learning in the Midwest It was during his enlightening time at the latter that Kelly first began seriously to question not only his own religious upbringing but the scriptural bases of all the world s major religions Kelly was quickly convinced that the vast majority of the faithful the world over commoners like himself just might reconsider their religious roots and motivations in a new light if they actually bothered to immerse themselves for a time in their own sacred scriptures rather than merely fake familiarity with them Actually to read scripture in all its antiquated tendentious sectarian absurdity Kelly reasoned is to take a first giant step in renouncing irrational creeds of all kinds Thus was born Scoffing at Scripture A Commoner Reads the World s Holy Writ and
