

ESCAPE FROM ASYLUM

The background of the cover features a woman in a white, flowing dress standing in a dark, rocky, and cave-like environment. She has her hands pressed against her head, suggesting distress or a mental struggle. The lighting is dramatic, with a bright light source from the right illuminating her dress and the surrounding rocks.

Every year Robert Adams prepares a series of five reviews of contemporary novels to be delivered alone on a theatre stage to sold out audiences in Toronto and Montreal In A Love of Reading Adams has now gathered 18 of his most brilliant reviews from Jack Maggs by Peter Carey and The Poisonwood Bible by Barbara Kingsolver to A Fine Balance by Rohinton Mistry and Barney s Version by Mordecai Richler In them he skillfully interweaves a nimble and entertaining discussion of plot theme and characterization with fascinating historical biographical and literary context He is repeatedly drawn to the spectacle of less than perfect humans making their way in a hostile world and as a result a review by Robert Adams is almost always a hugely satisfying mix of rich pathos and abundant humour Famously Adams reads a book a day from which he selects only those novels that are truly extraordinary that have made him see some part of the world or some aspect of the human condition in a new light because for Adams the best books always take the reader on a journey with a destination very distant from the point of departure It should be not only a journey of discovery an exploration of the author s vision but also of risk By matching one s own vision to that of the author says Adams the reader enters an exciting negotiation to produce a new vision of his own This joint enterprise between reader and writer the shared risk and the wonder of discovery is the foundation of A Love of Reading For the last six years Robert Adams has presented an annual series of book reviews to sold out audiences Eighty per cent of Adams 3 000 subscribers in Toronto and Montreal renew for the following season This book is a selection of modern classics from a discriminating and entertaining guide Perfect for reading groups Quill Quire noting the jump in sales of any book reviewed by Adams has called the phenomenon The Adams Effect **Screening Novel**

Madness Helen Small,1996 Love s Madness is an important new contribution to the interdisciplinary study of insanity Focusing on the figure of the love mad woman it presents a significant reassessment of the ways in which British medical writers and novelists of the nineteenth century thought about madness femininity and narrative convention The book centers around studies of novels by Jane Austen Sir Walter Scott Charlotte Bront Wilkie Collins and Charles Dickens as well as of previously neglected writings by Charles Maturin Lady Caroline Lamb and Edward Bulwer Lytton among others

Death-Drive Robert Rowland Smith,2010-04-30 Robert Rowland Smith takes Freud s work on the death drive and compares it with other philosophies of death Pascal Heidegger and Derrida in particular He also applies it in a new way to literature and art to Shakespeare Rothko and Katharina Fritsch among others He asks whether artworks are dead or alive if artistic creativity isn t actually a form of destruction and whether our ability to be seduced by fine words means we don t put our selves at risk of death In doing so he proposes a new theory of aesthetics in which artworks and literary texts have a death drive of their own not least by their defining ability to turn away from all that is real and where the effects of the death drive mean that we are constantly living in imaginary rhetorical or artistic worlds The book also provides a valuable introduction to the rich tradition of work on the death drive since Freud Key Features Includes a general introduction to the death drive Presents an original theory of aesthetics Analyses both theoretical and clinical psychoanalysis Offers in depth treatment of Freud Provides an overview of philosophies of death **Ian McEwan's Enduring Love** Peter

is the first study to examine the ubiquity of commercial sex in Russian literary and artistic production from the nineteenth century through the fin de siècle Colleen Lucey offers a compelling account of how the figure of the sex worker captivated the public's imagination through depictions in fiction and fine art bringing to light how imperial Russians grappled with the issue of sexual commerce Studying a wide range of media from little known engravings that circulated in newspapers to works of canonical fiction Lucey shows how writers and artists used the topic of prostitution both to comment on women's shifting social roles at the end of tsarist rule and to express anxieties about the incursion of capitalist transactions in relations of the heart Each of the book's chapters focus on a type of commercial sex looking at how the street walker brothel worker demimondaine kept woman impoverished bride and madam traded in sex as a means to acquire capital Lucey argues that prostitution became a focal point for imperial Russians because it signaled both the promises of modernity and the anxieties associated with Westernization Love for Sale integrates historical analysis literary criticism and feminist theory and conveys how nineteenth century beliefs about the fallen woman drew from medical judicial and religious discourse on female sexuality Lucey invites readers to draw a connection between rhetoric of the nineteenth century and today's debate on sex workers rights highlighting recent controversies concerning Russian sex workers to show how imperial discourse is recycled in the twenty first century
