The Course of Love Alain de Botton, 2016-06-14 An engrossing tale that provides plenty of food for thought People Best New Books pick this playful wise and profoundly moving second novel from the internationally bestselling author of *How Proust Can Change Your Life* tracks the beautifully complicated arc of a romantic partnership We all know the headiness and excitement of the early days of love But what comes after In Edinburgh a couple Rabi and Kirsten fall in love They get married they have children but no long term relationship is as simple as happily ever after *The Course of Love* explores what happens after the birth of love what it takes to maintain and what happens to our original ideals under the pressures of an average existence We see along with Rabi and Kirsten the first flush of infatuation the effortlessness of falling into romantic love and the course of life thereafter Interwoven with their story and its challenges is an overlay of philosophy an annotation and a guide to what we are reading As *The New York Times* says *The Course of Love* is a return to the form that made Mr de Botton's name in the mid 1990s love is the subject best suited to his obsessive aphorizing and in this novel he again shows off his ability to pin our hopes methods and insecurities to the page This is a Romantic novel in the true sense one interested in exploring how love can survive and thrive in the long term The result is a sensory experience fictional philosophical psychological that urges us to identify deeply with these characters and to reflect on his and her own experiences in love Fresh visceral and utterly compelling *The Course of Love* is a provocative and life affirming novel for everyone who believes in love There's no writer alive like de Botton and his latest ambitious undertaking is as enlightening and humanizing as his previous works *Chicago Tribune*
