*Love Is the Best Teacher* Joan Walsh Anglund, 2004-03 In this inspirational gift book readers discover that the purpose of education is to light the lamp of understanding within the darkness that is ignorance **Learn of Me; Or Words of Truth and Love from the Best Teacher**, 1874 **Love Teaching, Keep Teaching** Peter Radford, 2020-11-27 A practical guide to staying well in a high pressure profession In the midst of a recruitment crisis and a massive exodus of teachers from our schools now is the time for some joined up thinking about teacher well being and mental health Filled with insightful advice and practical strategies Peter Radford's *Love Teaching Keep Teaching* invites educators to think differently about the way education is done and shows them how they can keep doing the job they love without sacrificing their health and well being Furthermore he paints a picture of a truly healthy school as being one in which the value of each staff member and student is fundamental to everything they do and shapes the way they do it Peter also offers a fresh perspective on school leadership encouraging leaders to rethink common practices and to explore the rewards and benefits of employing a people focused approach both in the staffroom and across the school Suitable for teachers and school leaders in both primary and secondary settings *For the Love of Teaching* Alice Ginsberg, Marybeth Gasman, Andrés Castro Samayoa, 2023 *For the Love of Teaching* features case studies of Minority Serving Institutions that are intentionally preparing culturally proficient teachers who are skilled and experienced with diverse groups of students It offers valuable lessons and innovative approaches from four colleges with programs that attract and serve non White teacher candidates **This Much I Know About Love Over Fear ...** John Tomsett, 2015-06-15 *This Much I Know about Love Over Fear* is a compelling account of leading a values driven school where people matter above all else Weaving autobiography with an account of his experience of headship John Tomsett explains how in an increasingly pressurised education system he creates the conditions in which staff and students can thrive Too many of our state schools have become scared soulless places John Tomsett draws on his extensive experience and knowledge and calls for all those involved in education to find the courage to develop a leadership wisdom which emphasises love over fear Creating a truly great school takes patience Ultimately truly great schools don't suddenly exist You grow great teachers first who in turn grow a truly great school There is a huge fork in the road for head teachers one route leads to executive headship across a number of schools and the other takes head teachers back into the classroom to be the head teacher John strongly believes that if the head teacher is not teaching or engaged in helping others to improve their teaching in their school then they are missing the point The only thing head teachers need obsess themselves with is improving the quality of teaching both their colleagues and their own *This Much I Know about Love Over Fear* is an authentic personal narrative of teaching leadership and discovering what really matters It gets to the heart of what is valuable in education and offers advice for those working in schools *Love School* Rev. Tony K. Thomas, 2020-06-02 There was a time when the Rev Tony K Thomas had no idea how to develop a lasting and healthy relationship Like many others he would see

everyone else's faults but not his own and then wonder why his relationships didn't last. There were also times when he was rushing singleness by being in love with the idea of no longer being single. Then after a ground zero experience in relationship failure while at this lowest moment in heartache and despair he sought the Lord for help. While at this low point the Spirit of Love told him, "This time I will not only heal and fix you but others." He was enrolled into Love School to learn about love from God's perspective. In this book the author follows up on his two earlier books about love, sharing what he's learned by obeying the Lord and asking Him for help. Learn how to develop a real and lasting relationship with someone special. Look for answers within instead of from someone else. Learn the purpose of dating where there are no losers, become more loving and lovable, learn love from a divine perspective. Throughout the book you will discover that God's Word is full of love stories and lessons that are still practical today. Rediscover the source of love that comes from our Heavenly Father and transform your love life by enrolling in Love School.

*Love Champions* M. H. Leigh, 2020-11-23 Love could be a choice in asceticism, egotism, and stoicism. Love would be a prize with socialism, communism, and spiritualism. To love the beloved is good; to love the unlovable is better; and to love the haters is love at its best. To love and to be loved with natural knowledge and supernatural wisdom is intimacy under commandment, passion under covenant, and commitment under salvation. This book *Love Champions* reveals the mystery of unconditional love from the God of love and unveils the miracle of God's love to the lovers of God through God's sovereign words and deeds. The good news of the salvation gospel from God the Creator transformed all lovers and haters alike and transfigured all lovers of God into Love Champions abiding God's Great Commandment of loving God and others as self and applying God's Great Commission of spreading the amazing salvation to all nations. Whoever does not love does not know God because God is love. 1 John 4:8 NIV

**Teaching Kids to Love Learning, Not Just Endure It** Michael Connolly, 2011-05-16 With so much emphasis these days on making students globally competitive and prepared to beat students of other nations on international assessments and with so much talk about academic rigor and emphasis on rigid accountability measures, we are in danger of losing sight of the most fundamental element of successful teaching and learning: love. Teaching Kids to Love Learning, Not Just Endure It makes the case that if we really want no child left behind, we must return to the solid foundation on which successful teaching and learning has always rested: the love of teacher for her students and they for her, and the passion of the teacher for her discipline and her desire to share that passion with her students.
