Love Is A Wonderful Thing:

Love is a Wonderful Thing Jimmy Scott,2003 Discover the Secret of True Love Consolatus C. Okorundu,2008-12-15
In the midst of the many hardships we endure in our daily lives it can be difficult to define the true meaning of love let alone find it Yet living without such love can leave us empty and unfulfilled Consolatus C Okorundu can help Drawing on her personal relationship with God and many of her life experiences Okorundu explores the supreme definition of love and how it can offer us liberation from the darkness within our souls With an in depth look at scriptures from the Holy Bible Okorundu shares how true love will always lead you to peace and harmony toward God others and yourself Learn how the fruits of love patience understanding acceptance consideration honesty forgiveness and communication are the key to successful relationships with others whether it be your family your spouse your friends or even your co workers Okorundu also shares different personal interpretations of love from others to reveal how the common human experience unites us all But at its heart Discover the Secret of True Love shows the awesome love that God has for each of his children Find inner peace with the love from our almighty Father and renew your spirit **Serenity And all kinds of Wonderful** Zara Borthwick,Nicholas Arnold,2016-06-24 Frequently Asked Questions about the Divine Love experience and our own soul and spirit guides There are many questions asked about a Divine Love experience how to receive the Divine Love and how one can physically feel the Divine Love Many of us have been introduced to the Divine Love by the form of spirit communication and this work follows this introduction This book is a perfect book for beginnings involving Divine Love and spirit guides *A Treatise Concerning Heaven and Hell and of the Wonderful Things Therein, as Heard and Seen* Emanuel Swedenborg,1784 **Catalog of Copyright Entries** Library of Congress. Copyright Office,1953 *A Treatise concerning Heaven and Hell, and of the wonderful things therein, as heard and seen by ... E. Swedenborg ... Translated from the original Latin. ... Second edition. [With the preface and notes of the first English translation by T. Hartley.]* Emanuel Swedenborg,1784 *What you See... Is What You Get* Portia A. Jones,2023-03-28 This book was written to encourage and support all those who might be termed self or soul seekers My introduction to this philosophy and or teaching called metaphysics actually turned my life around Over the years after much reading studying researching a lot of soul searching and practicing those concepts that made sense to me I have become a more confident and peaceful person about my place within the universe After many years of private pain and suffering I have learned so much about that something within me that has become the catalyst for me to feel empowered to learn to honor and respect others to make positive changes for myself based on my own determination I have learned to accept myself just as I am and no longer relying on others opinion or waiting for their concept of who I am or should be I have learned that I have a powerful tool that is available to me This tool was not given to me by anyone nor can it be taken away from me I am in total control of this tool which is my mind With our minds we can observe make adjustments when we find it necessary or desired We can make judgments or not We can be healthy happy and successful all due to our state of

mind What a powerful gift that we all have been given So this book may be a catalyst for others who have probably heard these words before but have not been courageous enough to make a stand for themselves Changing one s thoughts can indeed change one s life but this endeavor is not easy It takes commitment to one s self to come to that place of understanding and accepting that it s what you understand in life is what you will experience **Whispers from God**

Victoria M. Howard DM,2019-12-01 Whispers From God is a 365 day devotional book that reflects messages especially for you from God Experience peace in the presence of the Savior through these inspiration devotionals written for the entire family Whispers From God contains words and messages of encouragement comfort and reassurance of our Lord s unending love guidance and peace through Scripture Through these writings your love for Jesus will flourish as you spend one on one time with Him each day Secrets of the Blessed C. A. Lemaster,2017-09-27 No one ever promised life had to be fair but

does it have to hurt so much Is there any hope that this pain will ever end Wherever Jesus went he was surrounded by a multitude of hurting peoplefolks that needed someone to care about and for them He saw them as harassed scattered sheep in desperate need of a shepherd To each of us he has brought hope for deliverance healing from our sorrows and forgiveness for our sins Whether we investigate the heartbeat of the Psalmists the trials of the patriarchs or the pains of the apostles we find people who faced the abuse life arbitrarily hurls our way These saints found healing through their relationship with their God They wrote fearlessly of their experiences so we might learn from them Secrets of the Blessed takes us on a journey of faith through our pain There is truly hope for a blessed happy life when we learn to believe God even when he seems unfair to us There really are no secrets but there are nuggets of wisdom we can mine from Gods Word *The Atlantic Monthly*
