Y. P. Publishing,2019-06-23 Imagine Creating a Magic Moment for that special person in your life Love There is nothing better than having THAT one person in your life who lifts you and makes the world a better place That one person who makes your heart race your knees weak and gives you that dazed look in your eyes They are the One The challenge is to how to keep those feelings of WOW alive and excitement and the passion ablaze How do you keep the desire for each other strong when the world can be so busy and distracting How do you tell them what they mean to you How do you keep that feeling alive The answer is to create ways that pause everything to allow the two of you to focus completely on each other To find and build those critical moments where the two of you exclaim to each other You Are My Everything Love Notes is the perfect way to uniquely tell your Person I Love You Sixty beautiful pages each one different than the other Each page has a guided prompt to help you use your own words to tell them as only You can what you want Your Person to hear Romantic and fun Love Notes is the perfect and unique way to tell them what they mean to you 5 inches by 8 inches in size makes it easy to tuck away as a surprise for them to find or as a creative and personal substitute for a greeting card Each page is different than the other making each Love Note as special as your feelings for them The guided prompts make it simple to express yourself It s your book to them so make it as romantic or mushy or as sexy as you want Imagine the look on their face and the feelings in their heart when they read your Love Notes Perfect for Anniversaries Birthdays Valentines Days Special Dates or simply because You Want to Tell Them How You Feel Love Notes is the perfect way for you to remind them that they are Your Person

*Little Book of I Love You* Sacha Goldberger,2004 A charming package chock full of witticisms about love and sweet nothings The little book of I love you makes a perfect gift for Valentine s day an anniversary or just because A collection of plays on words visual puns photos puzzles die cuts Braille pages that stick together the universal law of attraction and dozens of other creative ways to say I love you     **You're My Little Love Bug** Heidi Weimer,2005-02 This rhyming love letter to your child plays a music box song when opened     Baby's First I Love You Books ( 3 Book Boxed Set) ,2021-04     *The Love Box* ,1992     *The First 100 Days of Love* Sonny Rosati,2019-09-14 It began with a simple idea Back when FaceBook was an innocent eye and a playful journey throwing sheep at each other friends just being friends I was alone in a world that

resented my every breath for gifts I didn't appreciate dreams I didn't respect love I'd always take for granted Alone with my thoughts hopes dreams inspirations magic I believed that if you took one moment every day and just looked into the dark abyss of a perfect universe and found one simple reason to love then in return love would find you So I created a FaceBook Page called I Love You Because so people could post the reasons why they're in love so that when you're alone in the world we could all still celebrate the journey together I believe in this not because it's a hope or dream or new age fancy or even a lonely wish cast away on the other side of forever But because it's true So I kept the faith and I believed in the universe I believed in love and I believed in me I believe in karma destiny fate and love They are all real to me I believe we've always been connected And I know I left you in time and in time you'll find me again Then one day as many lifetimes collided in linear elegance she did find me again And together it was another beautiful day This book celebrates the first 100 days of my relationship with my super amazing wife soul mate twin flame SLC I rewrote many of the original quotes and added both FaceBook posts and quotes from some of the people in our lives at the time Not only because I wanted to answer her for all of the times she's asked me why I love her Not because the universe holds secrets that can't be understood but only experienced Not because we were created for each other Simply Because I love you S
