She is damaged much like him They fall in love Grant is a man haunted by things he has always avoided Despite a new sense of happiness he cant escape the darkness that was born within him It manifests in the form of a father now transformed by his own demons In a dream he frenetically claims happiness But the father with a monster attached mocks him for it The truth he doesnt want to face is that he is not happy Or if he is he fears it is only temporary And it is The war that started after 9 11 branches off into others the president who promised change is reelected a once bright future has become something bleak The Draft is put back into effect On a day when two explosions paint the sky in Baghdad Grant unleashes his darkness Every choice has a consequence His is unimaginable His fathers death left him a man without reason The war leaves him a man changed for the worse He knows of his darkness He let it free And now it threatens to take away everything he loves
