Love And Hatred The Troubled Marriage Of Leo And Sonya Tolstoy:

Love and Hatred William L. Shirer, 2007-06-26 Love and Hatred is a groundbreaking brilliant and touching work that explores the marriage of Leo Tolstoy an extraordinary Russian writer and his wife Sonya Bestselling author of *The Rise and Fall of the Third Reich* William L Shirer portrait of a long and stormy marriage that serves as a biography and historical recount of the lives of both Tolstoy's **Love and Hatred** William Lawrence Shirer, 1994 Love and hatred William L. Shire, 1999 *The Nursery of Heaven* George Zachariah, 2020-07-30 At a time when divorce and broken families are common Christian families are seeking God's blessing and wisdom to preserve and make fruitful their marriages and journey together The author has been married for sixty one years and through his experiences conversations and counseling with many couples he has garnered important insights on how Christians may have good and productive marriages This book provides guidance that Christians can prayerfully use to enrich their journey in married life with their partners if they choose to listen The author's six decades with his partner Susan have encouraged him to share his and her insights with fellow Christians *The Hidden Writer* Alexandra Johnson, 2010-07-07 Whom do I tell when I tell a blank page Virginia Woolf's question is one that generations of readers and writers searching to map a creative life have asked of their own diaries No other document quite compares with the intimacies and yearnings the confessions and desires revealed in the pages of a diary Presenting seven portraits of literary and creative lives Alexandra Johnson illuminates the secret world of writers and their diaries and shows how over generations these writers have used the diary to solve a common set of creative and life questions In Sonya Tolstoy's diary we witness the conflict between love and vocation in Katherine Mansfield and Virginia Woolf's friendship the nettle of rivalry among writing equals is revealed and in Alice James's diary begun at age forty the feelings of competition within a creative family are explored The Hidden Writer shows how the diaries of Marjory Fleming Sonya Tolstoy Alice James Katherine Mansfield Virginia Woolf Ana's Nin and May Sarton negotiated the obstacle course of silence ambition envy and fame Destined to become a classic on writing and the diary as literary form this is an essential book for anyone interested in the evolution of creative life *Tolstoy's Quest for God* Daniel Rancour-Laferriere, 2017-07-28 The religious dimension of Tolstoy's life is usually associated with his later years following his renunciation of art In this volume Daniel Rancour Laferriere demonstrates instead that Tolstoy was preoccupied with a quest for God throughout all of his adult life Although renowned as the author of *War and Peace* *Anna Karenina* *The Death of Ivan Ilych* and other literary works and for his activism on behalf of the poor and the downtrodden of Russia Tolstoy himself was concerned primarily with achieving personal union with God Tolstoy suffered from periodic bouts of depression which brought his creative life to a standstill and which intensified his need to find comfort in the embrace of a personal God At times he was in such psychic pain he wanted to die Yet Tolstoy felt that he deserved to suffer and he learned to welcome suffering in masochistic fashion Rancour Laferriere locates the psychological underpinnings of Tolstoy's suffering in a bipolar illness that led him actively to

seek suffering and self humiliation in the Russian tradition of holy foolishness With voluntary suffering and Jesus Christ as his model Tolstoy advocated nonresistance to evil and in his daily life he strove never to return evil actions or words with physical or verbal resistance On the other hand being bipolar Tolstoy in some situations would drift in a manic direction indulging in delusions of grandeur Indeed the aging Tolstoy occasionally went so far as to equate himself with God as can be seen from his diaries and personal correspondence The pantheistic world view which Tolstoy achieved at the end of his life meant that God was within himself and within all people and all things in the entire universe By this time Tolstoy was also utilizing images of a mother to represent his God With this essentially maternal God so conveniently available there was nowhere Tolstoy could be without Her For in the end Tolstoy's quest for God was a

Tolstoy on the Couch Daniel Rancour-Laferriere, 1998-07-08 In his 1889 novella The Kreutzer Sonata Lev Tolstoy

declared war on human sexuality Having fathered thirteen children by his wife and at least two children by peasant women the great Russian writer now has the arrogance to suggest that people should stop having children Psychoanalysis of Tolstoy s diaries and other private materials reveals that Tolstoy s anti sex position was grounded in a sadistic attitude towards women including his wife Sonia and a punishing masochistic attitude towards himself These feelings in turn were related to the trauma of maternal loss in Tolstoy s early childhood
