body has become a key site in contemporary culture where neoliberalism's hegemony has been both secured and contested since 2008 It does this by looking at four different case studies the celebrity male nude leak the rise of young men sharing images of their muscular bodies on social media RuPaul s Drag Race body transformational tutorial and the rise of chemsex It finds that on the one hand digital media has enabled men to transform their bodies into tools of value creation in economic contexts where the historical means they have relied on to create value have diminished On the other it has also allowed them to use their bodies to form intimate collective bonds during a moment when competitive individualism continued to be the privileged mode of being in the world It therefore offers a unique contribution not only to the field of digital cultural studies but also to the growing cultural studies literature attempting to map the historical contradictions of the austerity American Bee Journal, 1892 Includes summarized reports of many bee keeper associations **Women Social Reformers** Helen Rappaport, 2001-12-06 The first comprehensive guide to women activists from every part of the world illuminating the broad range of women's struggles to reform society from the 18th century to the present Despite being marginalized disenfranchised impoverished and oppressed women have always stepped forward in disproportionate numbers to lead movements for social change This two volume encyclopedia documents the visions struggles and lives of women who have changed the world This encyclopedia celebrates the lives and achievements of nearly 300 women from around the globe women who have bravely insisted that the way things are is not the way they have to be Nadeshda Krupskaya the wife of Lenin spearheaded the drive against illiteracy in post revolutionary Russia American Dorothy Day founded the Catholic worker movement Begum Rokeya Hossain organized a girls school in Calcutta in 1911 Rachel Carson launched the modern environmental movement with her book Silent Spring The stories of these women and the hundreds of others collected here will restore missing pages to our history and inspire a new generation of women to change the world Love Story D. A. Fletcher, 2012-06-20 Being a Christian does not mean never having to say you re sorry that s ridiculous In fact we American Christians may have so much to apologize for before we can begin to mount an apologetic we seem to have lost our voice with the lost and all credibility for the Gospel In each our own individual act of idolatry we have each chosen our own Jesus to match our beliefs rather than choosing our beliefs to match Jesus We have recreated God in our own image and we have lost our way Love Story isolates on some large vitally important ways that we have drifted from our faith making it much more American than Godly we have become idolators of individualism freedom democracy capitalism and even idolators of America itself We have little understanding of suffering little to say about the meaning of life and we ve missed entirely the spectacular nature of the universe and life We have much to unlearn before we can dare to speak of our faith Textual Liberation (Routledge Revivals) Helena Forsas-Scott, 2014-11-13 Feminist writing has emerged in recent years as a major influence of twentieth century European literature Textual Liberation first published in 1991 provides a timely and wide ranging survey of twentieth century feminist writing in Europe presenting texts
